MOST CHARMING STUDENT IN SOUTHERN SCHOOL

Miss Dorothy Taylor, a blonde, of Wilson, N. C., has been voted the most charming student at Meredith college, Raleigh, N. C. She is a senior honor student and editor of the college annual.

PA NEWC OBSERVES

Employes of the department of streets Saturday worked to repair second ward streets where depressions were made by recent rainfalls. Director of Streets Treser stated today the employes would start work on the east side upon completion of the north hill repairs.

With one week of his administration behind him Mayor Mayne has given the office his undivided attention. He has had a large number of callers. He has presided at all sessions of city council and as police court judge.

A Grant street citizen complained that recently owners of Christmas trees gave the trees to boys who made the biggest fire in years in that section. He said that the citizens should have the trees hauled away.

A vase, rather beautifully decorated, is at the city health office, having been retrieved from one of the city dump, cleaned and will be a flower receptacle. It is not infrequent that such articles are found on the city dumps.

It is noticeable that when Mayor Mayne conducts police court he administers the oath to persons who have a part in the case. This has been lacking for some time. A man will think twice before swearing falsely while under oath.

Golfers of the city will appreciate the reappointment of Howard Richard, Daniel Woolcock and Louis

Woman And Three Men Accused Of Killing Alleged Attacker Of Young Wife

(International News Service)

HONOLULU, T. H., Jan. 11.—Fate of the four Americans charged with taking the law into their own hands in the killing of a native accused of attacking the beautiful young wife of a naval officer will be decided in a civil trial by a civilian jury.

This was announced today by Montgomery Winn, attorney for Mrs. Granville Fortescue, eastern society woman and cousin of Alexander Graham Bell; her son-in-law, Lieut. Thomas H. Massie, U. S. N., whose wife had been attacked by five natives, and two enlisted men of the navy, E. J. Lord and Albert S. Jones.

Winn admitted he had been unable to overcome the objections of County Attorney James Gilliland to surrender to the navy the four accused of having shot Joseph Kahahawai.

Situation Quiet.

Mayor's Fund To Benefit By Concert Sunday

New Castle Civic Orchestra Will Give Special Program In Cathedral

COLLECTION TO BE TAKEN FOR CHARITY

Deep interest is being manifested in the concert to be presented in The Cathedral, Sunday afternoon, January 17, at 2:30 by the New Castle Civic Orchestra. No admission is to be charged, but a collection will be taken, the entire amount of which will be turned over to the Mayor's Relief Committee for use in their work in relieving conditions among the unemployed.

Julius V. Sypher is conductor of the New Castle Civic Orchestra; George E. Richardson, Concertmeister; and C. Leroy Shira, manager.

The soloists who will take part in the program with the orchestra, are Thomas H. Webber, organist; George F. Anthony, tenor; and Richard E. Johns, baritone.

Fifty Musicians

This is the first of a series of concerts which will be given throughout the winter season. There are two objects in view in staging this concert. One is to raise additional money for the Mayor's Relief Committee. The other is to demonstrate that music, as an art, "by the people," and "for the people," is not entirely dead, but merely slumbering and can be awakened by a little response from the public at large.

The concert is being sponsored by The News.

There are fifty talented local musicians in the orchestra, who have been rehearsing for the past three months for the coming program, and some difficult numbers will be played by them on Sunday afternoon.

Mayor's Relief Committee Will Meet Tonight

James K. Love, chairman of the mayor's relief committee, announces that an important meeting of the committee will be held this evening at 8 o'clock in the council chamber at city hall. It is imperative that all members be present, he states.

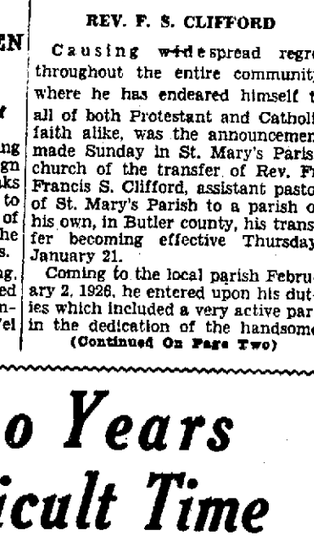
First Two Years Are Difficult Time For New Hospital



MARCUS FEUCHTWANGER

For many, many years Marcus Feuchtwanger has been identified with the civic life of New Castle. Long before the war he was active in civic work, during the war he carried a heavy load of the chest-raising funds, and the various other activities conducted as the result of the war. Since the war his interest has not flagged and one of his interests at the present time is the Jameson Memorial hospital, of which he is a director.

"This thing we call a deficit isn't such a bogey when we sit down and analyze its causes," said Mr. Feuchtwanger. "It is present because the management of the hospital refused to let the hospital retrograde to the level of just an ordinary one. The men and women back of it were and are determined to keep it up to the highest standard of American hospitalization, for we believe that New Castle and Lawrence county citizens are entitled to the very best the medical world offers.

"Equipping a new hospital is a task requiring large sums of money. Nor is this cost ended when the doors of the hospital are opened. The first two years are the trying years and the Jameson Memorial hospital is emerging from its first two years with a $60,000 deficit. Clear this off and the future seems reasonably certain to care for itself.

"Give the hospital enough money to wipe out this deficit and we guarantee ourselves an institution where patients are certain of proper care in sickness. This care is guaranteed to every patient, whether he be a person of wealth or a charity patient. In the Jameson Memorial hospital a patient is a challenge to the skill of the doctors and the hospital authorities. His financial rating or his social prestige means nothing when sickness enters. Lawyers tell us that before the law all persons are equal. So it is in the Jameson Memorial hospital.

"We cannot afford to fail in the campaign for $60,000 to raise the deficit from the hospital. Disease and accident pick their own times to come. When they do come we must be ready. The Jameson Memorial hospital must be kept open and ready to cope with the enemies of mankind."

Mahatma Gandhi's Wife Is Arrested

British Make Bold Move In Arresting Mrs. Gandhi —Many Others Are Jailed

SERIOUS OUTBREAKS REPORTED TODAY

(International News Service)

BOMBAY, Jan. 11.—In probably the most sensational move the British government has made in its campaign to suppress nationalists, government police today arrested the wife of Mahatma Gandhi.

Seized at Bardoli along with other nationalist leaders, including other women, the Mahatma's wife accepted the surprise arrest calmly.

The possibility that Mrs. Gandhi would be jailed was great, since it was unlikely she would apologize for her activities in the civil disobedience campaign, and the government has pursued a policy of sending to prison all who failed to do this.

Meanwhile Gandhi's followers continued their resistance to government ordinances throughout the country. The most serious outbreaks were reported from Karachi, where 30 were injured after police charged a public demonstration, and at Spinigar, where a mob of 10,000 stormed a jail and freed three prisoners of their ranks.

"Now Frank, just give me one more crack at 'em. Then if I don't do anything why you can have 'em. I had tough luck last time. Hoover was hot. But he has cooled down now and I believe it's my year. So just give the old boy one more crack at 'em, won't you Frank, that's a good fellow."

Another photo of Mrs. Granville Roland Fortescue, niece of Alexander Graham Bell, inventor of the telephone, who, with her son-in-law and an American private, has been charged with the murder of an Hawaiian youth at Honolulu, is shown above. Mrs. Fortescue rushed to her daughter's aid last fall when the latter, Mrs. Thomas Massie, was attacked by four natives. Authorities say they found the body of the slain youth in Mrs. Fortescue's car. Her husband, Maj. Granville Fortescue, explorer, author and former aid to President Roosevelt, was in a state of collapse in New York after learning of his wife's arrest. A photo of Major Fortescue, taken 20 years ago when he was an explorer, is shown inset.

Some Reductions Made In Salaries Paid To Employees Of County

Few changes in salaries of county employees were made by the Lawrence county salary board in the schedule announced this morning. Salaries of deputies and clerks in the various offices will remain practically the same as last year.

Changes made were as follows: county commissioners' clerk reduced from $3000 per year to $2500; solicitor reduced from $3000 per year to $2400; poor director, reduced from $2400 per year to $2100, and jail and county physician, reduced from $2200 to $1800.

The salary board is composed of County Commissioners Elmer Conners, P. O. Elder and F. R. Woods and County Treasurer William O. Pitts. Mr. Conners, chairman of the board, stated this morning that the salaries of court house employees had not been raised during the good times. They have been receiving the same money paid seven or eight years ago.

In surrounding counties the board learned that salaries had been raised during the good times. They have now been reduced ten per cent, but after the reductions have been made the salaries are still as high or higher than have been paid in Lawrence county.

Schedule In Effect.

The schedules which remain the same in the different offices are as follows:

County Commissioner's Office, one clerk at $115 per month; one at $80, and three at $70 each. The only change in this office is in the salary of clerk as noted above, being a reduction from $3000 to $2500.

Japanese Sentries Will Be Punished For Recent Attack

United States Will Be Satisfied With Punishment For Chamberlain's Attackers

(International News Service)

WASHINGTON, Jan. 11. — The Japanese government has ordered "drastic punishment" meted out to the two Japanese soldiers who made an unprovoked attack on Culber B. Chamberlain, American vice consul in Manchuria, and the United States government has agreed to accept this as a settlement of the incident.

Announcement to this effect was made today by Secretary of State Stimson.

An interpreter who joined in the attack on Chamberlain was previously dismissed.

He will succeed Blon Cover as soon as he is sworn into office. The term will be for four years. Sands formerly worked as assessor for the city.

Police Report Confession In Child Killing

REPORTED ORIGINAL DISCOVERY OF BODY

Charles Bischoff To Be Charged With Murder Of Little Marian McLean

(International News Service)

CINCINNATI, O., Jan. 11.—Charles Bischoff, 45, shoemaker and owner of a tenement house confessed today he had killed six-year-old Marian McLean and hid her battered body in the basement of the tenement house, police announced.

The child's body was found shortly before Christmas day.

Bischoff was said to have made his confession after an intensive grilling that began last Saturday.

He was held since the day of the tragedy, when he rushed wild-eyed out of his home into the arms of firemen who were searching for the little girl.

Bischoff then said he had discovered the body in the basement.

Seek Indictment

Bischoff committed the crime, he was quoted as saying, because "I guess it's my nature—nature is a funny thing."

County Prosecutor Robert Gorman said Bischoff's case would be presented to the grand jury, probably tomorrow in an effort to obtain a first-degree murder indictment.

According to Sheriff Asa Butterfield, Bischoff had been suspected of the crime for several days. It was not until early this morning, however, he said, that Bischoff "broke"

Certification Of Talbot Measure Is Questioned Today

Opinion Divided in Capital Over Certifying Of Talbot Relief Bill

(International News Service)

HARRISBURG, Jan. 11.—Certification of the Talbot act, which appropriated $10,000,000 for direct relief in Pennsylvania, was questioned on capitol hill today with the return of copies of the measure from the state printer.

Richard Beamish, secretary of the commonwealth, followed a precedent set in 1901 and certified to the Talbot act as a law. Back in 1876, however, a law was enacted without the governor's signature and it was certified by the clerks of the house and senate.

Opinion is divided at the capitol regarding the proper manner of certifying a law that is enacted without the governor's signature.

What with German reparations, and some war like preparations, and the Japanese besieging all along the ancient wall, makes a fellow start to wishing that he could go some place fishing, far from economic troubles, out of everybody's call. Out where chubs and suckers gambol and the bushy elders ramble, out where nature doesn't bother anything except to play, where there are no strange conditions, like war loans and prohibition, out where no one ever worries, weather's forty one today.

Japanese Sentries Will Be Punished For Recent Attack

United States Will Be Satisfied With Punishment For Chamberlain's Attackers

(International News Service)

WASHINGTON, Jan. 11. — The Japanese government has ordered "drastic punishment" meted out to the two Japanese soldiers who made an unprovoked attack on Culber B. Chamberlain, American vice consul in Manchuria, and the United States government has agreed to accept this as a settlement of the incident.

Announcement to this effect was made today by Secretary of State Stimson.

An interpreter who joined in the attack on Chamberlain was previously dismissed.

Ice Causes Many Cars To Leave Road

Rain which fell at midnight and coated the improved highways with ice made operation of automobiles hazardous according to state highway patrolmen stationed here. Some automobiles skidded from the road between New Wilmington and New Castle but no persons were hurt so far as state patrolmen have heard.

Council Names Sands Assessor

Council met today in the municipal building and council voted unanimously for the election of Andrew Sands as assessor. Sands was recommended by Albert Hoyland, director of finance. He will succeed Bion Cover as soon as he is sworn into office. The term will be for four years. Sands formerly worked as assessor for the city.

Certification Of Talbot Measure Is Questioned Today

Opinion Divided in Capital Over Certifying Of Talbot Relief Bill

(International News Service)

HARRISBURG, Jan. 11.—Certification of the Talbot act, which appropriated $10,000,000 for direct relief in Pennsylvania, was questioned on capitol hill today with the return of copies of the measure from the state printer.

Richard Beamish, secretary of the commonwealth, followed a precedent set in 1901 and certified to the Talbot act as a law. Back in 1876, however, a law was enacted without the governor's signature and it was certified by the clerks of the house and senate.

Opinion is divided at the capitol regarding the proper manner of certifying a law that is enacted without the governor's signature.

What with German reparations, and some war like preparations, and the Japanese besieging all along the ancient wall, makes a fellow start to wishing that he could go somc place fishing, far from economic troubles, out of everybody's call. Out where chubs and suckers gambol and the bushy elders ramble, out where nature doesn't bother anything except to play, where there are no strange conditions, like war loans and prohibition, out where no one ever worries, weather's forty one today.

Rails Lead In Market Advance

Rails And Railroad Equipment Stocks Lead Way To Better Market

By W. S. COUSINS,
International News Service
Financial Editor

NEW YORK, Jan. 11.—Under the lead of the rails and specialties, stocks fought their way from a lower level of prices, into which they had been thrown by the drop in steel buying and the apparent hitch in German reparations settlement.

Instead of the 100,000-ton expected increase in forward business, the big steel corporation in its monthly statement showed a drop during December of 198,000 tons, chiefly as the result of the tardiness in coming orders for automobile steel. United States Steel sold in the first period at 40 5-8, against Saturday's high at 44 1-2, but rallied to 43 in the early afternoon.

The best ground-gainers of the day were the rails and railroad equipment stocks, all based upon the prospect of a better deal for the railroads through increased income and decreased expenses. Baltimore & Ohio, which started the new week at 15 7-8, topped 19 in the early afternoon. New Haven preferred reached 75 showing a new gain of 7 points for the day and 13 points from the low of last week and the common made a 3-point jump to 26 1-2 (for the day). Atchison in the same period advanced 3 1-4 points to 87 3-4 and Union Pacific rallied from 74 to 78 1-2.

Railroad equipment stocks like Pullman, American Car and Foundry preferred, Baldwin Locomotive preferred, etc., responded to the better outlook for business by advancing 1 to 3 points over the low of last week. The motor stocks were sluggish, though Chrysler and General Motors reached fractionally higher prices, and Auburn forged ahead from its opening price of 144 3-4 to 141 1-2.

New Applicants For Help Listed By Mayor's Fund

Receipts Over Week-End Are Small While Many Additional People Seek Aid

With only $16 added to the Mayor's Relief Fund over the week end, bringing the total of $6,586.67, the local charitable organizations handling the dispensing of relief, were literally swamped with new applications this morning.

Applications for help at noon, totalled over 60, of which approximately 25 were new cases, and four persons were kept busy the greater part of the morning, taking down the history of the applicants.

At this rate, it will not take more than a few more weeks to exhaust the balance left in the fund, which is being expended as conservatively as possible by the committee in charge of the purchases.

Receipts since the first of the year have been unusually light, but the number of families being aided, has steadily grown.

Young Bob Wallace, of Pearson street, has a worthy loft of racing pigeons. Pa Newc asked him how many birds he had and he answered that there are so many he never attempted counting them. Pigeon racing is developing into a popular sport. Wallace has entered several birds in Rochester Pigeon club races.

A racing pigeon club, with five members, was organized in New Castle a short time ago but was dissolved when one of the members became critically ill.

Not only are dogs barred from attending moving picture theaters but if movie proprietors have any more experiences similar to that of a recent afternoon dogs will be roped off a half block from the theater! The other day a large police dog followed his young master to a show, parked in the entrance and waited two hours for his master to re-appear. During those two hours patrons were forced to use a side door! The dog absolutely would not move and showed his teeth when anyone got to close.

Pa Newc heard a young miss, being led along North Mercer street by her father, remark that she thinks "nothing in the whole world is so much fun as going to the post-office."

Developments in the New Castle post office project at the present time indicates that work should be in progress on the contract early this spring. Preliminary details are apparently being speedily taken care of.

New Castle musicians, numbering fifty or more, comprising a fine orchestra, will present a concert program in the cathedral on Sunday afternoon. There will be no admittance charge, but an offering will be taken for the benefit of the mayor's relief fund.

Have you seen the new inspection stickers on the automobile windshields? They are square pieces of orange transparent paper with an imprint of the keystone in the center.

The nature lovers took advantage of Sunday to hike into the open spaces. One in particular tramped up the Neshannock creek almost to East Brook and reports that he passed nearly a score of grown folks and youths. He advocates the organization of a hiking club here, not a bad idea!

It's not every place that highways are marked for the benefit of motorists. Out beyond Pittsburgh, toward Uniontown, many of the route intersections are not announced before you reach the intersection.

Pa Newc saw an illuminated Christmas tree in a north hill home on Sunday.

Six of Father Cox's unemployed "marchers" to Washington who came to the Y. M. C. A. the other day with the hope of getting work at the Pymatuning dam job were disappointed when told that all registrations had ended.

MacDONALD SAYS CONFERENCE IS REAL NECESSITY

ments, MacDonald issued an official statement stressing the increased necessity of holding the European Reparations Conference.

This was apparently aimed directly at France and her finance minister, Pierre Etienne Flandin, who declared in view of Bruening's stand the Lausanne conference was necessary.

Thus Britain and France stood definitely aligned in different camps on the subject, one ready to admit reparations cannot be collected and announcing the world must make the best of it, the other, disgruntled and reticent to make this admission, already working on some plan whereby, by dealing directly with Germany, she may gain recompense in some other way, perhaps economically.

Premier MacDonald himself may join the British delegation to the Lausanne Conference, it was said. The conference date was changed from January 18 to the 25th.

JAPANESE PLAN NEW WAR FRONT FOR MANCHURIA

pared to meet the threats of the Soviets in Harbin manifested in recent reports from there. Japanese troops were reported moving toward the northern city from several points.

Russians Prepared.

At the same time it was reported in the Peiping legations of several European countries here that the Russians were preparing unusually strong defense lines in the vicinity of Lake Baikal, near Harbin, and that they were concentrating airplanes and other war equipment in the area.

It was believed the Japanese would use the recent riots in Harbin as the pretext for sending large bodies of troops to the north country.

Possibility that the Japanese would be aided in a campaign against the Russians was seen in the fact that Ataman Semeonoff, notorious white Russian cavalry leader, was in Mukden conferring with Japanese army officials.

It was possible that Semeonoff would raise a white legion against the red Russians or that he might lead guerrilla bands in Mongolia to aid the Japanese in ruling inner Mongolia.

and Chiang Kai-Shek to go to the capital.

When Kwei Ching Chi, newly appointed president of Central University in Nanking, attempted to take over his office he narrowly escaped with his life as students attacked and severly beat him. He managed to free himself and fled across the campus to safety just ahead of several hundred angry students.

The government was at a loss to check the students. Police lacked leadership, and government troops were not organized.

Meanwhile the political situation grew worse as the Manchurian situation increased in seriousness. With no government to meet her daily problems, China faced chaos.

CIVIL TRIAL FOR FOUR ACCUSED IN HONOLULU CASE

beneath a surface of outward calm seethed a turmoil of bitter racial feeling, continued quiet with territorial police vigilant to prevent any open rioting. At Scofield barracks, 22 miles from town, regular army forces stood ready to take over the situation should it flare beyond the local law agencies.

Winn confessed frankly he was afraid trouble would result should Lieut. Massie, Lord and Jones stand naval court martial and be acquitted.

Sentiment in Honolulu was sharply divided. Natives and those of mixed blood insisted, for the most part, that Kahahawai was innocent of the attack on Mrs. Massie.

Justice Not Satisfied.

Many members of the white colony, however, pointed to the fact that the attack on Mrs. Massie occurred four months ago and although there was a trial of five men suspected of the crime it ended with a hung jury and justice was still unsatisfied.

Although high navy officials have consistently refused to comment on the case, it was known feeling has run high in official circles over the persistency of attack cases on the island and the apparent failure of the police to cope with the dangerous situation.

Mrs. Fortescue, Lieut. Massie, Jones and Lord will receive a hearing late this week on the first degree murder charges. The original hearing scheduled for Saturday was postponed.

Guard Prisoners.

The navy continued to guard Mrs. Fortescue, Lord and Lieut. Massie aboard a warship anchored in the harbor. The three were surrendered into the custody of Captain Ward K. Workman, commander fo the naval base, shortly after they were arrested while driving rapidly toward Koko Head Geyser in an automobile containing the body of Kahahawai, wrapped in sheets and shot through the heart.

Jones was still in the custody of the police. He was arrested in front of the Massie home, standing guard with a pistol in his hand. First degree murder charges were finally lodged against him Saturday.

That no attempt will be made to seek a conviction of the four charged with killing Kahahawai on first degree murder charges was learned today by International News Service. The city attorney's office probably will ask trial on a much lower charge.

MEET IN PERRYOPOLIS

Local members of the Beaver Valley presbyterial executive board of the Young People's Christian Union joined the Beaver Valley members over the week end for a meeting at the home of the presbyterial superintendent, G. A. P. Bowman, at Perryopolis, Pa., south of Pittsburgh.

The meeting occurred Saturday evening. The members remained overnight and returned Sunday.

Deaths of the Day

James Vincent Gibson.

James Vincent Gibson, aged 61, died at the residence, 405 Galbreath avenue, Sunday at 8:15 p. m. following an illness of eight years from heart trouble.

Mr. Gibson was born in Lawrence county, April 9, 1870, the son of John and Elizabeth Gibson, and had lived in New Castle his lifetime. He was employed as a shearman in the Shenango works of the American Sheet and Tin Plate Company until his health required his retirement.

He is survived by his wife, Mrs. Della Gibson; one son, Herman E. Gibson; one brother, Frank Gibson, and two sisters: Mrs. Martha McGoun, New Castle and Mrs. Josephine Cartwright, Youngstown, O.

Funeral services will be held Tuesday from the residence, with Dr. C. J. Williamson officiating. Interment will be made in Oak Park cemetery.

Miss Elizabeth J. McClain, 75, died at her home in New Wilmington, at seven o'clock this morning following a short illness.

Miss McClain was born in Beaver county, the daughter of David and Anna McClain. She is survived by a number of nieces and nephews.

Funeral services will be held from the home Tuesday evening at eight o'clock and further services will be held in the Darlington United Presbyterian church Wednesday at two p. m. Interment will be made in the Darlington cemetery.

Louis Koch

Louis Koch, native of this city and former well-known business man of the community, until he went to Los Angeles, Cal., to make his home, passed away at Los Angeles, Cal., Sunday morning following an illness.

Mr. Koch was born in this city, the soon of Gottlieb and Christina Koch, and was 75 years of age. He was in business here for many years, his grocery store on Washington street at the present location of the Regent theater being remembered by many residents of the city.

It will be 28 years next May since Mr. Koch and his family left for Los Angeles, Cal., to make their home. Since they went to that place their home has been one of the places visited by many local people visiting in that city.

Mr. Koch was a Mason and a member of the Consistory. While a resident of this city he was active in public affairs and held in high esteem.

He leaves his wife, who was formerly Mary Weible of this city, and three children, Gertrude and Louise, at home, and Louis Jr. of Beverley Hills, Cal.; also two sisters, Miss Caroline Koch and Mrs. Matthew Knapp, both of Girard, O., and two grandchildren. A daughter, Marie, preceded him in death while a resident of this city.

John Offutt Lowery.

John Offutt Lowery, aged 73, well known and highly respected resident of Plain Grove Township, died Monday, January 11, 1932 at 7:30 a. m. at his home following an illness of eleven weeks due to heart trouble.

Mr. Lowery was born in Plain Grove Township, March 15, 1858, the son of John and Nancy Offutt Lowery and had spent his entire life on the same farm on which he died.

He leaves two sisters, Mrs. Wellington Humphrey of Mercer, Pa., and Mrs. Martha Lusk of Plain Grove Township.

Funeral services will be held Wednesday, January 13, at 2 p. m. in the Plain Grove U. P. Church. Interment will be made in the Plain Grove U. P. Cemetery.

Amandus H. Cover.

Amandus H. Cover, aged 76, died at the family home, 1005 Beckford street, at 1:15 this morning, following an illness of two months.

He was born in Medina, Ohio, August 16, 1855, the son of Michael and Mary Henney Cover and had been a resident of New Castle the past two years, had been a contractor here. He was a highly respected citizen of the East Side.

Mr. Cover was a member of the Evangelical Lutheran church at Medina. He was a member of the Modern Woodmen of America.

He is survived by his wife, Mrs. Lizzie Roberts Cover, a daughter, Theresa, at home; a son, Harl Cover, Elgin, Ill., and two grandchildren.

Funeral services will be held Tuesday at 7:30 p. m. from the residence, 1005 Beckford street, with Rev. G. H. Landis, pastor of the First Baptist church officiating. The funeral party will then leave New Castle at 11:15 p. m. Tuesday for Elgin, Ill., where further services will be held and interment made.

NEW PARISH FOR REV. FR. CLIFFORD

(Continued From Page One)

new parish church of St. Mary's parish and since that time in all the parochial activities of the parish and in particular in the music matters of general organization and activities of St. Mary's Dramatic society. Had he continued until February 2nd, next, he would have been here exactly six years.

Since his advent in St. Mary's parish, Father Clifford, who is a musician and director of great ability, has brought the choir and musical services of the parish to the highest standard in its history and their fame has spread far beyond the confines of the local parish.

He was also active in the organization of St. Mary's Dramatic society, which under his supervision, has presented a number of very successful performances. His success along these and in fact in all lines of endeavor as assistant pastor of the local parish has been such as will make the task of his successor in these activities much harder and his place in the life of the community will be hard to fill.

Goes To Murrinsville

Rev. Clifford succeeds the late Rev. Fr. Charles Burke as pastor of St. Alponsus parish, Murrinsville, Butler county, Pa. which is one of the oldest Roman Catholic parishes in this part of the country, having been in existence for 93 years. The parish has a handsome stone church and is well equipped. Rev. Fr. Burke died two weeks ago.

Adding to the interest of his transfer to this parish is the fact that twenty years ago, Rev. Fr. P. J. McKenna, the present pastor of St. Mary's church, was pastor of the same church of which Father Clifford is now to assume charge.

Father Clifford was ordained to the priesthood January 22, 1917 in St. Vincent's Arch Abbey church at Latrobe, Pa., and said his first mass June 24, 1917 in St. Mary Magdalene church, Homestead.

Serving a temporary appointment to St. Joseph's church, North Side, Pittsburgh, for a period of two months, he was then appointed assistant pastor in St. Canice parish, Pittsburgh, where he remained for a period of nine years. His next assistant pastorate was in this city.

Next Sunday will be the last that Rev. Fr. Clifford will have charge of the choir of St. Mary's parish, the members of which will make a special effort to be present for this last time under the leadership of their leader of several years past.

The successor of Rev. Fr. Clifford has not been announced and may not be named for some little time.

The other day a large police dog followed his young master to a show, parked in the entrance and waited two hours for his master to re-appear. During those two hours patrons were forced to use a side door! The dog absolutely would not move and showed his teeth when anyone got to close.

Pa Newc heard a young miss, being led along North Mercer street by her father, remark that she thinks "nothing in the whole world is so much fun as going to the post-office."

Developments in the New Castle post office project at the present time indicates that work should be in progress on the contract early this spring. Preliminary details are apparently being speedily taken care of.

New Castle musicians, numbering fifty or more, comprising a fine orchestra, will present a concert program in the cathedral on Sunday afternoon. There will be no admittance charge, but an offering will be taken for the benefit of the mayor's relief fund.

Have you seen the new inspection stickers on the automobile windshields? They are square pieces of orange transparent paper with an imprint of the keystone in the center.

The nature lovers took advantage of Sunday to hike into the open spaces. One in particular tramped up the Neshannock creek almost to East Brook and reports that he passed nearly a score of grown folks and youths. He advocates the organization of a hiking club here, not a bad idea!

It's not every place that highways are marked for the benefit of motorists. Out beyond Pittsburgh, toward Uniontown, many of the route intersections are not announced before you reach the intersection.

Pa Newc saw an illuminated Christmas tree in a north hill home on Sunday.

Six of Father Cox's unemployed "marchers" to Washington who came to the Y. M. C. A. the other day with the hope of getting work at the Pymatuning dam job were disappointed when told that all registrations had ended.

ments, MacDonald issued an official statement stressing the increased necessity of holding the European Reparations Conference.

This was apparently aimed directly at France and her finance minister, Pierre Etienne Flandin, who declared in view of Bruening's stand the Lausanne conference was necessary.

Thus Britain and France stood definitely aligned in different camps on the subject, one ready to admit reparations cannot be collected and announcing the world must make the best of it, the other, disgruntled and reticent to make this admission, already working on some plan whereby, by dealing directly with Germany, she may gain recompense in some other way, perhaps economically.

Premier MacDonald himself may join the British delegation to the Lausanne Conference, it was said. The conference date was changed from January 18 to the 25th.

pared to meet the threats of the Soviets in Harbin manifested in recent reports from there. Japanese troops were reported moving toward the northern city from several points.

Russians Prepared.

At the same time it was reported in the Peiping legations of several European countries here that the Russians were preparing unusually strong defense lines in the vicinity of Lake Baikal, near Harbin, and that they were concentrating airplanes and other war equipment in the area.

It was believed the Japanese would use the recent riots in Harbin as the pretext for sending large bodies of troops to the north country.

Possibility that the Japanese would be aided in a campaign against the Russians was seen in the fact that Ataman Semeonoff, notorious white Russian cavalry leader, was in Mukden conferring with Japanese army officials.

It was possible that Semeonoff would raise a white legion against the red Russians or that he might lead guerrilla bands in Mongolia to aid the Japanese in ruling inner Mongolia.

When Kwei Ching Chi, newly appointed president of Central University in Nanking, attempted to take over his office he narrowly escaped with his life as students attacked and severly beat him. He managed to free himself and fled across the campus to safety just ahead of several hundred angry students.

The government was at a loss to check the students. Police lacked leadership, and government troops were not organized.

Meanwhile the political situation grew worse as the Manchurian situation increased in seriousness. With no government to meet her daily problems, China faced chaos.

CIVIL TRIAL FOR FOUR ACCUSED IN HONOLULU CASE

beneath a surface of outward calm seethed a turmoil of bitter racial feeling, continued quiet with territorial police vigilant to prevent any open rioting. At Scofield barracks, 22 miles from town, regular army forces stood ready to take over the situation should it flare beyond the local law agencies.

Winn confessed frankly he was afraid trouble would result should Lieut. Massie, Lord and Jones stand naval court martial and be acquitted.

Sentiment in Honolulu was sharply divided. Natives and those of mixed blood insisted, for the most part, that Kahahawai was innocent of the attack on Mrs. Massie.

Justice Not Satisfied.

Many members of the white colony, however, pointed to the fact that the attack on Mrs. Massie occurred four months ago and although there was a trial of five men suspected of the crime it ended with a hung jury and justice was still unsatisfied.

Although high navy officials have consistently refused to comment on the case, it was known feeling has run high in official circles over the persistency of attack cases on the island and the apparent failure of the police to cope with the dangerous situation.

Mrs. Fortescue, Lieut. Massie, Jones and Lord will receive a hearing late this week on the first degree murder charges. The original hearing scheduled for Saturday was postponed.

Guard Prisoners.

The navy continued to guard Mrs. Fortescue, Lord and Lieut. Massie aboard a warship anchored in the harbor. The three were surrendered into the custody of Captain Ward K. Workman, commander fo the naval base, shortly after they were arrested while driving rapidly toward Koko Head Geyser in an automobile containing the body of Kahahawai, wrapped in sheets and shot through the heart.

Jones was still in the custody of the police. He was arrested in front of the Massie home, standing guard with a pistol in his hand. First degree murder charges were finally lodged against him Saturday.

That no attempt will be made to seek a conviction of the four charged with killing Kahahawai on first degree murder charges was learned today by International News Service. The city attorney's office probably will ask trial on a much lower charge.

Detail Unfolded

The crime, from the time the little girl disappeared under mysterious circumstances from her home on December 17 until her battered body was discovered two weeks later in the basement of Bischoff's tenement house was unfolded detail by detail in the alleged confession, Butterfield said.

The puroported confession was made in the presence of J. W. Briskill, assistant county prosecutor, William E. Hopper, R. H. Frech and Dorothy Black.

Local members of the Beaver Valley presbyterial executive board of the Young People's Christian Union joined the Beaver Valley members over the week end for a meeting at the home of the presbyterial superintendent, G. A. P. Bowman, at Perryopolis, Pa., south of Pittsburgh. The meeting occurred Saturday evening. The members remained overnight and returned Sunday.

Deaths of the Day

James Vincent Gibson.

James Vincent Gibson, aged 61, died at the residence, 405 Galbreath avenue, Sunday at 8:15 p. m. following an illness of eight years from heart trouble.

Mr. Gibson was born in Lawrence county, April 9, 1870, the son of John and Elizabeth Gibson, and had lived in New Castle his lifetime. He was employed as a shearman in the Shenango works of the American Sheet and Tin Plate Company until his health required his retirement.

He is survived by his wife, Mrs. Della Gibson; one son, Herman E. Gibson; one brother, Frank Gibson, and two sisters: Mrs. Martha McGoun, New Castle and Mrs. Josephine Cartwright, Youngstown, O.

Funeral services will be held Tuesday from the residence, with Dr. C. J. Williamson officiating. Interment will be made in Oak Park cemetery.

Mrs. Adelia Cooper.

Mrs. Adella Hoover Cooper, aged 60, widow of Dr. Joseph Cooper of this city, died Sunday at 4:20 a. m. at the home of her sister, Mrs. Katherine Bullock, 609 Meek street, Sharon, following an illness of two days.

Mrs. Cooper was born in New Castle, January 16, 1862, the daughter of Mr. and Mrs. Ephriam Hoover and had spent her lifetime in this city. She went to visit her sister in Sharon about three months ago.

She is survived by two sisters: Mrs. Bullock and Mrs. Laura Gaston of this city.

Funeral services will be held Tuesday at 2 p. m. from the home of her sister, Mrs. Bullock, 609 Meek street, Sharon, with Dr. H. C. Weaver, pastor of the First Methodist church of this city, of which she was a member officiating.

Interment will be made in Greenwood cemetery, this city.

John A. Hirt

John A. Hirt, 212 North Mill street, died at his residence early this morning, after a lingering illness.

Mr. Hirt was engaged in the jewelry business in this city for many years and then went to Pittsburgh and for fifteen years he engaged in the same business there, later returning to New Castle. While in Pittsburgh he lived at the Fairfax Hotel.

He is survived by his wife, Mrs. Ella M. Hirt; two daughters, Regina, wife of Harold E. Stevenson of New Castle, and Harriet, wife of Edward H. Thaete, Jr., Victor, Col., and five grandchildren.

Mr. Hirt has been taken to the Offutt Funeral Home, North Mercer street, where he may be seen.

Funeral services will be held Wednesday at 9 a. m. from St. Mary's church, of which he was a member.

(Please Omit Flowers.)

Miss Farrell's Funeral.

Body of Miss Grace Amelia Farrell of Pittsburgh, was viewed by many friends at the funeral home of the Jos. S. Rice Company, East North street, Saturday from 12 o'clock noon until three o'clock after which it was removed to Oak Park Cemetery, where short services were held by Rev. Philip C. Pearson of Trinity Episcopal church. Interment was made in Oak Park Cemetery.

Elizabeth J. McClain

Miss Elizabeth J. McClain, 75, died at her home in New Wilmington, at seven o'clock this morning following a short illness.

Miss McClain was born in Beaver county, the daughter of David and Anna McClain. She is survived by a number of nieces and nephews.

Funeral services will be held from the home Tuesday evening at eight o'clock and further services will be held in the Darlington United Presbyterian church Wednesday at two p. m. Interment will be made in the Darlington cemetery.

Louis Koch

Louis Koch, native of this city and former well-known business man of the community, until he went to Los Angeles, Cal., to make his home, passed away at Los Angeles, Cal., Sunday morning following an illness.

Mr. Koch was born in this city, the soon of Gottlieb and Christina Koch, and was 75 years of age. He was in business here for many years, his grocery store on Washington street at the present location of the Regent theater being remembered by many residents of the city.

It will be 28 years next May since Mr. Koch and his family left for Los Angeles, Cal., to make their home. Since they went to that place their home has been one of the places visited by many local people visiting in that city.

Mr. Koch was a Mason and a member of the Consistory. While a resident of this city he was active in public affairs and held in high esteem.

He leaves his wife, who was formerly Mary Weible of this city, and three children, Gertrude and Louise, at home, and Louis Jr. of Beverley Hills, Cal.; also two sisters, Miss Caroline Koch and Mrs. Matthew Knapp, both of Girard, O., and two grandchildren. A daughter, Marie, preceded him in death while a resident of this city.

John Offutt Lowery.

John Offutt Lowery, aged 73, well known and highly respected resident of Plain Grove Township, died Monday, January 11, 1932 at 7:30 a. m. at his home following an illness of eleven weeks due to heart trouble.

Mr. Lowery was born in Plain Grove Township, March 15, 1858, the son of John and Nancy Offutt Lowery and had spent his entire life on the same farm on which he died.

He leaves two sisters, Mrs. Wellington Humphrey of Mercer, Pa., and Mrs. Martha Lusk of Plain Grove Township.

Funeral services will be held Wednesday, January 13, at 2 p. m. in the Plain Grove U. P. Church. Interment will be made in the Plain Grove U. P. Cemetery.

Amandus H. Cover.

Amandus H. Cover, aged 76, died at the family home, 1005 Beckford street, at 1:15 this morning, following an allness of two months.

He was born in Medina, Ohio August 16, 1855, the son of Michael and Mary Henney Cover and had been a resident of New Castle the past two years, had been a contractor here. He was a highly respected citizen of the East Side.

Mr. Cover was a member of the Evangelical Lutheran church at Medina. He was a member of the Modern Woodmen of America.

He is survived by his wife, Mrs. Lizzie Roberts Cover, a daughter, Theresa, at home; a son, Harl Cover, Elgin, Ill., and two grandchildren.

Funeral services will be held Tuesday at 7:30 p. m. from the residence, 1005 Beckford street, with Rev. G. H. Landis, pastor of the First Baptist church officiating. The funeral party will then leave New Castle at 11:15 p. m. Tuesday for Elgin, Ill., where further services will be held and interment made.

NEW PARISH FOR REV. FR. CLIFFORD

new parish church of St. Mary's parish and since that time in all the parochial activities of the parish and in particular in the music matters of general organization and activities of St. Mary's Dramatic society. Had he continued until February 2nd, next, he would have been here exactly six years.

Since his advent in St. Mary's parish, Father Clifford, who is a musician and director of great ability, has brought the choir and musical services of the parish to the highest standard in its history and their fame has spread far beyond the confines of the local parish.

He was also active in the organization of St. Mary's Dramatic society, which under his supervision, has presented a number of very successful performances. His success along these and in fact in all lines of endeavor as assistant pastor of the local parish has been such as will make the task of his successor in these activities much harder and his place in the life of the community will be hard to fill.

Goes To Murrinsville

Rev. Clifford succeeds the late Rev. Fr. Charles Burke as pastor of St. Alponsus parish, Murrinsville, Butler county, Pa. which is one of the oldest Roman Catholic parishes in this part of the country, having been in existence for 93 years. The parish has a handsome stone church and is well equipped. Rev. Fr. Burke died two weeks ago.

Adding to the interest of his transfer to this parish is the fact that twenty years ago, Rev. Fr. P. J. McKenna, the present pastor of St. Mary's church, was pastor of the same church of which Father Clifford is now to assume charge.

Father Clifford was ordained to the priesthood January 22, 1917 in St. Vincent's Arch Abbey church at Latrobe, Pa., and said his first mass June 24, 1917 in St. Mary Magdalene church, Homestead.

Serving a temporary appointment to St. Joseph's church, North Side, Pittsburgh, for a period of two months, he was then appointed assistant pastor in St. Canice parish, Pittsburgh, where he remained for a period of nine years. His next assistant pastorate was in this city.

Next Sunday will be the last that Rev. Fr. Clifford will have charge of the choir of St. Mary's parish, the members of which will make a special effort to be present for this last time under the leadership of their leader of several years past.

The successor of Rev. Fr. Clifford has not been announced and may not be named for some little time.

FAITH

What would the public think of a Physician or a Dentist who would have a Minister, Nurse or a Neighbor soliciting work for them under the pretense that it was kindness on their part as the party for whom they were soliciting would do the work for a much smaller fee than other men in the same profession.

They would have very little FAITH in a professional man of that kind.

Rails Lead In Market Advance

Rails And Railroad Equipment Stocks Lead Way To Better Market

By W. S. COUSINS,
International News Service
Financial Editor

NEW YORK, Jan. 11.—Under the lead of the rails and specialties, stocks fought their way from a lower level of prices, into which they had been thrown by the drop in steel buying, and the apparent hitch in German reparations settlement.

Instead of the 100,000-ton expected increase in forward business, the big steel corporation in its monthly statement showed a drop during December of 133,000 tons, chiefly as the result of the tardiness in incoming orders for automobile steel. United States Steel sold in the first period at 40 5-8, against Saturday's high at 44 1-2, but rallied to 43 in the early afternoon.

The best ground-gainers of the day were the rails and railroad equipment stocks, all based upon the prospect of a better deal for the railroads through increased income and decreased expenses. Baltimore & Ohio, which started the new week at 15 7-8, topped 19 in the early afternoon. New Haven preferred reached 75 showing a new gain of 7 points for the day and 13 points from the low of last week and the common made a 3-point jump to 26 1-2 (for the day). Atchison in the same period advanced 3 1-4 points to 87 3-4 and Union Pacific rallied from 71 to 78 1-2.

Railroad equipment stocks like Pullman, American Car and Foundry preferred, Baldwin Locomotive preferred, etc., responded to the better outlook for business by advancing 1 to 3 points over the low of last week. The motor stocks were sluggish, though Chrysler and General Motors reached fractionally higher prices and Auburn forged ahead from its opening price of 134 3-4 to 141 1-2.

New Applicants For Help Listed By Mayor's Fund

Receipts Over Week-End Are Small While Many Additional People Seek Aid

With only $13 added to the Mayor's Relief Fund over the week end, bringing the total of $6,586.67, the local charitable organizations handling the dispensing of relief, were literally swamped with new applications this morning.

Applications for help at noon, totalled over 60, of which approximately 35 were new cases, and four persons were kept busy the greater part of the morning, taking down the history of the applicants.

At this rate, it will not take more than a few more weeks to exhaust the balance left in the fund, which is being expended as conservatively as possible by the committee in charge of the purchases.

Receipts since the first of the year have been unusually light, but the number of families being aided, has steadily grown

Young Bob Wallace, of Pearson street, has a worthy loft of racing pigeons. Pa Newc asked him how many birds he had and he answered that there are so many he never attempted counting them. Pigeon racing is developing into a popular sport. Wallace has entered several birds in Rochester Pigeon club races.

A racing pigeon club, with five members, was organized in New Castle a short time ago but was dissolved when one of the members became critically ill.

Justice Not Satisfied.

Many members of the white colony, however, pointed to the fact that the attack on Mrs. Massie occurred four months ago and although there was a trial of five men suspected of the crime it ended with a hung jury and justice was still unsatisfied.

Although high navy officials have consistently refused to comment on the case, it was known feeling has run high in official circles over the persistency of attack cases on the island and the apparent failure of the police to cope with the dangerous situation.

Mrs. Fortescue, Lieut. Massie, Jones and Lord will receive a hearing late this week on the first degree murder charges. The original hearing scheduled for Saturday was postponed.

Guard Prisoners.

The navy continued to guard Mrs. Fortescue, Lord and Lieut. Massie aboard a warship anchored in the harbor. The three were surrendered into the custody of Captain Ward K. Workman, commander of the naval base, shortly after they were arrested while driving rapidly toward Koko Head Geyser in an automobile containing the body of Kahahawai, wrapped in sheets and shot through the heart.

Jones was still in the custody of the police. He was arrested in front of the Massie home, standing guard with a pistol in his hand. First degree murder charges were finally lodged against him Saturday.

That no attempt will be made to seek a conviction of the four charged with killing Kahahawai on first degree murder charges was learned today by International News Service. The city attorney's office probably will ask trial on a much lower charge.

POLICE REPORT CONFESSION IN CHILD KILLING

under the constant grilling and said: "Well, I'll tell you about it."

Detail Unfolded

The crime, from the time the little girl disappeared under mysterious circumstances from her home on December 17 until her battered body was discovered two weeks later in the basement of Bischoff's tenement house was unfolded detail by detail in the alleged confession, Butterfield said.

The puroported confession was made in the presence of J. W. Briskill, assistant county prosecutor, William E. Hopper, R. H. Frech and Dorothy Black.

POSTPONE VETS CORPS REHEARSAL

Rehearsal of the bugle and drum corps of the Harry L. McBride Post, Veterans of Foreign Wars, which is usually held on Tuesday evenings, has been postponed until Wednesday evening, because of basketball activities at the Armory.

All members of the corps are requested to be present on Wednesday evening at 8 o'clock, for the weekly rehearsal.

MEET IN PERRYOPOLIS

Local members of the Beaver Valley presbyterial executive board of the Young People's Christian Union joined the Beaver Valley members over the week end for a meeting at the home of the presbyterial superintendent, G. A. P. Bowman, at Perryopolis, Pa., south of Pittsburgh. The meeting occurred Saturday evening. The members remained overnight and returned Sunday.

Deaths of the Day

James Vincent Gibson.

James Vincent Gibson, aged 61, died at the residence, 405 Galbreath avenue, Sunday at 8:15 p. m. following an illness of eight years from heart trouble.

Mr. Gibson was born in Lawrence county, April 9, 1870, the son of John and Elizabeth Gibson, and had lived in New Castle his lifetime. He was employed as a shearman in the Shenango works of the American Sheet and Tin Plate Company until his health required his retirement.

He is survived by his wife, Mrs. Della Gibson; one son, Herman E. Gibson; one brother, Frank Gibson, and two sisters: Mrs. Martha McGoun, New Castle and Mrs. Josephine Cartwright, Youngstown, O.

Funeral services will be held Tuesday from the residence, with Dr. C. J. Williamson officiating. Interment will be made in Oak Park cemetery.

Mrs. Adelia Cooper.

Mrs. Adelia Hoover Cooper, aged 80, widow of Dr. Joseph Cooper of this city, died Sunday at 4:20 a. m. at the home of her sister, Mrs. Katherine Bullock, 609 Meek street, Sharon, following an illness of two days.

Mrs. Cooper was born in New Castle, January 16, 1862, the daughter of Mr. and Mrs. Ephriam Hoover and had spent her lifetime in this city. She went to visit her sister in Sharon about three months ago.

She is survived by two sisters: Mrs. Bullock and Mrs. Laura Gaston of this city.

Funeral services will be held Tuesday at 2 p. m. from the home of her sister, Mrs. Bullock, 609 Meek street, Sharon, with Dr. H. C. Weaver, pastor of the First Methodist church of this city, of which she was a member officiating.

Interment will be made in Greenwood cemetery, this city.

John A. Hirt

John A. Hirt, 212 North Mill street, died at his residence early this morning, after a lingering illness.

Mr. Hirt was engaged in the jewelry business in this city for many years and then went to Pittsburgh and for fifteen years he engaged in the same business there, later returning to New Castle. While in Pittsburgh he lived at the Fairfax Hotel.

He is survived by his wife, Mrs. Ella M. Hirt; two daughters, Regina, wife of Harold E. Stevenson of New Castle, and Harriet, wife of Edward H. Thaete, Jr., Victor, Col., and five grandchildren.

Mr. Hirt has been taken to the Offutt Funeral Home, North Mercer street, where he may be seen.

Body of Miss Grace Amelia Farrell of Pittsburgh, was viewed by many friends at the funeral home of the Jos. S. Rice Company, East North street, Saturday from 12 o'clock noon until three o'clock after which it was removed to Oak Park Cemetery, where short services were held by Rev. Philip C. Pearson of Trinity Episcopal church. Interment was made in Oak Park Cemetery.

Elizabeth J. McClain

Miss Elizabeth J. McClain, 75, died at her home in New Wilmington, at seven o'clock this morning following a short illness.

Miss McClain was born in Beaver county, the daughter of David and Anna McClain. She is survived by a number of nieces and nephews.

Funeral services will be held from the home Tuesday evening at eight o'clock and further services will be held in the Darlington United Presbyterian church Wednesday at two p. m. Interment will be made in the Darlington cemetery.

Louis Koch

Louis Koch, native of this city and former well-known business man of the community, until he went to Los Angeles, Cal., to make his home, passed away at Los Angeles, Cal., Sunday morning following an illness.

Mr. Koch was born in this city, the soon of Gottlieb and Christina Koch, and was 75 years of age. He was in business here for many years, his grocery store on Washington street at the present location of the Regent theater being remembered by many residents of the city.

It will be 28 years next May since Mr. Koch and his family left for Los Angeles, Cal., to make their home. Since they went to that place their home has been one of the places visited by many local people visiting in that city.

Mr. Koch was a Mason and a member of the Consistory. While a resident of this city he was active in public affairs and held in high esteem.

He leaves his wife, who was formerly Mary Welble of this city, and three children, Gertrude and Louise, at home, and Louis Jr. of Beverley Hills, Cal.; also two sisters, Miss Caroline Koch and Mrs. Matthew Knapp, both of Girard, O., and two grandchildren. A daughter, Marie, preceded him in death while a resident of this city.

John Offutt Lowery.

John Offutt Lowery, aged 73, well known and highly respected resident of Plain Grove Township, died Monday, January 11, 1932 at 7:30 a. m. at his home following an illness of eleven weeks due to heart trouble.

Mr. Lowery was born in Plain Grove Township, March 15, 1858, the son of John and Nancy Offutt Lowery and had spent his entire life on the same farm on which he died.

He leaves two sisters, Mrs. Wellington Humphrey of Mercer, Pa., and Mrs. Martha Lusk of Plain Grove Township.

Funeral services will be held Wednesday, January 13, at 2 p. m. in the Plain Grove U. P. Church. Interment will be made in the Plain Grove U. P. Cemetery.

Amandus H. Cover.

Amandus H. Cover, aged 76, died at the family home, 1005 Beckford street, at 1:15 this morning, following an illness of two months.

He was born in Medina, Ohio August 16, 1855, the son of Michael and Mary Henney Cover and had been a resident of New Castle the past two years, had been a contractor here. He was a highly respected citizen of the East Side.

Mr. Cover was a member of the Evangelical Lutheran church at Medina. He was a member of the Modern Woodmen of America.

He is survived by his wife, Mrs. Lizzie Roberts Cover, a daughter, Theresa, at home; a son, Harl Cover, Elgin, Ill., and two grandchildren.

Funeral services will be held Tuesday at 7:30 p. m. from the residence, 1005 Beckford street, with Rev. G. H. Landis, pastor of the First Baptist church officiating. The funeral party will then leave New Castle at 11:15 p. m. Tuesday for Elgin, Ill., where further services will be held and interment made.

NEW PARISH FOR REV. FR. CLIFFORD

(Continued From Page One)

new parish church of St. Mary's parish and since that time in all the parochial activities of the parish and in particular in the music matters of general organization and activities of St. Mary's Dramatic society. Had he continued until February 2nd, next, he would have been here exactly six years.

Since his advent in St. Mary's parish, Father Clifford, who is a musician and director of great ability, has brought the choir and musical services of the parish to the highest standard in its history and their fame has spread far beyond the confines of the local parish.

He was also active in the organization of St. Mary's Dramatic society, which under his supervision, has presented a number of very successful performances. His success along these and in fact in all lines of endeavor as assistant pastor of the local parish has been such as will make the task of his successor in these activities much harder and his place in the life of the community will be hard to fill.

Goes To Murrinsville

Rev. Clifford succeeds the late Rev. Fr. Charles Burke as pastor of St. Alponsus parish, Murrinsville, Butler county, Pa. which is one of the oldest Roman Catholic parishes in this part of the country, having been in existence for 93 years. The parish has a handsome stone church and is well equipped. Rev. Fr. Burke died two weeks ago.

Adding to the interest of his transfer to this parish is the fact that twenty years ago, Rev. Fr. P. J. McKenna, the present pastor of St. Mary's church, was pastor of the same church of which Father Clifford is now to assume charge.

Father Clifford was ordained to the priesthood January 22, 1917 in St. Vincent's Arch Abbey church at Latrobe, Pa., and said his first mass June 24, 1917 in St. Mary Magdalene church, Homestead.

Serving a temporary appointment to St. Joseph's church, North Side, Pittsburgh, for a period of two months, he was then appointed assistant pastor in St. Canice parish, Pittsburgh, where he remained for a period of nine years. His next assistant pastorate was in this city.

Next Sunday will be the last that Rev. Fr. Clifford will have charge of the choir of St. Mary's parish, the members of which will make a special effort to be present for this last time under the leadership of their leader of several years past.

The successor of Rev. Fr. Clifford has not been announced and may not be named for some little time.

FAITH

What would the public think of a Physician or a Dentist who would have a Minister, Nurse or a Neighbor soliciting work for them under the pretense that it was kindness on their part as the party for whom they were soliciting would do the work for a much smaller fee than other men in the same profession.

They would have very little FAITH in a professional man of that kind.

CHAPTER 333 O. E. S. NEW YEAR LUNCHEON

Shenango Chapter No. 333, Order of the Eastern Star entertained at a beautifully appointed 1 o'clock luncheon in the Cathedral Saturday afternoon, for members, marking the first New Year event of this nature. It was an overwhelming success.

One hundred and sixty-eight marched into the dining room and took their places at tables arranged in a perfect order, forming a huge star. Green foliage, plants, tall lighted tapers and clustered twigs with sparkling snow were used attractively in the decorations.

During the serving of a very delicious menu by the Ladies Aid of St. John's Lutheran church, the chapter choir seated at one point of the Star, chimed in with an especially planned "cheer up" program and sang witty songs at appropriate intervals, keeping the group in an uproar of laughter.

At the conclusion of this feature, Mrs. Estelle Weddell, Worthy Matron, spoke a few words of appreciation to her committees who cooperated so splendidly in making the event a success, and told of the pleasure she and all those in attendance were afforded. Mrs. Weddell called on the following who also expressed themselves in a few well chosen words, namely; Mrs. Carrie Crisswell, Past Grand Matron of the Grand Chapter of the State of Pennsylvania from Beaver Falls; and an honorary member, Mrs. Helen Ramsey, District Deputy of District 2B, and an honorary member; Mrs. Fred Wolford, Grand Representative of the State of West Virginia; and an honorary member, Mrs. Sara Richards, Grand Representative of Florida, visiting here from Easton, Pa.; Mrs. Benjamin Beisel who assisted in the constituting of Chapter 333 and an honorary member; Mrs. Carolyn Lindsley, Past District Deputy and honorary member of the chapter.

The guests later indulged in bridge, 500 and bingo contests, and at the close of the entertainment, novel prizes were given to the winners.

The committee in charge included the Mesdames Clara Remley, general chairlady, Daisy McKibben, Alice Wilson, Lulu Campbell, Bertha M. Treser, Olive DeReamer, Gail Madigan, Olive Klee, May Brinton and May B. Young.

An important announcement was made regarding the work of the Rainbow Order for Girls, Assembly No. 1, by Mrs. May Young. An open installation service will be held on Wednesday evening, January 20, in the Cathedral, and the Supreme Deputy of Rainbow, will be a special guest on this date.

ANNIVERSARIES ARE OBSERVED SATURDAY

A very pleasant social gathering of Saturday evening occurred at the home of Mr. and Mrs. W. F. Johnston on DuShane street when a group of relatives and friends assembled to help celebrate their 25th wedding anniversary. This event doing double honors, also observed the 25th anniversary of Mr. and Mrs. I. L. Billingsley of Greenville. The latter couple was married at an earlier hour on the same day and were later present at the marriage ceremony of the former couple.

Games of a wide variety occupied the attention of those assembled and at 9:30 o'clock the guests were ushered into the dining room where they were served a delicious dinner at a table beautifully appointed in keeping with the occasion. A large wedding cake, presented by Miss Gladys Billingsley, graced the center. At the conclusion of this feature the hours were spent with music, vocal and instrumental. Gaylord Atweli presided at the piano.

Among those present were Mr. and Mrs. E. C. Cluclow, Mr. and Mrs. Earl Gilliland, Miss Mary Gilliland, Miss Carnes, Joseph Gilliland, Gaylord Atwell and Bobbie Gilliland of Franklin, Misses Gladys and Louise Billingsley and Robert Reach of Greenville, Dorothy Kinney and Russell Johnston of New Castle.

All departed at a late hour, extending good wishes to the honored ones for many more happy wedding anniversaries.

CHORUS CHOIRS WILL BE FETED

The Women's organizations of the First Presbyterian church have planned a dinner party for Friday evening at 6 o'clock in the church dining room, at which time the members of the church choir and the junior and children's choirs will be the special guests.

The dinner is a courtesy to the choirs for the splendid programs they gave in the church over the holidays.

SEWING AT JAMESON HOSPITAL WEDNESDAY

The regular weekly sewing session will take place at the Jameson Memorial hospital, on Wednesday morning from 9 until 12 o'clock, with members of the Randolph Circle of the Kings Daughters of the First Methodist church participating. A cordial invitation is extended to all women in New Castle interested in this worthy work, to be present and take part.

SHENANGO CHOIR TO PRACTISE TONIGHT

This evening at 8 o'clock, the choir of Shenango Chapter, No. 333 Order of the Eastern Star will meet at the home of Miss Margaret Young at 315 Wallace avenue for practice. They are preparing for the "Old Fashioned Musicale" which will be given at their meeting on February 1.

FORMER RESIDENTS HAVE GOLDEN WEDDING

Mr. and Mrs. Ellis S. Morrow celebrated their golden wedding anniversary in their home in Lakewood, Ohio, recently. The Morrows were former residents of New Castle.

On December 22, 1881, Ellis S. Morrow and Nettie E. Ormsby were united in marriage by the bride's grandfather, Rev. John Abbott, a methodist minister of the Erie conference, at the home of the bride's parents, Mr. and Mrs. J. L. Cook, near Pardoe, Mercer county.

Palms and yellow roses were used artistically through the rooms, and the same color scheme was used in the menu of refreshments served. The bride's table, at which eight were seated, was centered with a bride's cake, topped by a miniature bride and groom. The couple received fifty dollars in gold and many other lovely gifts in commemoration of the event.

Those who assisted at the reception and dinner were Mrs. Stella Coffman, Mrs. Lela Nehring, Mrs. Ethel Burger, Mrs. Doris Sankey, Misses Norma Coffman and Vivian Nehring.

Mr. and Mrs. Elmer Morrow, Mr. and Mrs. Charles Sankey and son, Junior and Mrs. T. C. Armstrong of New Castle, Mr. and Mrs. Charles Morrow and family of Akron, Ohio, and Mr. and Mrs. L. L. Burger of Franklin, were among the out of town guests present.

WOMEN'S OVERSEAS LEAGUE HAS MEETING

Lawrence County Unit, Women's Overseas Service League held a well attended meeting on Saturday afternoon at the home of Mrs. R. R. Kegarise of Euclid avenue. A business session was held in the earlier part of the afternoon.

An invitation to attend a conference of the units of the W. O. S. L. of the Third Corps Area to be held in Pittsburgh, February 27-28 was accepted, quite a number of the members planning to attend and participate.

Mrs. William Cosel, member of the Lawrence County Unit, who returned recently from a trip in France and Germany, during which she attended the Cecil Peace conference in Paris, gave reflections of her trip abroad, which proved most enjoyable and instructive to the members.

At a seasonable hour, refreshments were served by the hostess, Mrs. R. R. Kegarise. The next meeting will be held on the afternoon of Saturday, March 5 at The Castleton with Miss Gladys Rich and Miss Dorothy White as joint hostesses. A George Washington Bi-Centennial program will be carried out with Miss Rich in charge.

LOCAL GIRL TAKES PART IN COLLEGE REVUE

Miss Helen Furst of 212 Winter avenue, who is a freshman at Lindenwood college, St. Charles, Mo., this year, took part in the annual style revue given in Lindenwood's home economics department recently.

All dresses displayed at this event were made by the girls in the department and were shown to be judged according to suitability to wearer, in color and style and selling quality.

Miss Furst chose a black crepe de chine suit which answered the 1932 requirements of being plain and extremely smart.

PARTY FOR CHOIR AT HUGHES RESIDENCE

A delightful party was that held Friday evening at the home of Mr. and Mrs. Brinley Hughes on Cunningham avenue when they entertained approximately 50 members of the Junior choir of the Emmanual Baptist church.

When all had assembled, a surprise was given them when Brainerd Matheny of Beaver Falls stepped in and kept things lively with numerous slight-of-hand stunts.

Lunch was served at a late hour by Mrs. Hughes, assisted by Mrs. Emylin Lewis, Mrs. Thomas Lloyd and Mrs. Roger Jones. The appointments used were in keeping with the season.

Tuesday Bridge Club Notes.

Due to illness, the meeting for Tuesday Bridge club members will be held at the home of Mrs. J. M. Butler on East Wallace avenue tomorrow afternoon instead of with Mrs. Charles Bauder as previously planned. This event will be in the form of a 1 o'clock luncheon.

1929 Bridge Club.

The 1929 Bridge club members will be received Thursday afternoon by Mrs. Fred Flowers on Second street for a 1 o'clock luncheon event. The usual routine will follow this feature.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL

Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.

Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.

Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist. (adv.)

HILL-WILSON MARRIAGE SATURDAY

The marriage of Miss Constance E. Wilson, daughter of Mrs. Gertrude Wilson of Cleveland, Ohio, and William Hill, son of Dale Hill, North Mill street, this city, was an event of Saturday evening.

The ceremony was performed at 9 o'clock in the home of Dr. S. L. Maxwell, on Epworth street, pastor of the Epworth Methodist Episcopal church who officiated with the ring service. The bride was becomingly gowned in black transparent velvet, fashioned on the styles now decreed, with accessories to match. Mr. and Mrs. Ralph Pence of this city were the attendants.

Mr. Hill, who holds a responsible position with the McCoy Motor Company of this city, and his bride, will dispense with a wedding trip for the present, and will be at home to their friends at 123 North Mill street.

TEMPLE ISRAEL SCENE OF NOVEL EVENT

A novel event that created much amusement took place last evening in Temple Israel when the Sisterhood entertained at an original "hatters parade". A large number participated, including many guests from out of town.

The march was in progress at 8:30 o'clock, and at the conclusion of the affair prizes were awarded to those possessing the most cleverly trimmed hats, namely, Mrs. Charles Mann of Beaver Falls, Mrs. M. Feuchtwanger, Mrs. Rae Ehrlich of Buffalo, N. Y., Charles Mann and Mrs. B. Kline.

The serving of a dainty lunch by the committee comprising Mrs. B. Kline, Mrs. A. Goldman, Mrs. M. Davis, Mrs. J. Lebby and Mrs. P. Broida brought the evening to a close. Preceding this part of the program a social time spent informally was enjoyed.

VETS AUXILIARY WILL HOLD PARTY

Arrangements are being completed by the Ladies Auxiliary of the Harry L. McBride Post, Veterans of Foreign Wars, for a card party to be held in the Legion Home Association building, Thursday evening at 8 o'clock.

CHAPTER 333 O. E. S. NEW YEAR LUNCHEON

Shenango Chapter No. 333, Order of the Eastern Star entertained at a beautifully appointed 1 o'clock luncheon in the Cathedral Saturday afternoon, for members, marking the first New Year event of this nature. It was an overwhelming success.

One hundred and sixty-eight marched into the dining room and took their places at tables arranged in a perfect order, forming a huge star. Green foliage, plants, tall lighted tapers and clustered twigs with sparkling snow were used attractively in the decorations.

During the serving of a very delicious menu by the Ladies Aid of St. John's Lutheran church, the chapter choir seated at one point of the Star, chimed in with an especially planned "cheer up" program and sang witty songs at appropriate intervals, keeping the group in an uproar of laughter.

At the conclusion of this feature, Mrs. Estelle Weddell, Worthy Matron, spoke a few words of appreciation to her committees who cooperated so splendidly in making the event a success, and told of the pleasure she and all those in attendance were afforded. Mrs. Weddell called on the following who also expressed themselves in a few well chosen words, namely; Mrs. Carrie Crisswell, Past Grand Matron of the Grand Chapter of the State of Pennsylvania from Beaver Falls; and an honorary member, Mrs. Helen Ramsey, District Deputy of District 2B, and an honorary member; Mrs. Fred Wolford, Grand Representative of the State of West Virginia; and an honorary member, Mrs. Sara Richards Grand Representative of Florida visiting here from Easton, Pa.; Mrs. Benjamin Beisel who assisted in the constituting of Chapter 333 and an honorary member; Mrs Carolyn Lindsley, Past District Deputy and honorary member of the chapter.

The guests later indulged in bridge, 500 and bingo contests, and at the close of the entertainment, novel prizes were given to the winners.

The committee in charge included the Mesdames Clara Remley, general chairlady, Daisy McKibben, Alice Wilson, Lulu Campbell, Bertha M. Treser, Olive DeReamer, Gail Madigan, Olive Rice, May Brinton and May B. Young.

An important announcement was made regarding the work of the Rainbow Order for Girls, Assembly No. 1, by Mrs. May Young. An open installation service will be held on Wednesday evening, January 20, in the Cathedral, and the Supreme Deputy of Rainbow, will be a special guest on this date.

ANNIVERSARIES ARE OBSERVED SATURDAY

A very pleasant social gathering of Saturday evening occurred at the home of Mr. and Mrs. W. F. Johnston on DuShane street when a group of relatives and friends assembled to help celebrate their 25th wedding anniversary. This event doing double honors, also observed the 25th anniversary of Mr. and Mrs. I. L. Billingsley of Greenville. The latter couple was married at an earlier hour on the same day and were later present at the marriage ceremony of the former couple.

Games of a wide variety occupied the attention of those assembled and at 9:30 o'clock the guests were ushered into the dining room where they were served a delicious dinner at a table beautifully appointed in keeping with the occasion. A large wedding cake, presented by Miss Gladys Billingsley, graced the center. At the conclusion of this feature the hours were spent with music, vocal and instrumental. Gaylord Atwell presided at the piano.

Among those present were Mr. and Mrs. E. C. Cluclow, Mr. and Mrs. Earl Gilliland, Miss Mary Gilliland, Miss Carnes, Joseph Gilliland, Gaylord Atwell and Bobbie Gilliland of Franklin, Misses Gladys and Louise Billingsley and Robert Reach of Greenville, Dorothy Kinney and Russell Johnston of New Castle.

All departed at a late hour, extending good wishes to the honored ones for many more happy wedding anniversaries.

CHORUS CHOIRS WILL BE FETED

The Women's organizations of the First Presbyterian church have planned a dinner party for Friday evening at 6 o'clock in the church dining room, at which time the members of the church choir and the junior and children's choirs will be the special guests.

The dinner is a courtesy to the choirs for the splendid programs they gave in the church over the holidays.

SEWING AT JAMESON HOSPITAL WEDNESDAY

The regular weekly sewing session will take place at the Jameson Memorial hospital, on Wednesday morning from 9 until 12 o'clock, with members of the Randolph Circle of the Kings Daughters of the First Methodist church participating. A cordial invitation is extended to all women in New Castle interested in this worthy work, to be present and take part.

SHENANGO CHOIR TO PRACTISE TONIGHT

This evening at 8 o'clock, the choir of Shenango Chapter, No. 333 Order of the Eastern Star will meet at the home of Miss Margaret Young at 315 Wallace avenue for practice. They are preparing for the "Old Fashioned Musicale" which will be given at their meeting on February 1.

FORMER RESIDENTS HAVE GOLDEN WEDDING

Mr. and Mrs. Ellis S. Morrow celebrated their golden wedding anniversary in their home in Lakewood, Ohio, recently. The Morrows were former residents of New Castle.

On December 22, 1881, Ellis S. Morrow and Nettie E. Ormsby were united in marriage by the bride's grandfather, Rev. John Abbott, a methodist minister of the Erie conference, at the home of the bride's parents, Mr. and Mrs. J. L. Cook, near Pardoe, Mercer county.

Palms and yellow roses were used artistically through the rooms, and the same color scheme was used in the menu of refreshments served. The bride's table, at which eight were seated, was centered with a bride's cake, topped by a miniature bride and groom. The couple received fifty dollars in gold and many other lovely gifts in commemoration of the event.

Those who assisted at the reception and dinner were Mrs. Stella Coffman, Mrs. Lela Nehring, Mrs. Ethel Burger, Mrs. Doris Sankey, Misses Norma Coffman and Vivian Nehring.

Mr. and Mrs. Elmer Morrow, Mr. and Mrs. Charles Sankey and son, Junior and Mrs. T. C. Armstrong of New Castle, Mr. and Mrs. Charles Morrow and family of Akron, Ohio, and Mr. and Mrs. L. L. Burger of Franklin, were among the out of town guests present.

WOMEN'S OVERSEAS LEAGUE HAS MEETING

Lawrence County Unit, Women's Overseas Service League held a well attended meeting on Saturday afternoon at the home of Mrs. R. R. Kegarise of Euclid avenue. A business session was held in the earlier part of the afternoon.

An invitation to attend a conference of the units of the W. O. S. L. of the Third Corps Area to be held in Pittsburgh, February 27-28 was accepted, quite a number of the members planning to attend and participate.

Mrs. William Cosel, member of the Lawrence County Unit, who returned recently from a trip in France and Germany, during which she attended the Cecil Peace conference in Paris, gave reflections of her trip abroad, which proved most enjoyable and instructive to the members.

At a seasonable hour, refreshments were served by the hostess, Mrs. R. R. Kegarise. The next meeting will be held on the afternoon of Saturday, March 5 at The Castleton with Miss Gladys Rich and Miss Dorothy White as joint hostesses. A George Washington Bi-Centennial program will be carried out with Miss Rich in charge.

LOCAL GIRL TAKES PART IN COLLEGE REVUE

Miss Helen Furst of 212 Winter avenue, who is a freshman at Lindenwood college, St. Charles, Mo., this year, took part in the annual style revue given in Lindenwood's home economics department recently.

All dresses displayed at this event were made by the girls in the department and were shown to be judged according to suitability to wearer, in color and style and selling quality.

Miss Furst chose a black crepe de chine suit which answered the 1932 requirements of being plain and extremely smart.

PARTY FOR CHOIR AT HUGHES RESIDENCE

A delightful party was that held Friday evening at the home of Mr. and Mrs. Brinley Hughes on Cunningham avenue when they entertained approximately 50 members of the Junior choir of the Emmanual Baptist church.

When all had assembled, a surprise was given them when Brainerd Matheny of Beaver Falls stepped in and kept things lively with numerous slight-of-hand stunts.

Lunch was served at a late hour by Mrs. Hughes, assisted by Mrs. Emylin Lewis, Mrs. Thomas Lloyd and Mrs. Roger Jones. The appointments used were in keeping with the season.

Tuesday Bridge Club Notes.

Due to illness, the meeting for Tuesday Bridge club members will be held at the home of Mrs. J. M. Butler on East Wallace avenue tomorrow afternoon instead of with Mrs. Charles Bauder as previously planned. This event will be in the form of a 1 o'clock luncheon.

1929 Bridge Club.

The 1929 Bridge club members will be received Thursday afternoon by Mrs. Fred Flowers on Second street for a 1 o'clock luncheon event. The usual routine will follow this feature.

A THREE DAYS' COUGH IS YOUR DANGER SIGNAL
Persistent coughs and colds lead to serious trouble. You can stop them now with Creomulsion, an emulsified creosote that is pleasant to take. Creomulsion is a new medical discovery with two-fold action; it soothes and heals the inflamed membranes and inhibits germ growth.
Of all known drugs, creosote is recognized by high medical authorities as one of the greatest healing agencies for persistent coughs and colds and other forms of throat troubles. Creomulsion contains, in addition to creosote, other healing elements which soothe and heal the infected membranes and stop the irritation and inflammation, while the creosote goes on to the stomach, is absorbed into the blood, attacks the seat of the trouble and checks the growth of the germs.
Creomulsion is guaranteed satisfactory in the treatment of persistent coughs and colds, bronchial asthma, bronchitis and other forms of respiratory diseases, and is excellent for building up the system after colds or flu. Money refunded if any cough or cold, no matter of how long standing, is not relieved after taking according to directions. Ask your druggist. (adv.)

HILL-WILSON MARRIAGE SATURDAY

The marriage of Miss Constance E. Wilson, daughter of Mrs. Gertrude Wilson of Cleveland, Ohio, and William Hill, son of Dale Hill, North Mill street, this city, was an event of Saturday evening.

The ceremony was performed at 9 o'clock in the home of Dr. S. L. Maxwell, on Epworth street, pastor of the Epworth Methodist Episcopal church who officiated with the ring service. The bride was becomingly gowned in black transparent velvet, fashioned on the styles now decreed, with accessories to match. Mr. and Mrs. Ralph Pence of this city were the attendants.

Mr. Hill, who holds a responsible position with the McCoy Motor Company of this city, and his bride, will dispense with a wedding trip for the present, and will be at home to their friends at 123 North Mill street.

TEMPLE ISRAEL SCENE OF NOVEL EVENT

A novel event that created much amusement took place last evening in Temple Israel when the Sisterhood entertained at an original "hatters parade". A large number participated, including many guests from out of town.

The march was in progress at 8:30 o'clock, and at the conclusion of the affair prizes were awarded to those possessing the most cleverly trimmed hats, namely, Mrs. Charles Mann of Beaver Falls, Mrs. M. Feuchtwanger, Mrs. Rae Ehrlich of Buffalo, N. Y., Charles Mann and Mrs. B. Kline.

The serving of a dainty lunch by the committee comprising Mrs. B. Kline, Mrs. A. Goldman, Mrs. M. Davis, Mrs. J. Lebby and Mrs. P. Broida brought the evening to a close. Preceding this part of the program a social time spent informally was enjoyed.

VETS AUXILIARY WILL HOLD PARTY

Arrangements are being completed by the Ladies Auxiliary of the Harry L. McBride Post, Veterans of Foreign Wars, for a card party to be held in the Legion Home Association building, Thursday evening at 8 o'clock.

Mrs. Jack LaRue is chairlady, and will be assisted by Mrs. LaRue King, and Mrs. Harry Ryhal.

The proceeds from the party are to be used by the local auxiliary in assisting to equip a dental clinic at the V. F. W. National Home at Eaton Rapids, Mich. This project is being sponsored by the Pennsylvania Department of Vets Auxiliary.

LADIES OF LIONS TO MEET TUESDAY

The Ladies of the Lions will have their first meeting of the New Year Tuesday evening at 8 o'clock in the home of Mrs. Clinton Snyder, East Wallace avenue.

The subject for the evening will be "Books" and the guest speaker is C. B. Randalls, who is well versed on this interesting topic.

CHEERFUL VIEWS OF THE TRADE EDITORS

THE fact that previous predictions of improved business conditions have not been successful has caused many leading men to become ultra-conservative in their statements concerning the outlook for 1932. The danger is that those who were once over-optimistic may now become pessimists. For that reason it is a cause for satisfaction to note that a survey which has just been taken by 135 editors of business publications shows a generally cheerful outlook for the coming twelve months. These men are in charge of the leading technical, trade, service and professional papers of the United States and Canada. What they have to say is based on intimate knowledge of the situation. In spite of the unsatisfactory conditions in certain lines they report that even in 1931 a number of industries were able to report success in their sales programmes.

They find that in numerous fields the depreciation in raw materials and finished products is about over, and that in some cases advances have already been noted. Among the trends reported are "new products in virtually all lines, efforts to correct reckless price cutting, co-operative educational campaigns by trade associations, further attempts to lower production costs, added efforts toward the balancing of production and demand, and extension of buying from the merchandising fields to general industry." In the construction field, despite present low volume and price disorganization, they find favorable factors for 1932.

The value of these views lies in the fact that they come from a body of trained men who are in intimate touch with the situation and who are in a position to know what they are talking about. They do not deal in generalities, but base their findings upon carefully gathered details from all parts of the country and in virtually every field of human endeavor.

PERSONAL APPEARANCE

A haberdashery publication dwells at length on the value of personal appearance and concludes with the remark that 70 per cent of the progress of the individual on the road to success is due directly to that feature of one's embellishments known as neatness and taste in attire.

A certain per cent surely, but not quite, we venture, so much as 70 per cent. That leaves only 30 per cent for such auxiliaries to progress as study, application and inventive genius. It is going to require some sales talk to establish such a contrast in values.

Personal appearance is one of the most outstanding of the various relativities. If the subject is to be taken in abstract form it easily might be that each and every person should be "dressed up" regardless of the place, proprieties or occupation. And that would be one of the poorest-taste effects imaginable.

For there is more of the eternal fitness of things within the human garb than in any other of the social relations. The acme of success in that effort would be that of every person clothed in exact accordance with the requirements of his job and being thus garbed he would be in good taste. If it is a faux pas to enter a parlor garbed as an auto mechanic, how nearly apropos would it be for the same workman to don a frock coat for wear underneath a disabled automobile?

In something of that comparison is to be found each of the occupations and their legitimate garbs. "Personal appearance," unless it rests on consistency, is as liable to run too far in the wrong direction as to produce for the devotees the effect suggested by the "70 per cent" illustration.

The writer of the article is to be applauded for trying to sell his wares and there is no denying the value of appropriate garb, but there is room for plenty of argument that cleanliness, neatness, taste in color harmony, attention to one's duties and general efficiency will total an easy 70 per cent of each "success."

PASSING OF BABY CARRIAGES

Manufacturers of baby carriages are complaining that the demand for their product has declined materially. Two reasons are suggested: One, that there are not so many babies and the other, that the automobile has made it less needful to wheel out the baby in his own vehicle.

There may be another reason. There are fewer safe places in which to wheel a baby carriage than in former days. Though a city baby might enjoy being in the park, the perils on the way there might act to deter from the effort. It would be a rash person who would risk the baby's life by wheeling it along a highway. A baby carriage would stand a poor show in a conflict with an automobile.

Possibly baby carriage manufacturers are the victims of altered traffic conditions rather than that their plight is due to fewer babies. Babies are our best crop and we can not as a people be prosperous unless the output is ample. Though baby carriages may be superseded there is no substitute for a baby. It would be alarming indeed were the slackening of demand for carriages to indicate failure of the baby crop.

DEMISE OF SUPERSTITIONS

A New Castle man who makes a hobby of studying superstitions says that when ladders are placed along streets of the downtown section people no longer hesitate to walk under them.

Does that show that we are becoming less superstitious?

Or, as one observer suggests, does it merely show that new superstitions are taking the place of old?

There was a time when Friday the thirteenth, broken mirrors and nightmares were generally viewed with wholesome fear and apprehension.

Perhaps modern science has succeeded in popularizing the idea of natural cause and effect.

If so, chalk up another victory for reason.

NO MORAL ISSUE

Another controversy concerning George Washington is under way. In boosting the bicentennial celebration of his birth to be held next year, the government commission in charge of the event sent out a story to the effect that Washington invented ice cream.

Now comes Prof. May Belle Van Arsdale of Columbia University, who declares that the original recipe for ice cream was brought from the Orient by Marco Polo. Fortunately, no moral issue is involved, as was the case of some former discussions respecting the Father of his country.

Whether the knock of opportunity is a boost depends on the individual.

All Of Us

Some People Are Yeast
Teachers You Knew
People You Knew

By MARSHALL MASLIN

Remember those teachers we used to have? Remember their names? Remember their faces? Remember what they taught us? Remember what they did to us?

I remember. I had teachers, too. Some were sweet and some were sour. Some of them were pretty and some of them were, as the small boy explained, "unnecessarily homely." And some of them were like lead upon our spirits, and some furnished us with wings.

I remember such a lot of teachers. There were those who praised us too much, and there were the grouchy ones who scolded and yelled too much. There were those who taught us to fool and fake and loaf and flatter, and there were those others who never let us fool them at all, but caught us in every fib. There were those who were merely putting in time until they got married, and there were teachers who really wanted to teach us something about grammar and algebra and geometry and history and Latin and other subjects that we would never, never use, but which MIGHT add something to our lives.

* * *

And it may be a strange thing, but those teachers who cared the most about the subject they tried to teach us were the ones who did the most for us. The shallow, pretty ones, the flirtatious flatterers, the pompous males, the grouchy women—I've forgotten them all. . . . I remember their names, surely. I can recall their faces, yet. But they do not remain in the personalities, in the characters, of the boys and girls who used to sit in their classes and squirm and yearn for their end of the hour.

* * *

The poor teachers didn't fool anybody. Neither did the good teachers; They might have been stern, but their children knew they were fair, they might have been stern, but pupils knew there was something beautiful in them. They were honest and true and sincere. They were yeast to the spirits of the children who knew them. They were great events in those young lives.

Sometimes a child doesn't know that. He is helped and is but dimly aware of it. He is inspired and encouraged and strengthened, but he does not know—until years have passed—just when he grew up and who it was that helped him. But after a while he knows, and after a while he is grateful. He looks back to teachers who were yeast in his young life and his heart glows with thankfulness.

And he looks back, not only to teachers, but to other people. To an old man who said a friendly word. To a boy who was square and dependable. To a girl who was a good sport. To all sorts of people who helped him greatly and did not know all that they did for him. Going backwards in his life, a man's memory goes straight to those who were living yeast to his uncertain self—and he is glad he knew them and he thanks his lucky stars.

IT TAKES A LONG TIME

To build cathedrals but mushrooms grow over night.
To perfect character but we can have applause in a moment.
To think out great ideas but talking starts easily.
To get out of trouble that we get into in a hurry.
To live down the memory of some snap judgments.
To build up a good reputation, and one bad day can ruin it.
To break a habit that a few weeks of carelessness will start.

CURE FOR THE SULKS

Sometimes when I don't play
The way she wants me to
Then Florence May will say:
"All right! I'm mad with you!"
And then she'll sulk and pout
An' next day she pretends
When I come walkin' out
That we're not bein' friends.

But when I get a dime
For lollypops or gum
Or if it's cookie time
An' Mary's given me some
An' I go out to play
Just like I've done before,
Then Florence May will say:
"I'm not mad any more."

It's rather queer to me,
But mother says it's how
Things used to be when she
Was young as I am now.
Her playmate used to cry,
"I'm mad at you," an' then
Candy or cake or pie
Would make them friends again.

LEAP YEAR

Bachelors, beware!
Cupid's takes the air.
With a solmen note
In his puckish throat,
Cupid's call is clear!
Leap Year; Leap Year!

Call the infidels,
And the righteous, too
Minor strains run through
Every note we hear!
Leap Year! Leap Yea!

Venus calls to Mars
Singing through the stars
And with warming mirth
Sunbeams dance to Earth
Whitsling i nher ear;
Leap Year! Leap Year!

Wind against the pane,
Hail and snow and rain,
Thunder in the sky
Moon, aloof and high.
Whistling in her ear.
Leap Year! Leap Year!

Bachelors look out!
There's a witch about
On a broom she rides
Rounding up the brides!
You are doomed, I fear!
Leap Year! Leap Year!

LINCOLN'S CREED

Do not keep the alabaster boxes of your kindness and tenderness sealed up until your friends are dead. Fill their lives with sweetness; speak approving cheering words while their ears can hear them, and while their hearts can be thrilled and made happier. The kind things you meant to say when they are dead and gone, say before they go. The flowers you meant to send for their coffins, send now to brighten and sweeten their homes before they leave them.

If my friends have any alabaster boxes laid away full of fragrant perfumes of sympathy, good will and affection, which they intend to break over my dead body, I would prefer they would bring them out in my weary and troubled hours and open them, that I may be refreshed, cheered and made better while I need them. I would rather have a plain coffin without a flower, a funeral without an eulogy, than a life without the sweetness of love and goodwill.

Let us learn to anoint our friends beforehand for their burials. Post-mortem kindness does not cheer the burdened spirit, flowers on the coffin cast no fragrance backward over the weary way. Remember we travel the road of life but once, let us all try to make the world better by our having lived.

WHAT IS THE WORD SO NECESSARY IN SUCCESS?

What one thing is absolutely necessary in order that an employee may earn more money and get more pay?

Is it experience? Experience is not the word. Even those with much experience are often inclined to lack the very thing that is so necessary in advancement.

Can it be intelligence? Intelligence frequently looks down upon this one absolutely necessary word!

Is it hard work? The hardest workers in the world seldom rise above a day's pay, simply because they lack this one word.

And now that the thoughts of "experience" "intelligence" and "work" have been presented (and these are the important factors in the success of an employee), what is the word that is absolutely necessary for any employee to apply before he can be bigger and better in service and get more pay?

Is it honesty? The dishonest will eventually be discharged, so why discuss this thought?

Is it ability? Ability is of little acount without the word I have in mind. The application of ability is seldom practiced without this one word that is so necessary in the success of an employee.

Even personal appearance looks like a paper rose in its presence.

Let me give you the word—Interest.

In any organization, it is no trouble to tell which of the employees lack individual interest. All men who rise in responsibility and receive more pay must have individual interest.

Individual interst in what you are doing prevents you from half-doing or from saying, "That's good enough The easiest employee to replace is the 'That's good enough" man who has no personal pride or individual interest in anything but his pay envelope.

All the outstanding elements in the makeup of a valued employee can easily be discounted by the lack of individual interest.

Individual interest seldom needs much supervision. It is always striving to give a little better service—always trying to improve things. Individual interest is intelligence, industry and integrity doing their level best in construction work and real co-operation.

1. To have any important share in success, we must give to such success our individual interest or forever remain small potatoes.

Increased pay demands that you give incessant work. Promotion or advancement is not the answer to just hard work. There will be no real "hard work" when you get thoroughly intersted.

There may be dishwashers that break more dishes than they are worth, but even a careless dishwasher, through individual interest can save the dishes.

Merger Of Bureaus Indorsed But Obstacles Recognized

President Hoover's Proposal Studied By Public In Light Of Attempts Made In Past To Establish Economy And Efficiency

Reorganization of the bureaus of the Federal government, as proposed by President Hoover, is widely advocated in the interest of economy and efficiency of the service, but there is a general belief that the undertaking is sure to meet with many obstacles in political circles.

"The President's proposal is probably the most constructive plan for the reduction of the costs of government yet put forth," in the opinion of the PORT HURON TIMES HERALD, which sees in it "a movement in the direction of real business management in the business of government." The TOPEKA DAILY CAPITAL states that this simplification process "has been a recommendation of Presidents for 20 years and perhaps longer," and holds that "President Hoover is to be credited with offering an explicit plan to Congress to put it into effect."

"It has struck an answering chord in Congress," declares the WASHINGTON EVENING STAR, remarking that "members of House and Senate are harassed today by the need of increasing taxes and issuing bonds to meet the Treasury's deficit," and that "it looks as though the Prseident's recommendations for departmental consolidations will receive earnest consideration on Capitol Hill."

Recalling similar efforts in New York State, the SCHENECTADY GAZETTE says: "It took aggressive action on the part of Governor Smith for a long time before he was able to effect a reorganization of our state government. It is well that President Hoover is taking the lead in forcing demand for similar action at Washington—only in that way are we likely to see anything accomplished in years."

"Much good can be brought about in the near future, so a thorough whetting of the pruning knife is in order," thinks the HARTFORD TIMES, while the CHARLOTTE OBSERVER, commenting that "the President was never more practical than in this suggestion," advises that "if Congress wants to do something for the good of the nation, it will put the President's suggestions into effect in short order."

Reorganization is viewed by the BALTIMORE SUN as "one of the things that deserve to be encouraged in the interest of efficiency but about which it is impossible to work up any very great enthusiasm on the score of economy." Reviewing major undertakings of the sort in the last ten years, The Sun concludes: "From this record of consolidations and reorganizations effected under Mr. Hoover's inspiration it would appear that he is deluding himself with false hopes when he expects further steps in reorganization to result in economies. The plain fact is that economy in government requires no complicated formulas of reorganization and no extensive regrouping of public facilities. It requires simply the will to eliminate useless expenditures and cut down on others. That will has not been very much in evidence in the policies and decisions of the Hoover Administration. Whether the Democrats will have more stomach to face the issue directly remains to be disclosed, but if they fail there is not much to be expected in the way of saving in the near future."

Stressing the President's responsibility for some commissions, the ST. LOUIS TIMES asserts: "Special commissions have come to be recognized as a most convenient device for executives to shift the delicate responsibility of taking a positive stand upon an issue. There are probably now living in St. Louis at least a few citizens who can remember when this decide has been employed somewhat extensively by some President to take up this, that and the other thing. The Wickersham commission for example. Let's see—what President named that commission, anyway?"

"Consolidation at Washington," avers the YOUNGSTOWN VINDICATOR, "goes as hard against the grain as county government reform does in the States." The Vindicator also comments: "The President calling for consolidation of overlapping branches of government, the Vice President demanding the elimination of waste, and the Secretary of the Interior emphatic in his disapproval of bureaucracy, apparently believe that what ought to be done can be done. Their view is not shared by Congressman Wood of Indiana, chairman of the House appropriations committee."

"All these bureaus have friends in Congress and outside," according to the CINCINNATI TIMES-STAR, which concludes that "what Congress does, in a time when retrenchments are imperative, will afford an acid test of its sincerity."

"There will be opposition to the plan," states the OAKLAND TRIBUNE, "as there has been in the past, for it will mean the loss of authority by certain officials. On the other hand, each item will save to the peonle of the country a large sum at a time when a deficit faces the nation." The WORCESTER TELEGRAM is convinced that the program "deserves far more support than it probably will receive, either from Congress or from the public." The LEXINGTON LEADER offers the judgment: "It may be confidently predicted that in the face of experience and logic there will be strenuous opposition to any such plan, and the movement in the direction the President indicates will be slow and painful. Many feet are trampled on whenever any bill is introduced providing for such reorganizations and strings are pulled by many hands to retard progress toward the goal."

"These proposals will meet with formidable opposition, but if Congress shall have the courage to put the popular welfare first, it will enact them, comments the SAN ANTONIO EXPRESS. The LOUISVILLE COURIER-JOURNAL remarks: "There is admitted waste, useless agencies and duplicated effort which demand overhauling. But it is easier said than done. President Hoover's belated awakening will not effect the necessary changes. Congress must be brought around by a popular demand for economy. Only by such a demand will the politicians wipe out useless Government jobs and bring about efficiency. The cost of American bureaucracy is the cost of politics."

The World AND THE Mud Puddles

THE VERMONT OF IT.

When Calvin Coolidge was vice president and sat in the big chair on the platform presiding over the Senate, he had foot warmers, little electrical devices for toasting his toes, placed under the vice president desk. And he would turn them on, too, and warm his toes, bored to death, probably, listening to the endless flow of debate that went on.

The foot warmes are still there, but no vice president since has ever turned on the current in them. His successors, vice president and president pro tem of the Senate, have had warm feet, or they never grew up to know the pleasure, learned in Vermont, of heating your usually cold toes on the kitchen stove or on a hot brick swathed in flannel and placed between the icy sheets of a mid-winter bed.

BRIDGE ETIQUETTE

If you must remonstrate with your wife over the way she plays bridge, don't do it in public.

She may take kindly to a few helpful suggestions after the game.

And then again she may not enjoy it.

A wife who is not particularly interested in cards will not give enough attention to the game to avoid making ridiculous plays.

Unless a wife desires to play as well as her experience and good judgment permits she should not accept invitations where a good showing is to be desired in a partner's help.

Men players like to make a good score—most women like to run up high score when playing at a regular party.

It is exasperating to play with an indifferent, thoughtless, absent-minded excuse for a partner.

One who will not concentrate on what has been played and who will not keep in mind what cards are out, should learn how or not play in company.

But irrespective of poor play a man should not comment angrily on his wife's errors—it is a breach of etiquette not easily forgiven and this habit is not confined to the husbands.

Home Treatment for Head Colds, Catarrh, Bad Throat and Coughs

There's just one way to gain freedom from and keep free from head colds, catarrh, irritated throat and coughs all winter long.

Tens of thousands of intelligent people are spraying nostrils and throat night and morning with pleasant, effective, inexpensive Opex.

Opex keeps nostrils and throat free from offensive mucus all the time—it cleans out muscus-stuffed nostrils in 3 minutes. One bottle of Opex which lasts one person 7 weeks costs but 85 cents at McKee's Cut Rate or any leading druggist anywhere.

Use Opex for 30 days—then if you can truthfully say it isn't the finest remedy for nostrils and throat you ever used—get your money back.

With clean, healthy nostrils and throat all winter long think of how much money you will save by not having to dose your system.

Look at the picture—when you inhale as you spray the cleansing, soothing, steam like smoke covers the entire membrane—right to the bottom of the lungs—you see it coming thru the mouth.

If you haven't an atomizer, get an Opex atomizer (see illustration)—strong, sturdy, nickle-plated and as good as any produced—85 cents—not a toy but a real atomizer that will last for years.

CHEERFUL VIEWS OF THE TRADE EDITORS

THE fact that previous predictions of improved business conditions have not been successful has caused many leading men to become ultra-conservative in their statements concerning the outlook for 1932. The danger is that those who were once over-optimistic may now become pessimists. For that reason it is a cause for satisfaction to note that a survey which has just been taken by 135 editors of business publications shows a generally cheerful outlook for the coming twelve months. These men are in charge of the leading technical, trade, service and professional papers of the United States and Canada. What they have to say is based on intimate knowledge of the situation. In spite of the unsatisfactory conditions in certain lines they report that even in 1931 a number of industries were able to report success in their sales programmes.

They find that in numerous fields the depreciation in raw materials and finished products is about over, and that in some cases advances have already been noted. Among the trends reported are "new products in virtually all lines, efforts to correct reckless price cutting, co-operative educational campaigns by trade associations, further attempts to lower production costs, added efforts toward the balancing of production and demand, and extension of buying from the merchandising fields to general industry." In the construction field, despite present low volume and price disorganization, they find favorable factors for 1932.

The value of these views lies in the fact that they come from a body of trained men who are in intimate touch with the situation and who are in a position to know what they are talking about. They do not deal in generalities, but base their findings upon carefully gathered details from all parts of the country and in virtually every field of human endeavor.

PERSONAL APPEARANCE

A haberdashery publication dwells at length on the value of personal appearance and concludes with the remark that 70 per cent of the progress of the individual on the road to success is due directly to that feature of one's embellishments known as neatness and taste in attire.

A certain per cent surely, but not quite, we venture, so much as 70 per cent. That leaves only 30 per cent for such auxiliaries to progress as study, application and inventive genius. It is going to require some sales talk to establish such a contrast in values.

Personal appearance is one of the most outstanding of the various relativities. If the subject is to be taken in abstract form it easily might be that each and every person should be "dressed up" regardless of the place, proprieties or occupation. And that would be one of the poorest-taste effects imaginable.

For there is more of the eternal fitness of things within the human garb than in any other of the social relations. The acme of success in that effort would be that of every person clothed in exact accordance with the requirements of his job and being thus garbed he would be in good taste. If it is a faux pas to enter a parlor garbed as an auto mechanic, how nearly apropos would it be for the same workman to don a frock coat for wear underneath a disabled automobile?

In something of that comparison is to be found each of the occupations and their legitimate garbs. "Personal appearance," unless it rests on consistency, is as liable to run too far in the wrong direction as to produce for the devotees the effect suggested by the "70 per cent" illustration.

The writer of the article is to be applauded for trying to sell his wares and there is no denying the value of appropriate garb, but there is room for plenty of argument that cleanliness, neatness, taste in color harmony, attention to one's duties and general efficiency will total an easy 70 per cent of each "success."

PASSING OF BABY CARRIAGES

Manufacturers of baby carriages are complaining that the demand for their product has declined materially. Two reasons are suggested: One, that there are not so many babies and the other, that the automobile has made it less needful to wheel out the baby in his own vehicle.

There may be another reason. There are fewer safe places in which to wheel a baby carriage than in former days. Though a city baby might enjoy being in the park, the perils on the way there might act to deter from the effort. It would be a rash person who would risk the baby's life by wheeling it along a highway. A baby carriage would stand a poor show in a conflict with an automobile.

Possibly baby carriage manufacturers are the victims of altered traffic conditions rather than that their plight is due to fewer babies. Babies are our best crop and we can not as a people be prosperous unless the output is ample. Though baby carriages may be superseded there is no substitute for a baby. It would be alarming indeed were the slackening of demand for carriages to indicate failure of the baby crop.

DEMISE OF SUPERSTITIONS

A New Castle man who makes a hobby of studying superstitions says that when ladders are placed along streets of the downtown section people no longer hesitate to walk under them.

Does that show that we are becoming less superstitious?

Or, as one observer suggests, does it merely show that new superstitions are taking the place of old?

There was a time when Friday the thirteenth, broken mirrors and nightmares were generally viewed with wholesome fear and apprehension.

Perhaps modern science has succeeded in popularizing the idea of natural cause and effect.

If so, chalk up another victory for reason.

NO MORAL ISSUE

Another controversy concerning George Washington is under way. In boosting the bicentennial celebration of his birth to be held next year, the government commission in charge of the event sent out a story to the effect that Washington invented ice cream.

Now comes Prof. May Belle Van Arsdale of Columbia University, who declares that the original recipe for ice cream was brought from the Orient by Marco Polo. Fortunately, no moral issue is involved, as was the case of some former discussions respecting the Father of his country.

Whether the knock of opportunity is a boost depends on the individual.

All Of Us

Some People Are Yeast
Teachers You Knew
People You Knew

By MARSHALL MASLIN

Remember those teachers we used to have? Remember their names? Remember their faces? Remember what they taught us? Remember what they did to us?

I remember. I had teachers, too. Some were sweet and some were sour. Some of them were pretty and some of them were, as the small boy explained, "unnecessarily homely." And some of them were like lead upon our spirits, and some furnished us with wings.

I remember such a lot of teachers. There were those who praised us too much, and there were the grouchy ones who scolded and yelled too much. There were those who taught us to fool and fake and loaf and flatter, and there were those others who never let us fool them at all, but caught us in every fib. There were those who were merely putting in time until they got married, and there were teachers who really wanted to teach us something about grammar and algebra and geometry and history and Latin and other subjects that we would never, never use, but which MIGHT add something to our lives.

* * *

And it may be a strange thing, but those teachers who cared the most about the subject they tried to teach us were the ones who did the most for us. The shallow, pretty ones, the flirtatious flatterers, the pompous males, the grouchy women—I've forgotten them all. . . . I remember their names, surely. I can recall their faces, yet. But they do not remain in the personalities, in the characters, of the boys and girls who used to sit in their classes and squirm and yearn for their end of the hour.

* * *

The poor teachers didn't fool anybody. Neither did the good teachers; They might have been stern, but their children knew they were fair, they might have been stern, but pupils knew there was something beautiful in them. They were honest and true and sincere. They were yeast to the spirits of the children who knew them. They were great events in those young lives.

Sometimes a child doesn't know that. He is helped and is but dimly aware of it. He is inspired and encouraged and strengthened, but he does not know—until years have passed—just when he grew up and who it was that helped him. But after a while he knows, and after a while he is grateful. He looks back to teachers who were yeast in his young life and his heart glows with thankfulness.

And he looks back, not only to teachers, but to other people. To an old man who said a friendly word. To a boy who was square and dependable. To a girl who was a good sport. To all sorts of people who helped him greatly and did not know all that they did for him. Going backwards in his life, a man's memory goes straight to those who were living yeast to his uncertain self—and he is glad he knew them and he thanks his lucky stars.

Sentence Sermons

By Rev. Roy L. Smith, D. D.

IT TAKES A LONG TIME

To build cathedrals but mushrooms grow over night.
To perfect character but we can have applause in a moment.
To think out great ideas but talking starts easily.
To get out of trouble that we get into in a hurry.
To live down the memory of some snap judgments.
To build up a good reputation, and one bad day can ruin it.
To break a habit that a few weeks of carelessness will start.

CURE FOR THE SULKS

Sometimes when I don't play
The way she wants me to
Then Florence May will say:
"All right! I'm mad with you!"
And then she'll sulk and pout
An' next day she pretends
When I come walkin' out
That we're not bein' friends.

But when I get a dime
For lollypops or gum
Or if it's cookie time
An' Mary's given me some
An' I go out to play
Just like I've done before,
Then Florence May will say:
"I'm not mad any more."

It's rather queer to me,
But mother says it's how
Things used to be when she
Was young as I am now.
Her playmate used to cry,
"I'm mad at you," an' then
Candy or cake or pie
Would make them friends again.

LEAP YEAR

Bachelors, beware!
Cupid's takes the air.
With a solmen note
In his puckish throat,
Cupid's call is clear!
Leap Year; Leap Year!

When cathedral bells
Call the infidels,
And the righteous, too
Minor strains run through
Every note we hear!
Leap Year! Leap Year!

Venus calls to Mars
Singing through the stars
And with warming mirth
Sunbeams dance to Earth
Whitsling i nher ear;
Leap Year! Leap Year!

Wind against the pane,
Hail and snow and rain,
Thunder in the sky
Moon, aloof and high,
Whistling in her ear.
Leap Year! Leap Year!

Bachelors look out!
There's a witch about
On a broom she rides
Rounding up the brides!
You are doomed, I fear!
Leap Year! Leap Year!

The kind things you meant to say when they are dead and gone, say before they go. The flowers you meant to send for their coffins, send now to brighten and sweeten their homes before they leave them.

If my friends have any alabaster boxes laid away full of fragrant perfumes of sympathy, good will and affection, which they intend to break over my dead body, I would prefer they would bring them out in my weary and troubled hours and open them, that I may be refreshed, cheered and made better while I need them. I would rather have a plain coffin without a flower, a funeral without an eulogy, than a life without the sweetness of love and goodwill.

Let us learn to anoint our friends beforehand for their burials. Post-mortem kindness does not cheer the burdened spirit, flowers on the coffin cast no fragrance backward over the weary way. Remember we travel the road of life but once, let us all try to make the world better by our having lived.

WHAT IS THE WORD SO NECESSARY IN SUCCESS?

What one thing is absolutely necessary in order that an employee may earn more money and get more pay?

Is it experience? Experience is not the word. Even those with much experience are often inclined to lack the very thing that is so necessary in advancement.

Can it be intelligence? Intelligence frequently looks down upon this one absolutely necessary word!

Is it hard work? The hardest workers in the world seldom rise above a day's pay, simply because they lack this one word.

And now that the thoughts of "experience" "intelligence" and "work" have been presented (and these are the important factors in the success of an employee), what is the word that is absolutely necessary for any employee to apply before he can be bigger and better in service and get more pay?

Is it honesty? The dishonest will eventually be discharged, so why discuss this thought?

Is it ability? Ability is of little acount without the word I have in mind. The application of ability is seldom practiced without this one word that is so necessary in the success of an employee.

Even personal appearance looks like a paper rose in its presence.

Let me give you the word—Interest.

In any organization, it is no trouble to tell which of the employees lack individual interest. All men who rise in responsibility and receive more pay must have individual interest.

Individual interst in what you are doing prevents you from half-doing or from saying, "That's good enough The easiest employee to replace is the "That's good enough" man who has no personal pride or individual interest in anything but his pay envelope.

All the outstanding elements in the makeup of a valued employee can easily be discounted by the lack of individual interest.

Individual interest seldom needs much supervision. It is always striving to give a little better service—always trying to improve things. Individual interest is intelligence, industry and integrity doing their level best in construction work and real co-operation.

1. To have any important share in success, we must give to such success our individual interest or forever remain small potatoes.

Increased pay demands that you give incessant work. Promotion or advancement is not the answer to just hard work. There will be no real "hard work" when you get thoroughly intersted.

There may be dishwashers that break more dishes than they are worth, but even a careless dishwasher, through individual interest can save the dishes.

Merger Of Bureaus Indorsed But Obstacles Recognized

President Hoover's Proposal Studied By Public In Light Of Attempts Made In Past To Establish Economy And Efficiency

Reorganization of the bureaus of the Federal government, as proposed by President Hoover, is widely advocated in the interest of economy and efficiency of the service, but there is a general belief that the undertaking is sure to meet with many obstacles in political circles.

"The President's proposal is probably the most constructive plan for the reduction of the costs of government yet put forth," in the opinion of the PORT HURON TIMES HERALD, which sees in it "a movement in the direction of real business management in the business of government." The TOPEKA DAILY CAPITAL states that this simplification process "has been a recommendation of Presidents for 20 years and perhaps longer," and holds that "President Hoover is to be credited with offering an explicit plan to Congress to put it into effect."

"It has struck an answering chord in Congress," declares the WASHINGTON EVENING STAR, remarking that "members of House and Senate are harassed today by the need of increasing taxes and issuing bonds to meet the Treasury's deficit," and that "it looks as though the President's recommendations for departmental consolidations will receive earnest consideration on Capitol Hill."

Recalling similar efforts in New York State, the SCHENECTADY GAZETTE says: "It took aggressive action on the part of Governor Smith for a long time before he was able to effect a reorganization of our state government. It is well that President Hoover is taking the lead in forcing demand for similar action at Washington—only in that way are we likely to see anything accomplished in years."

"Much good can be brought about in the near future, so a thorough whetting of the pruning knife is in order," thinks the HARTFORD TIMES, while the CHARLOTTE OBSERVER, commenting that "the President was never more practical than in this suggestion," advises that "if Congress wants to do something for the good of the nation, it will put the President's suggestions into effect in short order."

Reorganization is viewed by the BALTIMORE SUN as "one of the things that deserve to be encouraged in the interest of efficiency but about which it is impossible to work up any very great enthusiasm on the score of economy." Reviewing major undertakings of the sort in the last ten years, The Sun concludes: "From this record of consolidations and reorganizations effected under Mr. Hoover's inspiration it would appear that he is deluding himself with false hopes when he expects further steps in reorganization to result in economies. The plain fact is that economy in government requires no complicated formulas of reorganization and no extensive regrouping of public facilities. It requires simply the will to eliminate useless expenditures and cut down on others. That will has not been very much in evidence in the policies and decisions of the Hoover Administration. Whether the Democrats will have more stomach to face the issue directly remains to be disclosed, but if they fail there is not much to be expected in the way of saving in the near future."

Stressing the President's responsibility for some commissions, the ST. LOUIS TIMES asserts: "Special commissions have come to be recognized as a most convenient device for executives to shift the delicate responsibility of taking a positive stand upon an issue. There are probably now living in St. Louis at least a few citizens who can remember when this decide has been employed somewhat extensively by some President to take up this, that and the other thing. The Wickersham commission for exarhple. Let's see—what President named that commission, anyway?"

"Consolidation at Washington," avers the YOUNGSTOWN VINDICATOR, "goes as hard against the grain as county government reform does in the States." The Vindicator also comments: "The President calling for consolidation of overlapping branches of government, the Vice President demanding the elimination of waste, and the Secretary of the Interior emphatic in his disapproval of bureaucracy, apparently believe that what ought to be done can be done. Their view is not shared by Congressman Wood of Indiana, chairman of the House appropriations committee."

"All these bureaus have friends in Congress and outside," according to the CINCINNATI TIMES-STAR, which concludes that "what Congress does, in a time when retrenchments are imperative, will afford an acid test of its sincerity."

"There will be opposition to the plan," states the OAKLAND TRIBUNE, "as there has been in the past, for it will mean the loss of authority by certain officials. On the other hand, each item will save to the people of the country a large sum at a time when a deficit faces the nation." The WORCESTER TELEGRAM is convinced that the program "deserves far more support than it probably will receive, either from Congress or from the public." The LEXINGTON LEADER offers the judgment: "It may be confidently predicted that in the face of experience and logic there will be strenuous opposition to any such plan, and the movement in the direction the President indicates will be slow and painful. Many feet are trampled on whenever any bill is introduced providing for such reorganizations and strings are pulled by many hands to retard progress toward the goal."

"These proposals will meet with formidable opposition, but if Congress shall have the courage to put the popular welfare first, it will enact them, comments the SAN ANTONIO EXPRESS. The LOUISVILLE COURIER-JOURNAL remarks: "There is admitted waste, useless agencies and duplicated effort which demand overhauling. But it is easier said than done. President Hoover's belated awakening will not effect the necessary changes. Congress must be brought around by a popular demand for economy. Only by such a demand will the politicians wipe out useless Government jobs and bring about efficiency. The cost of American bureaucracy is the cost of politics."

The World AND THE Mud Puddles

THE VERMONT OF IT.

When Calvin Coolidge was vice president and sat in the big chair on the platform presiding over the Senate, he had foot warmers, little electrical devices for toasting his toes placed under the vice president desk. And he would turn them on, too, and warm his toes, bored to death, probably, listening to the endless flow of debate that went on.

The foot warmes are still there, but no vice president since has ever turned on the current in them. His successors, vice president and president pro tem of the Senate, have had warm feet, or they never grew up to know the pleasure, learned in Vermont, of heating your usually cold toes on the kitchen stove or on a hot brick swathed in flannel and placed between the icy sheets of a mid-winter bed.

BRIDGE ETIQUETTE

If you must remonstrate with your wife over the way she plays bridge, don't do it in public.

She may take kindly to a few helpful suggestions after the game.

And then again she may not enjoy it.

A wife who is not particularly interested in cards will not give enough attention to the game to avoid making ridiculous plays.

Unless a wife desires to play as well as her experience and good judgment permits she should not accept invitations where a good showing is to be desired in a partner's help.

Men players like to make a good score—most women like to run up high score when playing at a regular party.

It is exasperating to play with an indifferent, thoughtless, absent-minded excuse for a partner.

One who will not concentrate on what has been played and who will not keep in mind what cards are out, should learn how or not play in company.

But irrespective of poor play a man should not comment angrily on his wife's errors—it is a breach of etiquette not easily forgiven and this habit is not confined to the husbands.

Jail Officials Refuse To Allow Mrs. Emma Wismer, To Talk With Her Son

YOUTH HELD FOR KILLING FARMER

(International News Service)

DOYLESTOWN, Pa., Jan. 11.—Charged with murder, Stanley Wismer, 14-year-old farm boy, will be arraigned today before Magistrate W. C. Hobensack. The youth spent most of Sunday quietly in his cell listening to church services and reading a book. His mother, Mrs. Emma Wismer, of Hatfield, appeared at the jail during the day and became hysterical when she was refused permission to see her son.

Hatred Was Motive.

Young Wismer is alleged to have confessed the fatal shooting of Elmer D. Bartholomew, 28-year-old farmer of near Plumsteadville, with whom he lived. He gave as his motive hatred engenered by Bartholomew's refusal to pay him more than $10 and a pair of shoes for his work on the farm since last May and the desire to use the family automobile to visit his mother at Hatfield.

Bartholomew was shot to death in his barn eight miles north of Doylestown with a .22 calibre rifle last Friday. Wismer then drove away in Bartholomew's automobile and was captured a few hours later while inquiring the way to his mother's place of employment in Hatfield.

Eight Injured In Crash Of Planes

Roger Q. Williams, Trans-Atlantic Flier Crashes Into Small Sport Plane

(International News Service)

NEW YORK, Jan. 11.—Roger Q. Williams, trans-Atlantic flyer, and seven other persons, including a girl, today suffered from injuries received in a strange airplane accident when Williams' monoplane ran down a small sport plane as he taxied along Floyd Bennett field, Brooklyn.

He had landed following a short sightseeing trip.

Peter Gattus, passenger in the smaller craft, was most seriously hurt, probably sustaining several broken ribs.

It was believed the blind spot of Williams' airplane, caused by the wide engine in the nose, screened the other plane from the pilot's view.

The large ship of Williams plowed through the tiny machine, demolishing it. Addison Spencely, 21, pilot of the wrecked plane, escaped with slight cuts and bruises.

No Lawrence County Drivers Are Listed By Bureau Of Motor Vehicles

(International News Service)

HARRISBURG, Jan. 11.—The Bureau of Motor Vehicles withdrew the cards of 109 drivers during the week ending January 7. Of this number 36 drivers' licenses were revoked and 73 suspended.

Withdrawals were 69 more than the preceding week. Operating privileges were restored to 38 motorists. Revocations this year to date total 36 and suspensions 73.

With 11 revocations, Philadelphia drivers headed the list.

Lowellville Man Will Get Hearing

Held on a charge of larceny, preferred by Chief of Police C. C. Horner, Augustine Fandzzi, Lowellville, O., will be given a hearing before Alderman Wallace J. Ewing on Tuesday afternoon, January 12, at 4 o'clock.

Fandzzi is charged with tire stealing. Mayor Charles B. Mayne, who heard the case Saturday, directed that the larceny charge be filed against him.

Three Local Men Had Interests In Fire-Ruined Dairy

Three local men were in partnership with two men from Butler in the dairy business establishment whose building was destroyed in an $18,000 fire at Butler Sunday morning.

The local partners were H. G. Delin of Delaware avenue, E. L. Hughes of Finch street and Wilbur Ball of North Mills street. The stock and equipment of the store valued at $15,000 was destroyed. No insurance was carried on it. The building, damaged to the extent of $3,000 was insured.

Bullets Are Fatal To Ohio Woman

Two Held, Police Seek Other, One Murder Solved

YOUNGSTOWN, O., Jan. 11.—With the first murder of the year solved, police are devoting themselves to apprehending the slayers of Mrs. Elizabeth Rega of Campbell, who died yesterday morning from bullet wounds believed to have been inflicted by hijackers early Friday. Two prisoners are being held in the Rega case. One, a man who lives near the scene of the shooting, and the other the man who arranged the liquor deal which led to the shooting. Police are seeking two other men. One of them, said to have been wounded by Mrs. Rega's friends during the battle, was expected to surrender yesterday but failed to appear. The second, a West End bootlegger, sought as the actual slayer has fled.

The year's first murder was cleared up when detectives arrested Gordon Hollis in connection with the death of Miss Ethel Anderson, said to have been Hollis' sweetheart. Hollis is said to have confessed that he shot her, but declared it was an accident.

Democrats Fail To Cut Convention Delegation From Keystone State

By ARTHUR C. WIMER
Special Washington Correspondent Of The New Castle News

WASHINGTON, D. C., Jan. 11.—Despite the fact that Pennsylvania will lose several seats in the House of Representatives next Congress, State Democrats will be permitted to send the same number of delegates to the Democratic National Convention next June as they sent to the 1928 conclave.

Meeting here Saturday, the Democratic National Committee decided that they would not base the allocation of delegates upon the apportionment of House members in the new Congress. The committee decided that states losing seats in the House would be allowed to send the same number of delegates as they had in 1928 and that states receiving additional seats in the House would be allowed two extra delegates for each new representative.

In adopting this program the Democrats departed from the example set by the Republican National Committee meeting here several weeks ago. The G. O. P. committee decided to allot convention delegates upon a base of the reapportionment of House seats, and under this plan Pennsylvania lost several votes in the national convention.

Both National Committeeman Sedgwick Kistler and Committeewoman Mrs. Anna O'Dea Murphy of the Keystone State attended the Democratic meeting Saturday and voted for Chicago as the convention city.

Home Treatment for Head Colds, Catarrh, Bad Throat and Coughs

There's just one way to gain freedom from and keep free from head colds, catarrh, irritated throat and coughs all winter long.

Tens of thousands of intelligent people are spraying nostrils and throat night and morning with pleasant, effective, inexpensive Opex.

Opex keeps nostrils and throat free from offensive mucus all the time—it cleans out mucus-stuffed nostrils in 3 minutes. One bottle of Opex which lasts one person 7 weeks costs but 85 cents at McGee's Cut Rate or any leading druggist anywhere.

Use Opex for 30 days—then if you can truthfully say it isn't the finest remedy for nostrils and throat you ever used—get your money back.

With clean, healthy nostrils and throat all winter long think of how much money you will save by not having to dose your system.

Look at the picture—when you inhale as you spray the cleansing, soothing, steam like smoke covers the entire membrane—right to the bottom of the lungs—you see it coming thru the mouth.

If you haven't an atomizer, get an Opex atomizer (see illustration)—strong, sturdy, nickle-plated and as good as any produced—85 cents—not a toy but a real atomizer that will last for years.

Hurrah! The War Is Over!

Here is the final scene in the "bridge battle of the century" after the 150th and final rubber had been played. The game, played at New York to test the merits of the opposing systems of Sidney Lenz and Ely Culbertson, took six weeks to decide, ending in a victory for the Culbertsons by a margin of 8,980 points. Photo shows the vanquished team congratulating the victors. Left to right are: Commander Winfield Ligget, Jr., Sidney Lenz, Oswald Jacoby (all of the Lenz team), Mrs. Culbertson and her husband, Ely Culbertson.

Hawaiians Bury Attack Suspect

Native Slain To Avenge Attack On White Woman, Buried With Ceremony

NO DISORDERS ARE REPORTED

(International News Service)

HONOLULU, T. H., Jan. 11.—A flower-heaped coffin in the old Puea cemetery today symbolized the tribute that native Hawaii paid to Joseph Kahahawai.

In a strange ceremony, in which Christian and heathen ritual was comingled, the youth was buried who had paid with his life for the suspected attack on the wife of an American naval officer.

Three thousand natives moaned and chanted during the long ceremonies that began at an undertaking parlor. From there the body was taken to the cathedral and accorded the rites of the church. Amid a profusion of sweet scented tropical flowers the tan coffin was finally lowered into the earth amid the graves of the illustrious native great of the island.

Police kept a constant watch over the funeral, but at no time was there any disorder.

The mourners came from many parts of the territory and included in their ranks David Kama, brother of Patrolman William Kama, who was slain by a drunken young soldier in a speakeasy brawl several years ago.

After the funeral feast of roasted pig and native foods and drinks, the crowd dispersed.

PROFITABLE GAS WELL IS DRILLED

(International News Service)

WAYNESBURG, Pa., Jan. 11.—A gas well having a daily estimate output of 750,000 cubic feet was struck on a Franklin township farm, near here. The strike, bringing in the third heavy producer in this vicinity in six months, was made in salt sand at a depth of slightly less than 2,000 feet.

Central Union

Central Union met at the Y. W. C. A. Friday evening for the regular meeting. The meeting was called to order by the president, Mrs. Jennie Forquer reading Psalm 46, followed by prayer by several of the members.

The greeting for the coming year from the state president, Mrs. Ella Black was read. Red Letter Day was observed. Mr. Raskob's plan by Paul Block was read. Mrs. Preston from Francis Willard Union was a visitor and gave an interesting talk.

Reports included—sick calls, 12; garments, 2; 9 dollars for a load of coal; 3 baskets of groceries; 8 evening meetings, 4 devotionals led; 15 gospels; 30 Christmas cards and texts sent; 8 library books; 2 book marks; 3 letters written; money expended, $7.20.

West Side Union

The West Side Union of the W. C. T. U. met Friday evening in the home of Mrs. T. D. Allen, with the hostess leading the devotional period.

The meeting opened with a song and prayer service, after which Mrs. Cramer, secretary, gave her report, showing that the union has been most active. The roll call was answered with verses of scripture.

Mrs. R. E. Long, president, read a letter of good cheer from the state president and Mrs. Robert Grooms read a piece on "Killed By Wine."

Tickets for the Victory luncheon were disposed of at this meeting.

Reports were made of Christmas baskets given out, money donations, Bibles, tracts, letters written to the sick and visits made.

The women welcomed Mrs. S. E. McCleary, who was able to be out again.

Pittsburgh Girl Attempts Suicide

Young Girl Whipped By Father Goes Up Stairs And Shoots Herself

(International News Service)

PITTSBURGH, Pa., Jan. 11.—A 16-year-old girl, who allegedly attempted to commit suicide after she was said to have been whipped by her father, today was fighting for her life in the Pittsburgh hospital. She is Mildred Tucci.

According to the girl's father, Frank Tucci, he whipped her because she had refused to stay in the house. He said that the girl threatened to "get even" and ran upstairs in the Tucci home.

Two revolver shots were heard and it was found that the girl had fired two bullets into her own body.

HEAR TROPHY NEWS

West Pittsburg's troop held its weekly meeting at the West Pittsburg school last Friday.

Scoutmaster Hainsworth announced to the troop that the boys had won both of the trophies in the three-month long troop efficiency contest. Troop 15, he told them, placed second. Ellwood's troop 3 placed third.

Assistant Scoutmaster Jack Hainsworth led the meeting with Patrol Leader Herman Neumeyer leading the pledge and allegiance.

Three new scouts were added, Albert Caravella, Lewis Sanfelice and Nick Porkovich.

Present to participate in the evening's program were 16 scouts, four cubs and four committeemen.

MY NEW YORK
BY JAMES ASWELL

By Central Press.

NEW YORK, Jan. 11.—That fine old southern family with the fine old southern maid I was telling you about the other day now comes out with another rich true episode.

Beauty, the maid, went home over the holidays for a visit. While she was away her mistress decided to do something nice for Beauty—refurnish her room with a nice new dresser and chair and a good mattress, to replace the hard and ragged wafer Beauty had brought along to sleep on when she took the job.

But Beauty's face grew almost as pale as a member of the Sing Sing football team when the heard of the improvements. "Whah's mah mattress?" she asked, first thing.

"I disposed of that old thing," said the lady. "Look at the nice new one I bought for you in its place."

"Lawdamussy!" Beauty exclaimed. "Dat mattress done gone wid all mah money in it. Ah been sleepin' on mah life's savin's—near bout sixteen hundred dollahs—fer 20 years!"

Distressed, the lady spent the morning tracing the mattress, found it in a junk shop and, sure enough, there was the money, in old bills. Beauty was delighted. That evening the master summoned her and talked pretty straight.

"That ought to be a lesson to you! I urge you to go down first thing in the morning and bank that money. It would be a shame to lose it thru such methods."

Next afternoon Beauty reported she had duly banked her savings.

Three days later the master was appalled to dicover that the bank she had mentioned had collapsed. Much put out, and not a little embarrassed, he called Beauty in to say that he felt to blame for her loss and was going to insist on making it good.

"Laws sake, suh, don' you worry. I didn't lose no money. Firs' night after I trus' it to dem folks, I couldn't sleep a wink. Been sleepin' wid mah money so long. So I goes down bright an' early two days ago and draws it out. Ah got it back in dat old mattress now."

CRISIS

When a young person panics this village with a terrific wallop, only the first half of the battle has been won. There's that second, crucial, all-important season. When a name flames brightly on Broadway two years in succession, then you can be pretty sure that you're viewing the label of a forget-me-not, comparatively speaking anyway.

I'm thinking of Ethel Mermen, the exotic young woman with the moaning, anxious voice who hopped from an obscure Florida night club into a New York floor show and then, rapidly, to headline positions in "Girl Crazy" and "Scandals," two highly successful revues which she helped no little.

What will happen on the next round? Temporarily Ethel has dropped from the immediate spotlight of acclaim, though she's still stopping the "Scandals" show. Broadway has gone into its old "show me" attitude. The new year will spell big-time, long-time (which are two different things) success, or—

Incidentally, Ethel never had a singing lesson in her life.

Skeleton Of Girl Found On Ash Heap

Believe Skeleton Discarded By Pottstown Medical Student After Dissecting

(International News Service)

NORRISTOWN, Pa., Jan. 11. — Belief was expressed today that the skeleton of a 20-year-old girl, found on a scrap-heap at Pottstown, near here, was discarded by a medical student after most of the torso had been dissected.

The gruesome find was made by Harry Weiss, 12, of Pottstown. State police, who brought the skeleton here, said a portion of the skull was cut away and muscles had been stripped from the arms.

Pending a final examination by Dr. John B. Simpson, coroner's physician, police said the skeleton exhibited a typical medical college dissection and had probably been discarded by a student after completion of experimentation.

"DOPE? NOT FOR MY CHILD!"

MOTHERS—here are the vital facts about cough syrups:—many rely on DOPE for their results! DOPE means morphine, ether, chloroform, opiates and narcotics.

Don't risk these dope-drugged syrups! Don't do it! You can now stop your child's cough *safely*. Smith Brothers' Triple Action Cough Syrup contains absolutely NO DOPE (not even a trace!)—no drugs—nothing that could harm a delicate child. Instead of dope the far more efficient but SAFE principle of "Triple Action" gets rid of the cough quickly, surely and pleasantly. (*Pleasantly*, because Smith Brothers' tastes good.) **Only 35c.**

"I have 5 children, from 1 year to 15 years of age. I've been using every kind of cough syrup. Last winter when they had bad coughs, I bought a bottle of Smith Brothers' . . . Their colds and coughs disappeared like magic. They liked the taste of it too." Mrs. Margaret Robilliard, New York City.

Mother Refused Right To Speak To Young Slayer

Jail Officials Refuse To Allow Mrs. Emma Wismer, To Talk With Her Son

YOUTH HELD FOR KILLING FARMER

(International News Service)

DOYLESTOWN, Pa., Jan. 11.—Charged with murder, Stanley Wismer, 14-year-old farm boy, will be arraigned today before Magistrate W. C. Hobensack. The youth spent most of Sunday quietly in his cell listening to church services and reading a book. His mother, Mrs. Emma Wismer, of Hatfield, appeared at the jail during the day and became hysterical when she was refused permission to see her son.

Hatred Was Motive.

Young Wismer is alleged to have confessed the fatal shooting of Elmer D. Bartholomew, 28-year-old farmer of near Plumsteadville, with whom he lived. He gave as his motive hatred engendered by Bartholomew's refusal to pay him more than $10 and a pair of shoes for his work on the farm since last May and the desire to use the family automobile to visit his mother at Hatfield.

Bartholomew was shot to death in his barn eight miles north of Doylestown with a .22 calibre rifle last Friday. Wismer then drove away in Bartholomew's automobile and was captured a few hours later while inquiring the way to his mother's place of employment in Hatfield.

Eight Injured In Crash Of Planes

Roger Q. Williams, Trans-Atlantic Flier Crashes Into Small Sport Plane

(International News Service)

NEW YORK, Jan. 11.—Roger Q. Williams, trans-Atlantic flyer, and seven other persons, including a girl, today suffered from injuries received in a strange airplane accident when Williams' monoplane ran down a small sport plane as he taxied along Floyd Bennett field, Brooklyn.

He had landed following a short sightseeing trip.

Peter Gattus, passenger in the smaller craft, was most seriously hurt, probably sustaining several broken ribs.

It was believed the blind spot of Williams' airplane, caused by the wide engine in the nose, screened the other plane from the pilot's view.

The large ship of Williams plowed through the tiny machine, demolishing it. Addison Spencely, 21, pilot of the wrecked plane, escaped with slight cuts and bruises.

Three Local Men Had Interests In Fire-Ruined Dairy

Three local men were in partnership with two men from Butler in the dairy business establishment whose building was destroyed in an $18,000 fire at Butler Sunday morning.

The local partners were H. G. Delin of Delaware avenue, E. L. Hughes of Finch street and Wilbur Ball of North Mills street. The stock and equipment of the store valued at $15,000 was destroyed. No insurance was carried on it. The building, damaged to the extent of $3,000 was insured.

Bullets Are Fatal To Ohio Woman

Two Held, Police Seek Other, One Murder Solved

YOUNGSTOWN, O., Jan. 11.—With the first murder of the year solved, police are devoting themselves to apprehending the slayers of Mrs. Elizabeth Rega of Campbell, who died yesterday morning from bullet wounds believed to have been inflicted by hijackers early Friday. Two prisoners are being held in the Rega case. One, a man who lives near the scene of the shooting, and the other the man who arranged the liquor deal which led to the shooting. Police are seeking two other men. One of them, said to have been wounded by Mrs. Rega's friends during the battle, was expected to surrender yesterday but failed to appear. The second, a West End bootlegger, sought as the actual slayer has fled.

The year's first murder was cleared up when detectives arrested Gordon Hollis in connection with the death of Miss Ethel Anderson, said to have been Hollis' sweetheart. Hollis is said to have confessed that he shot her, but declared it was an accident.

Democrats Fail To Cut Convention Delegation From Keystone State

By ARTHUR C. WIMER
Special Washington Correspondent Of The New Castle News

WASHINGTON, D. C., Jan. 11.—Despite the fact that Pennsylvania will lose several seats in the House of Representatives next Congress, State Democrats will be permitted to send the same number of delegates to the Democratic National Convention next June as they sent to the 1928 conclave.

Meeting here Saturday, the Democratic National Committee decided that they would not base the allocation of delegates upon the apportionment of House members in the new Congress. The committee decided that states losing seats in the House would be allowed to send the same number of delegates as they had in 1928 and that states receiving additional seats in the House would be allowed two extra delegates for each new representative.

In adopting this program the Democrats departed from the example set by the Republican National Committee meeting here several weeks ago. The G. O. P. committee decided to allot convention delegates upon a base of the reapportionment of House seats, and under this plan Pennsylvania lost several votes in the national convention.

Both National Committeeman Sedgwick Kistler and Committeewoman Mrs. Anna O'Dea Murphy of the Keystone State attended the Democratic meeting Saturday and voted for Chicago as the convention city.

Girl Hitch-Hikers Make Stop In City; Enroute To Flint

June Elizabeth Herting is eight years old today, but there will be no party to mark the day for little lady. With her aunt, Miss Margaret Herting of Flint, Mich., the little girl is somewhere on the highway that will eventually lead them to Flint, Mich., the home of Miss Herting.

The story of how the two got to New Castle today sounds like fiction or one of Ripley's statements. Miss Herting is a stenographer in Flint, Mich., a graduate of Michigan State university and a young woman of refinement and education. She might be 24 years of age but no more, is a rather striking brunette and would weigh, not to exceed 100 pounds.

Hike From Roanoke, Va.

Three days ago Miss Herting and June Elizabeth left Roanoke, Va., penniless, hitch hiking to Flint, Mich. The father of June Elizabeth, a brother of Miss Herting, had died and the young woman left Flint for Roanoke to bring back her niece. Arriving in Roanoke she found the Virginia law such that she had to go through adoption proceedings before she could take the little girl out of the state.

This meant delay and delay meant expense with the result that when June Elizabeth was finally given to Miss Herting the meagre funds she had when she left Flint were exhausted. To admit her condition to the authorities would probably have meant the annulment of the adoption she feared and taking the little girl by the hand she started to hitch hike, trusting in the generosity of motorists for transportation and food.

Not Much Sleep.

They were fortunate in getting hikes during the day time but found that motorists didn't stop during the nights. They slept but little, some of it in automobiles, a snatch or two in a garage and early this morning arrived in Pittsburgh. They got a ride as far as Monaca where another motorist, a traveling salesman, gave them a ride into New Castle.

The story of their adventure touched the salesman and he brought them into the Leslie hotel where he bought their breakfast. Several citizens in the lobby heard of the plight of the young woman and the child and made arrangements to take up a collection and put them on the 1:03 train for Detroit, Mich. Billy Williams of the hotel offered them the use of a room to rest until that time.

The arrangements never materialized, for Miss Herting refused the aid. "It's kind, I know," she said, "but I don't want to impose on anybody. We'll get a ride somehow and we'll get to Flint all right."

Nor could she be persuaded to accept the charity. Eyes drooping for lack of sleep, feet weary from miles of trudging, they set out from the hotel for the highway leading to Youngstown. Under one arm Miss Herting carried the little bag containing their clothes, and a small bundle. The other hand held tightly to that of little June Elizabeth, who was being treated to a strange birthday celebration but seemed happy that she was going to a good home.

Matter Of National Commander's Banquet Will Be Up For Consideration

Regular meeting of Perry S. Gaston post, No. 343, American Legion, will be held Tuesday night at the Legion Home. The outstanding matters of importance up for consideration will be the membership drive and the question of the national commander's banquet.

Relative to the membership drive Gaston post now stands third in the membership of the 20 posts of the 26th congressional district and the expectation is to make it first among the posts of the district in a short time.

There will also be other routine matters up for consideration at this time. Commander J. Glenn Berry and the executive council meets at 7:30 p. m., while the post meeting will get under way at 8:15 p. m.

Local College Boy Reported Missing

Left For College On January 4, And Has Strangely Disappeared

Leaving for class at Westminster College Monday morning, January 4, John Brincko, Jr., of 107 West Wallace avenue has not been heard from since. Inquiries have failed to reveal any trace of him and after a week's absence without word his family is becoming alarmed.

The young man is a freshman in Westminster College and is seventeen years of age. He was an apt student in high school here and since his entrance into Westminster College has been up in his classes. There has been no trouble at home or school and neither his family nor his teachers can ascribe any reason for his strange disappearance.

His father and mother are in New Wilmington today, endeavoring to get some lead that will result in locating him.

Was Returning With Son To Home In Virginia From Visit In New Castle

Mrs. J. B. Fox, 307 South Ray street, received word Sunday of the death of her niece, Mrs. T. G. Park Chappell, of Dinwidde, Va., who was killed in an automobile accident, Saturday, near Bellefonte.

Mrs. Chappell and her son, R. G. Norris were on their way to Virginia, having just completed a two week visit with Mrs. Fox and other relatives here.

Mrs. Chappell was the daughter of Mr. and Mrs. Andrew Park, formerly of Mercer county, and this was her first trip back to New Castle and vicinity in forty-three years.

No details were received as to how the accident occurred, or of the funeral arrangements.

SATURDAY WAS ANNIVERSARY BLEVINS MURDER

Saturday evening was the anniversary of one of the most outstanding crimes that ever occurred in the city of New Castle. It was just thirty-three years on Saturday night, since John Blevins, city treasurer, was found murdered in his office, which was then located where the present office of the chief of police is located. The murder was never solved, although many theories prevailed at the time and continue on down to the present time as to who might have caused the death of Mr. Blevins.

Highway Chief To Undergo Operation

Division Superintendent H. W. Lightner of the Pennsylvania State Highway Department will undergo an operation in the St. Francis hospital at Pittsburgh early this week.

Mr. Lightner, who lives on East Wallace avenue, left to enter the hospital today.

Permits City To Borrow Sufficient Funds To Pay Debts

Council today met in city hall and adopted an ordinance which provides for the making and incurring of a temporary loan or loans by the city to meet current expenses, the same to be paid out of general revenues raised by taxes levied for the present fiscal year, which started January 4.

Under the ordinance the city can borrow any part up to $100,000.

The money will be used to pay current bills until sufficient revenue from taxation flows into the city treasury.

Annually an ordinance of its character is introduced and adopted.

Travelers' Group Plans Night Event

Past Councillors' Affair Of U. C. T. Scheduled For Thursday

Anticipating one of the most elaborate and enjoyable Past Councillors' Night programs in years, members of the New Castle Council No. 408, United Commercial Travelers, today looked forward to Thursday evening's special program of the council in the Sons of Union Veterans hall, City building.

Past Councillors John W. Louer and Archie Gordon, who will direct the program that night, are busy working out the final plans for the affair.

There will be a specialty stunt performance, followed by a tasty lunch.

The Past Councillors' night is held annually with chosen past councillors in charge.

Class In Golf Is Starting Tonight At Local Y. W. C. A.

There are still a few vacancies in the class in golf which commences as a special feature at the Y. W. C. A. this evening. The class will be instructed in golf by Mrs. John E. Elliott from 7:15 to 8:15 and the fee is $3.50 for the 10 lessons to be conducted regularly during the next several months.

Bring your own driver (not a chauffeur, but a golf club) and your own indoor golf ball, beginners are informed.

Another thing to discourage the Democrats is the fear of inheriting the investigation of Bishop Cannon.

Party At Y. W. C. A. For Polish Women Wednesday Night

Hurrah! The War Is Over!

Here is the final scene in the "bridge battle of the century" after the 150th and final rubber had been played. The game, played at New York to test the merits of the opposing systems of Sidney Lenz and Ely Culbertson, took six weeks to decide, ending in a victory for the Culbertsons by a margin of 8,980 points. Photo shows the vanquished team congratulating the victors. Left to right are: Commander Winfield Ligget, Jr., Sidney Lenz, Oswald Jacoby (all of the Lenz team), Mrs. Culbertson and her husband, Ely Culbertson.

Hawaiians Bury Attack Suspect

Native Slain To Avenge Attack On White Woman, Buried With Ceremony

NO DISORDERS ARE REPORTED

(International News Service)

HONOLULU, T. H., Jan. 11.—A flower-heaped coffin in the old Puea cemetery today symbolized the tribute that native Hawaii paid to Joseph Kahahawai.

In a strange ceremony, in which Christian and heathen ritual was commingled, the youth was buried who had paid with his life for the suspected attack on the wife of an American naval officer.

Three thousand natives moaned and chanted during the long ceremonies that began at an undertaking parlor. From there the body was taken to the cathedral and accorded the rites of the church. Amid a profusion of sweet scented tropical flowers the tan coffin was finally lowered into the earth amid the graves of the illustrious native great of the island.

Police kept a constant watch over the funeral, but at no time was there any disorder.

The mourners came from many parts of the territory and included in their ranks David Kama, brother of Patrolman William Kama, who was slain by a drunken young soldier in a speakeasy brawl several years ago.

After the funeral feast of roasted pig and native foods and drinks, the crowd dispersed.

Central Union

Central Union met at the Y. W. C. A. Friday evening for the regular meeting. The meeting was called to order by the president, Mrs. Jennie Forquer reading Psalm 46, followed by prayer by several of the members.

The greeting for the coming year from the state president, Mrs. Ella Black was read. Red Letter Day was observed. Mr. Raskob's plan by Paul Block was read. Mrs. Preston from Francis Willard Union was a visitor and gave an interesting talk.

Reports included—sick calls, 12; garments, 2; 9 dollars for a load of coal; 3 baskets of groceries; 8 evening meetings, 4 devotionals led; 15 gospels; 30 Christmas cards and texts sent; 8 library books; 2 book marks; 3 letters written; money expended, $7.20.

West Side Union

The West Side Union of the W. C. T. U. met Friday evening in the home of Mrs. T. D. Allen, with the hostess leading the devotional period.

The meeting opened with a song and prayer service, after which Mrs. Cramer, secretary, gave her report, showing that the union has been most active. The roll call was answered with verses of scripture.

Mrs. R. E. Long, president, read a letter of good cheer from the state president and Mrs. Robert Grooms read a piece on "Killed By Wine."

Tickets for the Victory luncheon were disposed of at this meeting.

Reports were made of Christmas baskets given out, money donations, Bibles, tracts, letters written to the sick and visits made.

The women welcomed Mrs. S. E. McCleary, who was able to be out again.

Pittsburgh Girl Attempts Suicide

Young Girl Whipped By Father Goes Up Stairs And Shoots Herself

(International News Service)

PITTSBURGH, Pa., Jan. 11.—A 16-year-old girl, who allegedly attempted to commit suicide after she was said to have been whipped by her father, today was fighting for her life in the Pittsburgh hospital. She is Mildred Tucci.

According to the girl's father, Frank Tucci, he whipped her because she had refused to stay in the house. He said that the girl threatened to "get even" and ran upstairs in the Tucci home.

Two revolver shots were heard and it was found that the girl had fired two bullets into her own body.

HEAR TROPHY NEWS

West Pittsburg's troop held its weekly meeting at the West Pittsburg school last Friday.

Scoutmaster Hainsworth announced to the troop that the boys had won both of the trophies in the three-month long troop efficiency contest. Troop 15, he told them, placed second. Ellwood's troop 3 placed third.

Assistant Scoutmaster Jack Hainsworth led the meeting with Patrol Leader Herman Neumeyer leading the pledge and allegiance.

Three new scouts were added, Albert Caravella, Lewis Sanfelice and Nick Porkovich.

Present to participate in the evening's program were 16 scouts, four cubs and four committeemen.

MY NEW YORK

BY JAMES ASWELL

By Central Press.

NEW YORK, Jan. 11.—That fine old southern family with the fine old southern maid I was telling you about the other day now comes out with another rich true episode.

Beauty, the maid, went home over the holidays for a visit. While she was away her mistress decided to do something nice for Beauty—refurnish her room with a nice new dresser and chair and a good mattress, to replace the hard and ragged wafer Beauty had brought along to sleep on when she took the job.

But Beauty's face grew almost as pale as a member of the Sing Sing football team when the heard of the improvements. "Whah's mah mattress?" she asked, first thing.

"I disposed of that old thing," said the lady. "Look at the nice new one I bought for you in its place."

"Lawdamussy!" Beauty exclaimed. "Dat mattress done gone wid all mah money in it. Ah been sleepin' on mah life's savin's—near bout sixteen hundred dollahs—fer 20 years!"

Distressed, the lady spent the morning tracing the mattress, found it in a junk shop and, sure enough, there was the money, in old bills. Beauty was delighted. That evening the master summoned her and talked pretty straight.

"That ought to be a lesson to you! I urge you to go down first thing in the morning and bank that money. It would be a shame to lose it thru such methods."

Next afternoon Beauty reported she had duly banked her savings.

Three days later the master was appalled to dicover that the bank she had mentioned had collapsed. Much put out, and not a little embarrassed, he called Beauty in to say that he felt to blame for her loss and was going to insist on making it good.

"Laws sake, suh, don' you worry. I didn't lose no money. Firs' night after I trus' it to dem folks, I couldn't sleep a wink. Been sleepin' wid mah money so long. So I goes down bright an' early two days ago and draws it out. Ah got it back in dat old mattress now."

Skeleton Of Girl Found On Ash Heap

Believe Skeleton Discarded By Pottstown Medical Student After Dissecting

(International News Service)

NORRISTOWN, Pa., Jan. 11. — Belief was expressed today that the skeleton of a 20-year-old girl, found on a scrap-heap at Pottstown, near here, was discarded by a medical student after most of the torso had been dissected.

The gruesome find was made by Harry Weiss, 12, of Pottstown. State police, who brought the skeleton here, said a portion of the skull was cut away and muscles had been stripped from the arms.

Pending a final examination by Dr. John B. Simpson, coroner's physician, police said the skeleton exhibited a typical medical college dissection and had probably been discarded by a student after completion of experimentation.

CRISIS

When a young person panics this village with a terrific wallop, only the first half of the battle has been won. There's that second, crucial, all-important season. When a name flames brightly on Broadway two years in succession, then you can be pretty sure that you're viewing the label of a forget-me-not, comparatively speaking anyway.

I'm thinking of Ethel Mermen, the exotic young woman with the moaning, anxious voice who hopped from an obscure Florida night club into a New York floor show and then, rapidly, to headline positions in "Girl Crazy" and "Scandals," two highly successful revues which she helped no little.

What will happen on the next round? Temporarily Ethel has dropped from the immediate spotlight of acclaim, though she's still stopping the "Scandals" show. Broadway has gone into its old "show me" attitude. The new year will spell big-time, long-time (which are two different things) success, or—

Incidentally, Ethel never had a singing lesson in her life.

Golder Reported Better Today At Local Hospital

Henry E. Golder, of Winter avenue, former head of a local construction company, who received painful and serious injuries on Friday while working for the State Highway Department, was reported at noon today as being in a little better condition. He is in the Jameson Memorial hospital.

It was found upon examination at the Jameson Memorial hospital, to where he was removed from the Ellwood City hospital after first aid treatment, that Mr. Golder does not have a fractured skull as was at first feared.

The accident occurred near Ellwood City. Mr. Golder fell from a truck at Brown's Hill, where he was supervising some road work.

"DOPE? NOT FOR MY CHILD!"

MOTHERS—here are the vital facts about cough syrups:—many rely on DOPE for their results! DOPE means morphine, ether, chloroform, opiates and narcotics.

Don't risk these dope-drugged syrups! Don't do it! You can now stop your child's cough *safely*. Smith Brothers' Triple Action Cough Syrup contains absolutely NO DOPE (not even a trace!)—no drugs—nothing that could harm a delicate child. Instead of dope the far more efficient but SAFE principle of "Triple Action" gets rid of the cough quickly, surely and pleasantly. (*Pleasantly*, because Smith Brothers' tastes good.) **Only 35c.**

"I have 5 children, from 1 year to 15 years of age. I've been using every kind of cough syrup. Last winter when they had bad coughs, I bought a bottle of Smith Brothers' . . . Their colds and coughs disappeared like magic. They liked the taste of it too." Mrs. Margaret Robilliard, New York City.

Training For Leaders Gets Underway Today

Regional Girl Scout Staff Member In City This Week To Conduct Classes

The first of a series of training classes for leaders of New Castle's Girl Scout troops got underway at 2 o'clock this afternoon, with Miss Jeanne Christy, a member of the regional Girl Scout staff, in charge.

A class in first class work was started this afternoon in the gymnasium of the Y. W. C. A.

Tonight Miss Christy will conduct a class in second class work at 7:30 in the First Christian church.

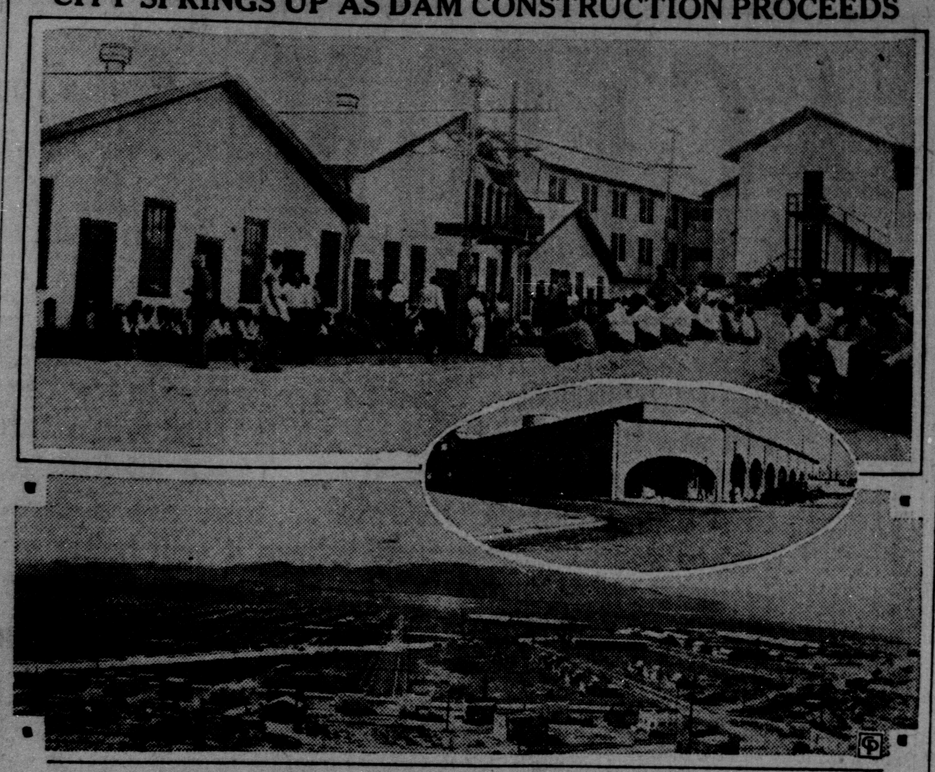
Beginning Tuesday, according to announcement today by the city director, Miss Nance Pugh, the schedule of first and second class work will be reversed. That means that Miss Christy will conduct second class work at 2 o'clock in the Y. W. gym, and first class work at 7:30 p. m. at the First Christian church.

The afternoon and evening classes will meet every day this week ending Friday. They are for all Girl Scout leaders and it is important that all attend.

Leaders from Zelienople, Evans City and Youngstown will come for the evening training classes.

Miss Christy, who spent the week-end at her home in Pittsburgh, was in charge of similar classes at Beaver Falls last week.

CITY SPRINGS UP AS DAM CONSTRUCTION PROCEEDS



Boulder City, on the site of the Hoover dam in Nevada, has become the overnight city of the nation with a population of 4,400 where but half a dozen men lived a year ago. With construction going on Boulder City now boasts up-to-date homes, streets, and a school attended by 228 children. Photos show, top, the mess hall at the dam where 5,000 meals are served daily; below, a panoramic view of the city, and inset, the railroad station where hundreds of men and their families arrive each week to augment the population of this one-project municipality.

Ensign Thomsen Is To Be Transferred

Orders Of Transfer Have Been Received And Will Be Effective Soon

At the Sunday services conducted at the Salvation Army Hall, 34 West Washington street, Rev. Abe Shaffer was the preacher and announcement was made by Ensign V. Thomsen, officer in charge, that he was in receipt of orders of transfer, which would be effective in the near future. Lieutenant-Colonel C. B. Campbell and Staff Captain John Stafford of Pittsburgh will be here Thursday for the completion of the details of the transfer.

Ensign and Mrs. V. Thomsen have conducted a very effective and excellent work in this city for the past two and a half years and have made many friends, who will regret to see them leave.

The transfer is necessitated by the condition of health of both Ensign and Mrs. Thomsen, due to the rigors of the energetic work carried on here by them and in the case of the latter, augmenting the conditions that followed the terrible injuries sustained in an automobile accident since coming to this city.

Ahepa Induction Colorful Event

Throng Of 250 Attends Ceremony On Sunday; Canton Leader Here

When Past Supreme Secretary Andrew Nickas of Canton, O., installed the newly-elected officers of the New Castle Chapter, No. 87, Order of Ahepa, Sunday afternoon, nearly 250 Ahepans of New Castle and surrounding towns, together with their ladies, were present. The exercises took place in the Modern Woodmen of America hall, East Washington street.

Nickas officiated for Supreme Governor John D. Petrou, head of District 10, who was prevented from coming here by another engagement. He had at first accepted to act and then sent notice of his inability to come.

Take Up Duties

President Peter Askounes took over the leadership of the Ahepans here, with William Matsukas as vice president; John Borovilos as secretary, and James Passias as treasurer. Speer Marousis is the retiring president.

Others who became officers with yesterday's induction were: Members of the governing board: Speer Marousis, chairman; Nick Askounes, Peter Brown and J. H. Bassiliou; chaplain, William Lestas; warden, Tom Borovilos; captain of the guard, Nick Askounes; and sentinels, Harry Jennings and Mike Pekounes.

Guests were present to witness the impressive ceremony from Beaver Falls, Butler, and Canton, O. Others attended from New Castle.

After the induction came a short period of entertainment. A local orchestra entertained the guests and lunch was served by a committee composed of Tom Borovilos, Mike Pekoules and Gus Granitsas. Peter Brown, John Borovilos and David Pappas handled the program arrangements.

Plan To Dynamite River Levee And Save Much Land

Will Likely Dynamite Yalobusha River Levee In Mississippi, Today

(International News Service)

CLARKSBURG, Miss., Jan. 11—Dynamiting of the Yalobusha River levee in Leflore county in an effort to relieve pressure on other dikes and avert failure of the entire levee system was planned today.

Blasting of the Yalobusha levee would flood Leflore county and send water surging into East Greenwood, second largest town in the Delta, but would save thousands of acres of valuable property elsewhere from inundation and probably avert a major disaster, Major W. K. Clements, of Greenwood said.

Only a small portion of Greenwood would be affected and the population of 12,000 would not be endangered by the relief move.

"Back To Farm" Movement Would End Depression

(International News Service)

PITTSBURGH, Pa., Jan. 11.—Declaring that the great charity drives have accomplished no real good toward ultimate ending of the depression, A. C. McConnell today suggested a "back to the farm" movement to revive "good times".

McConnell, a director of the department of employment of the Pittsburgh Association for the Improvement of the Poor, advocated the appropriation of $1,000,000,000 by the federal government to provide each farmer with funds to erect "tenant houses" on the farms "so that city families might return there and at least earn an existence".

Attempt Made To Destroy Stolen Auto With Fire

Two Other Cars Have Been Set On Fire In Same Place As This Car Was Found

Automobile of D. B. Reynolds of R. D. No. 3, was stolen Saturday from East street near North street, according to the report received by the police. It was found Sunday by Officers Thomas Lynch, John Moore and Campbell on the dump on what is known as the Byers farm and located on what might be termed an extension of West Clayton street. Evidence was found on the seat of the car of an attempt to destroy the machine by fire, but the fire had died out.

This is the third car that the police department has found in this same place in the course of the past several years, where the intention was to burn the machine. One of the attempts was successful, an Ohio license car being destroyed.

Slight Accidents Reported To Police

Albert Wolthers R. D. No. 8 reported to the police Saturday that he was enroute east on Edison avenue near Highland avenue, as Sarah Shipe of 129 Edison avenue, going north on Highland avenue turned west on Edison avenue and the machines came together. Some damage was done.

John S. Mottinger of Kerr street, R. D. No. 2, reported Saturday that he was parked on the P. & O. Bus Terminal and was pulling out, when his machine was in a collision with that bearing Pennsylvania license 51V12, which was enroute west on Washington street. Some damage was done.

WOMAN IN MIDNIGHT COURT SATURDAY

Midnight police court over the week end, consisting of two sessions were devoid of interest and action was taken by Mayor Charles B. Mayne in but one instance. Saturday night, the first woman to appear at a midnight session, was in attendance, having been arrested on a suspicion charge. She was ordered out of the city. There were no persons able to appear at the Sunday night session.

"I want to tell you — that red-blood cells are the very foundation of sturdy health" — worth knowing:

—let's pause a moment to give those vital red cells the consideration they deserve. They mean so much for better health and happiness.

If your blood count is low, why not take steps to overcome it—remembering that a "tired feeling" may be a warning . . . so are pimples, boils and paleness.

For generations S.S.S. as a tonic has been helping people gain New Strength, better health and happiness. Its successful record of over 100 years in restoring strength and vitality to the blood surely warrants your giving it a good trial.

Why not start taking S.S.S. today?—the larger size represents a price saving.

S.S.S. Builds Sturdy Health

When HARD TIMES come a-knocking at the door

Whether or not, as some people think, times are harder today than they ever have been, we are sure of one thing:

There have been ten business depressions since A & P was founded in 1859; and, with the rest of the country, A & P has come through all ten of them stronger and better. We believe we can do it again.

Our part, as we see it, is to keep on selling more food for less money—thus making it possible for more people to buy more food—in turn, keeping more food producers busy, and making more jobs all around.

And it works. For today, besides furnishing a steady market for many growers and producers, we are employing 5,763 more workers in our own company than we did in 1929, the most prosperous year this country has known.

Senate Orders Hawaiian Probe

(International News Service)

WASHINGTON, Jan. 11.—The department of justice was ordered by the senate today to make an immediate investigation of conditions in Honolulu, where more than 40 white women have been assaulted in recent months, and where Mrs. Granville Fortescue and her son-in-law, Lieut. Thomas Massie, are now accused of killing a native who had assaulted Mrs. Massie.

The resolution of investigation was sponsored by Senator Bingham (R) of Connecticut, chairman of the senate committee on territorial and insular affairs. It was adopted by unanimous vote.

Young Man Held On Check Charge

(International News Service)

PITTSBURGH, Jan. 11.—C. R. Emidy, 23, who gave his address as Harrisonburg, Va., today was ordered held for court on a false pretense charge said to have grown out of passage of a $25 check.

Calling at the office of R. B. Townsend, treasurer of the Fidelity Title and Trust Company, Emidy is said to have represented himself as the son of a college classmate of Townsend. Explaining that he needed the money to get to Yale for examinations, the youth is alleged to have asked Townsend to cash the $25 check. Townsend readily consented but the check "bounced."

POCKETBOOKS ARE STOLEN SATURDAY

Reports was made to the police Saturday evening from the New Castle Dry Goods Company store, that pocketbooks belonging to Mrs. Smith and Mrs. Hamilton, employes of the store, had been stolen between 7:30 and 8:30 p. m. from the manager's desk, where they had been placed with others. The Smith pocketbook contained $10 in cash and other articles, while the Hamilton pocketbook contained $5 and other things of value to the owner.

Girl Hitch-Hikers Make Stop In City; Enroute To Flint

June Elizabeth Herting is eight years old today, but there will be no party to mark the day for little lady. With her aunt, Miss Margaret Herting of Flint, Mich., the little girl is somewhere on the highway that will eventually lead them to Flint, Mich., the home of Miss Herting.

The story of how the two got to New Castle today sounds like fiction or one of Ripley's statements. Miss Herting is a stenographer in Flint, Mich., a graduate of Michigan State university and a young woman of refinement and education. She might be 24 years of age but no more, is a rather striking brunette and would weigh, not to exceed 100 pounds.

Hike From Roanoke, Va.

Three days ago Miss Herting and June Elizabeth left Roanoke, Va., penniless, hitch hiking to Flint, Mich. The father of June Elizabeth, a brother of Miss Herting, had died and the young woman left Flint for Roanoke to bring back her niece. Arriving in Roanoke she found the Virginia law such that she had to go through adoption proceedings before she could take the little girl out of the state.

This meant delay and delay meant expense with the result that when June Elizabeth was finally given to Miss Herting the meagre funds she had when she left Flint were exhausted. To admit her condition to the authorities would probably have meant the annulment of the adoption she feared and taking the little girl by the hand she started to hitch hike, trusting in the generosity of motorists for transportation and food.

Not Much Sleep.

They were fortunate in getting hikes during the day time but found that motorists didn't stop during the nights. They slept but little, some of it in automobiles, a snatch or two in a garage and early this morning arrived in Pittsburgh. They got a ride as far as Monaca where another motorist, a traveling salesman, gave them a ride into New Castle.

The story of their adventure touched the salesman and he brought them into the Leslie hotel where he bought their breakfast. Several citizens in the lobby heard of the plight of the young woman and the child and made arrangements to take up a collection and put them on the 1:03 train for Detroit, Mich. Billy Williams of the hotel offered them the use of a room to rest until that time.

The arrangements never materialized, for Miss Herting refused the aid. "It's kind, I know," she said, "but I don't want to impose on anybody. We'll get a ride somehow and we'll get to Flint all right."

Nor could she be persuaded to accept the charity. Eyes drooping for lack of sleep, feet weary from miles of trudging, they set out from the hotel for the highway leading to Youngstown. Under one arm Miss Herting carried the little bag containing their clothes, and a small bundle. The other hand held tightly to that of little June Elizabeth, who was being treated to a strange birthday celebration but seemed happy that she was going to a good home.

Gaston Post To Meet Tuesday At Legion Home

Matter Of National Commander's Banquet Will Be Up For Consideration

Regular meeting of Perry S. Gaston post, No. 343, American Legion, will be held Tuesday night at the Legion Home. The outstanding matters of importance up for consideration will be the membership drive and the question of the national commander's banquet.

Relative to the membership drive Gaston post now stands third in the membership of the 20 posts of the 26th congressional district and the expectation is to make it first among the posts of the district in a short time.

There will also be other routine matters up for consideration at this time. Commander J. Glenn Berry and the executive council meets at 7:30 p. m., while the post meeting will get under way at 8:15 p. m.

Local College Boy Reported Missing

Left For College On January 4, And Has Strangely Disappeared

Leaving for class at Westminster College Monday morning, January 4, John Brincko, Jr., of 107 West Wallace avenue has not been heard from since. Inquiries have failed to reveal any trace of him and after a week's absence without word his family is becoming alarmed.

The young man is a freshman in Westminster College and is seventeen years of age. He was an apt student in high school here and since his entrance into Westminster College has been up in his classes. There has been no trouble at home or school and neither his family nor his teachers can ascribe any reason for his strange disappearance.

His father and mother are in New Wilmington today, endeavoring to get some lead that will result in locating him.

Mrs. T. G. Chappell Killed In Accident

Was Returning With Son To Home In Virginia From Visit In New Castle

Mrs. J. B. Fox, 307 South Ray street, received word Sunday of the death of her niece, Mrs. T. G. Park Chappell, of Dinwidde, Va., who was killed in an automobile accident, Saturday, near Bellefonte.

Mrs. Chappell and her son, R. G. Norris were on their way to Virginia, having just completed a two week visit with Mrs. Fox and other relatives here.

Mrs. Chappell was the daughter of Mr. and Mrs. Andrew Park, formerly of Mercer county, and this was her first trip back to New Castle and vicinity in forty-three years.

No details were received as to how the accident occurred, or of the funeral arrangements.

SATURDAY WAS ANNIVERSARY BLEVINS MURDER

Saturday evening was the anniversary of one of the most outstanding crimes that ever occurred in the city of New Castle. It was just thirty-three years on Saturday night, since John Blevins, city treasurer, was found murdered in his office, which was then located where the present office of the chief of police is located. The murder was never solved, although many theories prevailed at the time and continue on down to the present time as to who might have caused the death of Mr. Blevins.

Highway Chief To Undergo Operation

Division Superintendent H. W. Lightner of the Pennsylvania State Highway Department will undergo an operation in the St. Francis hospital at Pittsburgh early this week.

Mr. Lightner, who lives on East Wallace avenue, left to enter the hospital today.

Local Men Leave For Western Trip

A. J. Campbell And John Brisbane To Motor Thru Pacific Coast States

Departing on a four months' tour of sunny California and other western states, A. J. Campbell, Englewood avenue, retired hot mill foreman of the Shenango works of the American Sheet and Tin Plate Company, and John Brisbane, Boyles avenue, left here by automobile on Saturday. They will make their first stop at El Paso, Texas, enroute to the west.

Only last June Mr. Campbell completed 50 years' service at the tin plant. Since then he has been enjoying a deserved rest at his home.

Councilmen Approve Fire Hose Contract

Contract between the city and the Fabric Fire Hose company of New York today was approved by council and ordered executed by Director of public safety Davies when solons convened in the city building. An award was made by the former council.

The city will buy 1,000 feet of 2½ inch wax treated double jacket fire hose at a cost of $1.00 per foot, under the terms of the contract. The weight will be 64 pounds to each 50 foot section. The Elkshead type bought today is guaranteed under the provisions of the contract.

Peoples' Forum In First Assembly On Sunday Afternoon

Former Commissioner Shields Speaks To New Group; Gather Weekly

Close to 350 residents of the city attended the first meeting of the newly-formed Peoples' forum of New Castle in a west side garage room on Sunday afternoon and heard T. E. Shields, former county commissioner here, discuss "The U. S. Constitution".

An informal discussion in which the audience took part followed Mr. Shields' speech.

The group voted to meet regularly each Sunday afternoon. Next Sunday they will hear a speaker discuss "The Supreme Court".

Bible Education Classes Tomorrow Evening At Y. W.

One hundred and forty people are now enrolled in the Tuesday evening classes conducted weekly by the Rev. G. S. Bennett, pastor of the First Christian church, in the parlors of the Y. W. C. A.

The classes will continue tomorrow evening as usual. Principles of Jesus will be conducted at 7:45 and Hebrew history at 8:35.

Party At Y. W. C. A. For Polish Women Wednesday Night

All Polish women of the city, and women of the kindred languages, are given a cordial invitation to attend a party Wednesday evening at the Y. W. C. A. sponsored by the Polish department of the International Institute, of which Miss Josephine Sroczynska is head.

Permits City To Borrow Sufficient Funds To Pay Debts

Council today met in city hall and adopted an ordinance which provides for the making and incurring of a temporary loan or loans by the city to meet current expenses, the same to be paid out of general revenues raised by taxes levied for the present fiscal year, which started January 4.

Under the ordinance the city can borrow any part up to $100,000.

The money will be used to pay current bills until sufficient revenue from taxation flows into the city treasury.

Annually an ordinance of its character is introduced and adopted.

Travelers' Group Plans Night Event

Past Councillors' Affair Of U. C. T. Scheduled For Thursday

Anticipating one of the most elaborate and enjoyable Past Councillors' Night programs in years, members of the New Castle Council No. 408, United Commercial Travelers, today looked forward to Thursday evening's special program of the council in the Sons of Union Veterans hall, City building.

Past Councillors John W. Louer and Archie Gordon, who will direct the program that night, are busy working out the final plans for the affair.

There will be a specialty stunt performance, followed by a tasty lunch.

The Past Councillors' night is held annually with chosen past councillors in charge.

Class In Golf Is Starting Tonight At Local Y. W. C. A.

There are still a few vacancies in the class in golf which commences as a special feature at the Y. W. C. A. this evening. The class will be instructed in golf by Mrs. John E. Elliott from 7:15 to 8:15 and the fee is $3.50 for the 10 lessons to be conducted regularly during the next several months.

Bring your own driver (not a chauffeur, but a golf club) and your own indoor golf ball, beginners are informed.

Another thing to discourage the Democrats is the fear of inheriting the investigation of Bishop Cannon.

Chicago Chosen By Democrats As Convention City

Chicago Gets Grand Slam In Conventions With Both Major Parties

OFFERED $200,000 TO SWING MATTER

Democrats Will Open Convention On June 27, Republicans Start June 14

(International News Service)

WASHINGTON, Jan. 11. — The Democrats decided Saturday to hold their national convention in Chicago.

The Democratic decision made it a grand slam for Chicago in the way of convention honors, as the Republicans selected some weeks ago for their meeting.

The vote was Chicago 61; San Francisco 20; Kansas City 19; Atlantic City 4.

Date Is June 27

The date set for the convention was June 27, or 13 days after the Republican convention which will be opened on June 14.

Chicago won out only after the fiercest sort of a four-cornered struggle, during which it seemed at one time or another that the convention was headed for Atlantic City, Kansas City, and San Francisco.

Cost Is $200,000

The convention will cost the Chicagoans $200,000 or $50,000 more than they anticipated.

All four contestants started off with bids of $150,000 for the Democratic meeting. Atlantic City was the first to raise the ante to $200,000, and after the big resort's bid had stood unchallenged for some time Mayor Anton Cermak of Chicago, got on the long distance telephone and obtained pledges enough to boost Chicago's ante.

Incidentally, the decision to go to Chicago cost the followers of Franklin D. Roosevelt some prestige, for they were determined to send the convention to Kansas City. The Roosevelt supporters had boasted of their ability to control the national committee, but when the showdown came they were unable to do it.

The Roosevelt people were adverse to going either to Chicago or Atlantic City, for they do not count Mayor Cermak and his Cook county machine, nor Mayor Frank Hague of Jersey City, and his Jersey machine as being friendly to their cause. They declared for Kansas City and as a second choice San Francisco.

Big Gas Well Is Reported Drilled In Near Erie, Pa.

Scramble For Oil And Gas Leases Gets Under Day In Wake Of Gusher

(International News Service)

ERIE, Pa., Jan. 11.—A scramble for oil and gas leases got under way here today in the wake of the bringing in of a 750,000-cubic foot gas well on the Arthur Miles farm, several miles west of here, early yesterday.

The Netherland Gas and Fuel Company of Lancaster, O., developers of the new well, announced that drilling on a new location will get under way this week.

Throughout the section oil and gas promoters today sought likely spots for drilling, with prospects that several shafts would be started in a few weeks.

Traces of oil were found at the Miles well, experts said.

Uniontown Man Has Close Call

Train Demolishes Auto Of Man Who Never Had Accident In Seventeen Years

(International News Service)

UNIONTOWN, Pa., Jan. 11.—Seventeen years of motoring went by for C. W. Winthrop, 63, without his figuring in a major accident.

Today Winthrop was congratulating himself upon a narrow escape from death in the one sort of accident he had vowed would never occur to him—an automobile-train collision.

Winthrop's car stalled on a railroad crossing at Hogsetts Cut last night. A locomotive struck the car squarely, dragged it along the tracks, then hurled it over an embankment into a small creek.

Winthrop emerged from the crash with no more serious hurt than a ripped and muddied trousers seat. The car was virtually demolished.

Powers And His Attorney Confer

Attorney Ed Law Visits Harry S. Powers, Plan Appeal From Death Sentence

(International News Service)

MOUNDSVILLE, W. Va., Jan. 11.—Harry F. Powers, multi-murderer under sentence to hang for the slaying of Mrs. Doris Lemke, one of his five "mail order" victims, conferred with his attorney, J. Ed. Law, in the West Virginia penitentiary here Sunday, it was learned today.

Law refused to reveal the purpose of his visit, but it is believed it concerned plans for Powers' appeal from the death sentence.

Don't Pay

If This Fails To Knock Your Cold In a Few Hours

Feel Like a New Person Almost Before You Know It

HILL'S Cascara Quinine is GUARANTEED to knock a cold in a jiffy. To relieve the pain, to break up tightness. If it fails, you pay nothing.

This guarantee is made to prove to those who have tried fifty ways to lose a cold, that the surest way is to go back to first principles and use something that you KNOW does the work. Take two tablets now. Then follow directions on box. Drink lots of water too—that's all. You'll feel like a new person almost before you know it. Pain eased, congestion broken; your mind cleared and yourself ready to go back on the job with a wallop.

That's because Hill's is a scientific formula made to DO ONE THING WELL: to knock colds in a hurry—not to cure a score of different troubles.

Costs only a few cents at any drug store. Get package now. Your money back if fails. Try it—you'll be glad that you did.

Growing Deaf with Head Noises? Try This

If you are growing hard of hearing, and fear catarrhal deafness, or if you have roaring, rumbling, hissing noises in your ears, go to New Castle Drug, Eckerd's or your druggist and get 1 oz. of Parmint (double strength) and add to it ¼ pint of hot water and a little sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy, and the mucous stop dropping into the throat. It is easy to take. Anyone who is threatened with catarrhal deafness or head noises due to catarrh should give this prescription a trial.

Circulation At Library Grows

Biggest Circulation Gain In Recent Years Shown During 1931

During the year of 1931, book circulation at the New Castle free public library increased 31 per cent, or from 231,004 to 301,733 books, Miss Alice M. Sterling, librarian, disclosed today.

The library has shown a steady growth during the last ten years, sustaining a loss in but two out of these ten. Since 1927, when the library moved into its present quarters, the growth has been phenomenal, however.

The year of 1928 was also remarkable for its increase, 56,191 more books being issued than the preceding year.

The circulation since 1922 follows: In 1922 there were 89,977 books issued; 1923, the number was 96,849; 1924, the number was 95,532; 1925, the circulation was 83,218; 1926, it was 99,332; 1927, it was 115,023; 1928, it was 171,214; 1929, it was 199,889; 1930, it was 231,004, and in 1931, it was 301,733.

The same condition existed all over the country and is believed to be due to the fact that a great number of people were not working and had more leisure time.

In commenting on the condition, Ralph Munn, director of the Carnegie library at Pittsburgh, has the following to say:

Impartial observers say that with the exception of these agencies giving actual relief, the public libraries of the United States are perhaps our most important public institutions during times of business depress."

It is evident that the local library has been of material benefit to those who are not working, many having been enabled to increase their store of knowledge by reading proper books.

LOOKING BACK

IN NEW CASTLE

In concluding the discussion of the part that New Castle and Lawrence county men played in the Spanish American War, it is well to mention that there were local men in other organizations than those already named. Some few of these men saw service in the Philippines. Among these were James Robinson, who was a member of the Fourteenth Pennsylvania regiment; Attorney George Muse and City Detective C. G. Logan, members of the Tenth Pennsylvania Volunteer Infantry, and James B. Taylor, who went to the Philippines as a member of the Forty-Second U. S. V. I. and was later a lieutenant in the artillery corps, U. S. A. stationed in New York Harbor. Among those from New Castle, who served in the Fourth Heavy Artillery were Charles W. Johnson, James J. Dugan, W. E. Jones, James A. Miquel, Nathan C. Patton, Fred D. Reeher, William Watt, George E. Allard, John Graham, C. H. Lusk, Isa S. Rudolph, Martin E. Reno, Harry Cassady, R. B. Barrett, Robert McComb Kerr, H. G. Walker, O. E. VanHorn, Charles Black, Charles Watt, Charles O. Stevenson, J. W. McWilliams and Ed Neal.

Grove City Will Play Allegheny Tuesday Evening

Grove City College Team Faces Allegheny And Carnegie Tech This Week

GROVE CITY, Pa., Jan. 11.—With an even break two of the best teams in the district in the opening week of the schedule, Grove City's floor squad is ready for another strenuous week. Allegheny will be played at Meadville Tuesday evening, and on Saturday the clever Carnegie Tech club will appear in Grove City.

Coach Thorn is striving to keep the Grovers at top form for these games, after which the mid-term examinations will afford a breathing spell until January 30. The qaurtet of early January games offer the most difficult part of the Crimson schedule, and as Grove City lost by only two points to Duquesne and won from Westminster by a lone point, Coach Thorn is hopeful of keeping a 50-50 average for the first two weeks. He expects easier sailing in the latter part of the card, when the squad should be greatly improved.

Tuesday night's game with Allegheny will be a tough spot for the Grovers, in view of the Methodists' win over Geneva. As a preparation for this encounter, the Crimson mentor scheduled a long shooting drill today, for the Grovers have been woefully weak in this department. So far, injuries have not bothered the squad, and every man will be available for duty.

For the last two years, Grove City has divided victories with Allegheny, winning at Meadville and losing at Grove City. If Thorn can keep his boys on edge for the third hard game in ten days, he figures the club will have a chance Tuesday evening, although Coach Baker has his usual strong team which is made up entirely of veterans.

Training For Leaders Gets Underway Today

Regional Girl Scout Staff Member In City This Week To Conduct Classes

The first of a series of training classes for leaders of New Castle's Girl Scout troops got underway at 2 o'clock this afternoon, with Miss Jeanne Christy, a member of the regional Girl Scout staff, in charge.

A class in first class work was started this afternoon in the gymnasium of the Y. W. C. A.

Tonight Miss Christy will conduct a class in second class work at 7:30 in the First Christian church.

Beginning Tuesday, according to announcement today by the city director Miss Nance Pugh, the schedule of first and second class work will be reversed. That means that Miss Christy will conduct second class work at 2 o'clock in the Y. W. gym, and first class work at 7:30 p. m. at the First Christian church.

The afternoon and evening classes will meet every day this week ending Friday. They are for all Girl Scout leaders and it is important that all attend.

Leaders from Zellenople, Evans City and Youngstown will come for the evening training classes.

Miss Christy, who spent the week-end at her home in Pittsburgh, was in charge of similar classes at Beaver Falls last week.

Ensign Thomsen Is To Be Transferred

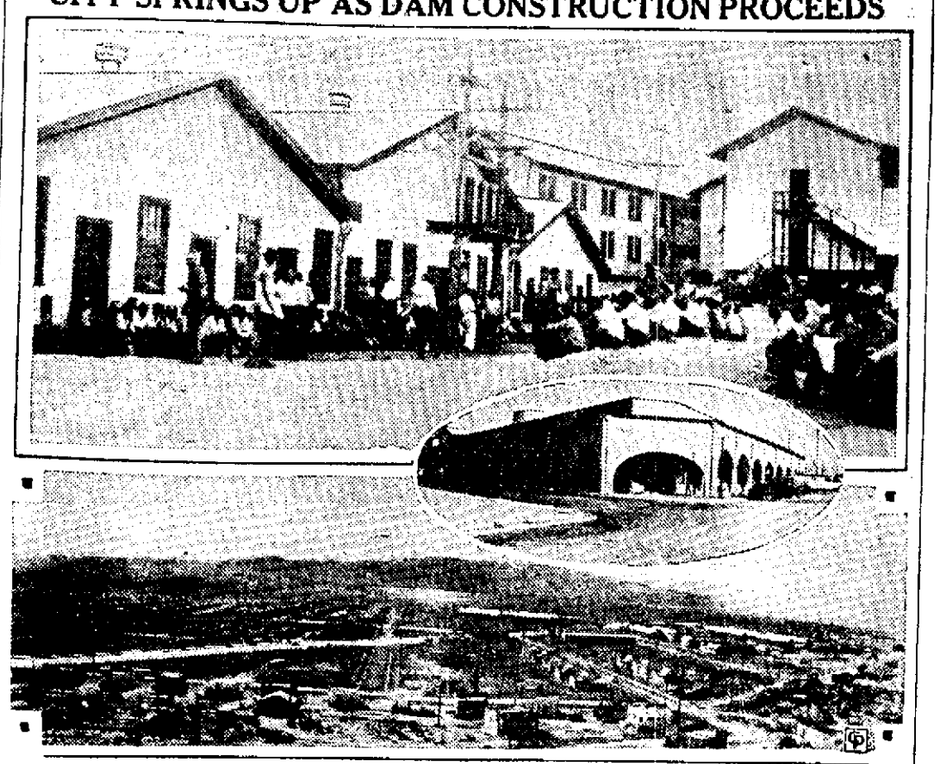
Orders Of Transfer Have Been Received And Will Be Effective Soon

At the Sunday services conducted at the Salvation Army Hall, 34 West Washington street, Rev. Abe Shaffer was the preacher and announcement was made by Ensign V. Thomsen, officer in charge, that he was in receipt of orders of transfer, which would be effective in the near future. Lieutenant-Colonel C. B. Campbell and Staff Captain John Stafford of Pittsburgh will be here Thursday for the completion of the details of the transfer.

Ensign and Mrs. V. Thomsen have conducted a very effective and excellent work in this city for the past two and a half years and have made many friends, who will regret to see them leave.

The transfer is necessitated by the condition of health of both Ensign and Mrs. Thomsen, due to the rigors of the energetic work carried on here by them and in the case of the latter, augmenting the conditions that followed the terrible injuries sustained in an automobile accident since coming to this city.

CITY SPRINGS UP AS DAM CONSTRUCTION PROCEEDS



Boulder City, on the site of the Hoover dam in Nevada, has become the overnight city of the nation with a population of 4,400 where but half a dozen men lived a year ago. With construction going on Boulder City now boasts up-to-date homes, streets, and a school attended by 228 children. Photos show, top, the mess hall at the dam where 5,000 meals are served daily; below, a panoramic view of the city, and inset, the railroad station where hundreds of men and their families arrive each week to augment the population of this one-project municipality.

Ahepa Induction Colorful Event

Throng Of 250 Attends Ceremony On Sunday; Canton Leader Here

When Past Supreme Secretary Andrew Nickas of Canton, O., installed the newly-elected officers of the New Castle Chapter, No. 87, Order of Ahepa, Sunday afternoon, nearly 250 Ahepans of New Castle and surrounding towns, together with their ladies, were present. The exercises took place in the Modern Woodmen of America hall, East Washington street.

Nickas officiated for Supreme Governor John D. Petrou, head of District 10, who was prevented from coming here by another engagement. He had at first accepted to act and then sent notice of his inability to come.

Take Up Duties

President Peter Askounes took over the leadership of the Ahepans here, with William Matsukas as vice president; John Borovilos as secretary, and James Passias as treasurer. Speer Marousis is the retiring president.

Others who became officers with yesterday's induction were: Members of the governing board: Speer Marousis, chairman; Nick Askounes, Peter Brown and J. H. Bassiliou; chaplain, William Lestas; warden, Tom Borovilos; captain of the guard, Nick Askounes; and sentinels, Harry Jennings and Mike Pekounes.

Guests were present to witness the impressive ceremony from Beaver Falls, Butler, and Canton, O. Others attended from New Castle.

After the induction came a short period of entertainment. A local orchestra entertained the guests and lunch was served by a committee composed of Tom Borovilos, Mike Pekoules and Gus Granitsas. Peter Brown, John Borovilos and David Pappas handled the program arrangements.

Plan To Dynamite River Levee And Save Much Land

Will Likely Dynamite Yalobusha River Levee In Mississippi, Today

(International News Service)

CLARKSBURG, Miss., Jan. 11.—Dynamiting of the Yalobusha River levee in Leflore county in an effort to relieve pressure on other dikes and avert failure of the entire levee system was planned today.

Blasting of the Yalobusha levee would flood Leflore county and send water surging into East Greenwood, second largest town in the Delta, but would save thousands of acres of valuable property elsewhere from inundation and probably avert a major disaster, Major W. K. Clements, of Greenwood said.

Only a small portion of Greenwood would be affected and the population of 12,000 would not be endangered by the relief move.

"Back To Farm" Movement Would End Depression

(International News Service)

PITTSBURGH, Pa., Jan. 11.—Declaring that the great charity drives have accomplished no real good toward ultimate ending of the depression, A. C. McConnell today suggested a "back to the farm" movement to revive "good times".

McConnell, a director of the department of employment of the Pittsburgh Association for the Improvement of the Poor, advocated the appropriation of $1,000,000,000 by the federal government to provide each farmer with funds to erect "tenant houses" on the farms "so that city families might return there and at least earn an existence".

Attempt Made To Destroy Stolen Auto With Fire

Two Other Cars Have Been Set On Fire In Same Place As This Car Was Found

Automobile of D. B. Reynolds of R. D. No. 3, was stolen Saturday from East street near North street, according to the report received by the police. It was found Sunday by Officers Thomas Lynch, John Moore and Campbell on the dump on what is known as the Byers farm and located on what might be termed an extension of West Clayton street. Evidence was found on the seat of the car of an attempt to destroy the machine by fire, but the fire had died out.

This is the third car that the police department has found in this same place in the course of the past several years, where the intention was to burn the machine. One of the attempts was successful, an Ohio license car being destroyed.

Slight Accidents Reported To Police

Albert Wolthers R. D. No. 8 reported to the police Saturday that he was enroute east on Edison avenue near Highland avenue, as Sarah Snipe of 129 Edison avenue, going north on Highland avenue turned west on Edison avenue and the machines came together. Some damage was done.

John S. Mottinger of Kerr street, R. D. No. 2, reported Saturday that he was parked on the P. & O. Bus Terminal and was pulling out, when his machine was in a collision with that bearing Pennsylvania license 51V12, which was enroute west on Washington street. Some damage was done.

WOMAN IN MIDNIGHT COURT SATURDAY

Midnight police court over the week end, consisting of two sessions were devoid of interest and action was taken by Mayor Charles B. Mayne in but one instance. Saturday night, the first woman to appear at a midnight session, was in attendance, having been arrested on a suspicion charge. She was ordered out of the city. There were no persons able to appear at the Sunday night session.

Senate Orders Hawaiian Probe

(International News Service)

WASHINGTON, Jan. 11.—The department of justice was ordered by the senate today to make an immediate investigation of conditions in Honolulu, where more than 40 white women have been assaulted in recent months, and where Mrs. Granville Fortescue and her son-in-law, Lieut. Thomas Massie, are now accused of killing a native who had assaulted Mrs. Massie.

The resolution of investigation was sponsored by Senator Bingham (R) of Connecticut, chairman of the senate committee on territorial and insular affairs. It was adopted by unanimous vote.

Young Man Held On Check Charge

(International News Service)

PITTSBURGH, Jan. 11.—C. R. Emidy, 23, who gave his address as Harrisonburg, Va., today was ordered held for court on a false pretense charge said to have grown out of passage of a $25 check.

Calling at the office of R. B. Townsend, treasurer of the Fidelity Title and Trust Company, Emidy is said to have represented himself as the son of a college classmate of Townsend. Explaining that he needed the money to get to Yale for examinations, the youth is alleged to have asked Townsend to cash the $25 check. Townsend readily consented but the check "bounced."

POCKETBOOKS ARE STOLEN SATURDAY

Reports was made to the police Saturday evening from the New Castle Dry Goods Company store, that pocketbooks belonging to Mrs. Smith and Mrs. Hamilton, employes of the store, had been stolen between 7:30 and 8:30 p. m. from the manager's desk, where they had been placed with others. The Smith pocketbook contained $10 in cash and other articles, while the Hamilton pocketbook contained $5 and other things of value to the owner.

Charity, like righteousness, is worth very little if you try to do your share all at once.

"I want to tell you — that red-blood cells are the very foundation of sturdy health" — worth knowing:

—let's pause a moment to give those vital red cells the consideration they deserve. They mean so much for better health and happiness.

If your blood count is low, why not take steps to overcome it—remembering that a "tired feeling" may be a warning . . . so are pimples, boils and paleness.

For generations S.S.S. as a tonic has been helping people gain New Strength, better health and happiness. Its successful record of over 100 years in restoring strength and vitality to the blood surely warrants your giving it a good trial.

S.S.S. Builds Sturdy Health

When HARD TIMES come a-knocking at the door

Whether or not, as some people think, times are harder today than they ever have been, we are sure of one thing:

There have been ten business depressions since A & P was founded in 1859; and with the rest of the country, A & P has come through all ten of them stronger and better. We believe we can do it again.

Our part, as we see it, is to keep on selling more food for less money—thus making it possible for more people to buy more food—in turn, keeping more food producers busy, and making more jobs all around.

And it works. For today, besides furnishing a steady market for many growers and producers, we are employing 5,763 more workers in our own company than we did in 1929, the most prosperous year this country has known.

Japan To Maintain "Open Door" Policy Toward Manchuria

By EDWARD HUNTER
International News Service Staff Correspondent
(Copyright, 1932, by International News Service.)

MUKDEN, Jan. 11.—Japan firmly intends to maintain the "open door" in Manchuria, Kenkichi Yoshisawa, newly appointed foreign minister in the Japanese cabinet, informed International News Service Saturday in repliy to the action of Secretary of State Stimson in invoking the nine-power pact.

Yoshisawa, formerly Japanese delegate to the League of Nations council, arrived here for a conference with General Shigeru Honjo, Japanese commandant, and a number of Japanese consuls in Manchuria before proceeding to Tokyo to take over his portfolio in the ministry of Premier Inukai.

Requires Study.

Referring to Secretary Stimson's action, Yoshisawa said that the question of Japan's "possible violation" of the treaty through her occupation of Manchuria "requires some little study in the technical field."

Yoshisawa emphatically disclaimed any intention on the part of Japan to set up a puppet government in Manchuria.

"Japan still considers Manchuria as part of China and not an independent country," he said. "Japan intends to maintain the open door in Manchuria."

Yoshisawa spoke highly of Secretary Stimson.

"I met Secretary Stimson in Paris some months ago," the Japanese minister said. "He is a very nice man."

In order to meet their new chief and discuss the Manchurian situation with him in detail, Japanese consuls came to Mukden from far and wide to be on hand when he arrived.

Quick and Safe Way to Stop It!
Whatever it is due to—cold, catarrh, dust irritations, or smoking—night coughing *can* and *should* be stopped. Nothing wears you out like a night of coughing for it deprives you of needed sleep.
Piso's is especially good for night coughing. It clings to your throat, and soothes the inflamed tissues better than a spray or gargle. This checks the cough spasm and opens the air passages. Because of its internal effect nothing stops a night cough as quickly and surely as Piso's. At the first sign of a cough keep a bottle of good old Piso's for Coughs at your bedside and enjoy a full night's sleep. Safe to give even to babies, contains no opiates and does not upset the stomach. All druggists sell Piso's.

ROCKNE SIX STARTLES AMERICA

Meets today's conditions with the finest cars ever offered in the low-priced field

THE ROCKNE SIX is sold at the lowest prices ever placed on six-cylinder automobiles in the history of this industry considering size, quality and standard equipment offered without extra charge.

It is not just one car but a line of cars—the "65" of 110-inch wheelbase and six body styles—the "75" of 114-inch wheelbase and five body styles.

The sensation of 1932

Both Rockne cars are the very last word in sound construction and full equipment. Both bring you, without extra charge, such supreme achievements as Free Wheeling with Full Synchronized Shift, New Switch-Key Starting and 4-Point Cushioned Power. Both leave the factory completely engineered with every other desired advancement of the day—glass-smooth electro plated pistons—quadruply counterweighted crankshafts—easy pressure, solid-gripping brakes—finger-tip steering—silent carburetion—self-adjusting spring shackles—hydraulic shock absorbers—to mention but a few.

With big dimensions and tremendous power, with daring new styling and superb construction, the Rockne Six is frankly the achievement of a manufacturer intent on producing the very finest cars ever offered in the price field where more than two-thirds of all cars are sold.

You must see to believe

To appreciate how advanced it is, how different it is, how superior in dollar value it is, you must see the Rockne Six in all its aerodynamic beauty. You must compare the Rockne Six part by part and feature by feature with competitively priced cars. You must *drive* the Rockne Six.

Above all, the Rockne Six has the sponsorship, and carries the dependable warranty of Studebaker, Builder of Champions and Pioneer of Free Wheeling—the world's oldest vehicle manufacturer—in business continually and successfully for 80 years!

How Early Tribes Used Modern Aids

Dr. Clendening Tells Of Primitive Methods Of Curing

By LOGAN CLENDENING, M. D.

Primitive tribes in some parts of the world long since anticipated the modern hygiene of infancy.

There are three Kashmuri cures for "trouble in the bones," according to Vaughn: "(1) A special clay called Baramulla earth, rich in calcium phosphate; (2) pills made of fish liver, and (3) rubbing with mustard oil and exposure to sunlight."

It is curious how closely this primitive tribe of people has come to the conclusions of the most modern scientific research on the prevention of such a disease of the bones as rickets. The Baramulla earth containing calcium furnished them extra material for the building of new bony tissue. The fish liver pills are comparable to the cod liver oil and our babies take as a regular part of their diet for the building of bone. And the sunlight is the regular method of preventing rickets which has become so popular during the last few years.

The mustard oil may even contain ergosterol, and when irradiated with the sun's rays becomes that extremely modern product—irradiated ergosterol or viosterol.

This should remind parents that sunlight is essential to healthy growth and development in very young children. In the winter there is always danger that there will not be a sufficient exposure to sunlight. It should be remembered that skyshine, as it is called, the light coming from a cloudy sky, has some value—calculated at about one-fourth the value of sunlight. It is better to be outdoors even for a little while even on a cloudy day than to be indoors. Unless special arrangements are made, sunlight does not reach us indoors, because the active rays of the sun do not pass through our ordinary window glass; special window glass, however, which does not cut out the ultra-violet rays can be obtained.

Sunlight produces chemical changes in our bodies. Its value consists in producing substances which contain Vitamin D. It may possibly produce other vitamins, according to recent research, but we are fairly certain it produces Vitamin D. This substance can be introduced into the body, however, even if exposure to sunlight is impossible. It can be obtained in cod liver oil, and in the relatively new product, viosterol. It is notable that people living in northern lands, where there is a long, dark winter, eat a great deal of caviare and other forms of fish oils.

This treatment is especially directed against the development of rickets. Rickets is a disease of infancy and, therefore, it is particularly the children under three who need sunshine or cod liver oil or both. Rickets always shows an increase in the spring—at the end of the dark winter days, when the accumulated effect of lack of sunshine makes itself known.

Rickets can be prevented, let me emphasize in conclusion, and should be prevented during the winter months. See that your baby has as much exposure to sunlight as possible; see that it has cod liver oil or viosterol daily in the diet.

DROWNS AFTER VAIN EFFORT TO SAVE SELF

KINGWOOD, W. Va., Jan. 11.—Clutching the frail limb of a willow tree in his death grasp Lott W. Maust, 70, of Bruceton Mills, W. Va., north of here, missing a week, went to his death in the mill dam near his home. Evidently he had been walking along the bank of the dam and fell in. He tried in vain to pull himself out by seizing a limb of a tree. His body was found floating in 10 feet of water. Among his survivors is a daughter, Mrs. Maude H igh of Pittsburgh.

Hi-Jackers In Pittsburgh Get Liquor Shipment

Hi-Jackers Hold-Up Two Men In Garage And Take Truck Loaded With Liquor

(International News Service)

PITTSBURGH, Pa., Jan. 11.—Hijackers today invaded a north side garage and, after holding the watchman at bay at guns' points, escaped with a two-ton automobile truckload of 150 cases of Canadian whiskey. The liquor had a current bootleg value of $20,000.

Five armed men participated in the holdup, according to Harry Mutterspaugh, 58, watchman at the garage. Describing the holdup to police, Mutterspaugh said he was talking to another man, John Cangellire, 31, when the hi-jackers entered. He added:

"While one covered us with his revolver, a second cut the telephone wires. The other three started the motor of the truck and drove it out of the garage. When the truck was driven into the street, the two men in the garage backed away and ordered us not to move for five minutes."

Both Mutterspaugh and Cangellire are being held by police on suspicious persons charges. Cangellire denied any connection with the garage. Mutterspaugh said the truck had been stored there early yesterday by two men whom he knew only as "Cy" and "Eddie".

They are cleaning some of the windows of Merton Chapel, Oxford, for the first time in 620 years. This news should be kept from janitors of our municipal buildings.—The Philadelphia Evening Bulletin.

Chicago Chosen By Democrats As Convention City

Chicago Gets Grand Slam In Conventions With Both Major Parties

OFFERED $200,000 TO SWING MATTER

Democrats Will Open Convention On June 27, Republicans Start June 14

(International News Service)

WASHINGTON, Jan. 11. — The Democrat decided Saturday to hold their national convention in Chicago.

The Democratic decision made it a grand slam for Chicago in the way of convention honors, as the Republicans selected some weeks ago for their meeting.

The vote was Chicago 61; San Francisco 20; Kansas City 19; Atlantic City 4.

Date Is June 27

The date set for the convention was June 27, or 13 days after the Republican convention which will be opened on June 14.

Chicago won out only after the fiercest sort of a four-cornered struggle, during which it seemed at one time or another that the convention was headed for Atlantic City, Kansas City, and San Francisco.

Cost Is $200,000

The convention will cost the Chicagoans $200,000 or $50,000 more than they anticipated.

All four contestants started off with bids of $150,000 for the Democratic meeting. Atlantic City was the first to raise the ante to $200,000, and after the big resort's bid had stood unchallenged for some time Mayor Anton Cermak of Chicago, got on the long distance telephone and obtained pledges enough to boost Chicago's ante.

Incidentally, the decision to go to Chicago cost the followers of Franklin D. Roosevelt some prestige, for they were determined to send the convention to Kansas City. The Roosevelt supporters had boasted of their ability to control the national committee, but when the showdown came they were unable to do it.

The Roosevelt people were adverse to going either to Chicago or Atlantic City, for they do not count Mayor Cermak and his Cook county machine, nor Mayor Frank Hague of Jersey City, and his Jersey machine as being friendly to their cause. They declared for Kansas City and as a second choice San Francisco.

Big Gas Well Is Reported Drilled In Near Erie, Pa.

Scramble For Oil And Gas Leases Gets Under Day In Wake Of Gusher

(International News Service)

ERIE, Pa., Jan. 11.—A scramble for oil and gas leases got under way here today in the wake of the bringing in of a 750,000-cubic foot gas well on the Arthur Miles farm, several miles west of here, early yesterday.

The Netherland Gas and Fuel Company of Lancaster, O., developers of the new well, announced that drilling on a new location will get under way this week.

Throughout the section oil and gas promoters today sought likely spots for drilling, with prospects that several shafts would be started in a few weeks.

Traces of oil were found at the Miles well, experts said.

Uniontown Man Has Close Call

Train Demolishes Auto Of Man Who Never Had Accident In Seventeen Years

(International News Service)

UNIONTOWN, Pa., Jan. 11.—Seventeen years of motoring went by for C. W. Winthrop, 63, without his figuring in a major accident.

Today Winthrop was congratulating himself upon a narrow escape from death in the one sort of accident he had vowed would never occur to him—an automobile-train collision.

Winthrop's car stalled on a railroad crossing at Hogsetts Cut last night. A locomotive struck the car squarely, dragged it along the tracks, then hurled it over an embankment into a small creek.

Winthrop emerged from the crash with no more serious hurt than a ripped and muddied trousers seat. The car was virtually demolished.

Powers And His Attorney Confer

Attorney Ed Law Visits Harry S. Powers, Plan Appeal From Death Sentence

(International News Service)

MOUNDSVILLE, W. Va., Jan. 11.—Harry F. Powers, multi-murderer under sentence to hang for the slaying of Mrs. Doris Lemke, one of his five "mail order" victims, conferred with his attorney, J. Ed. Law, in the West Virginia penitentiary here Sunday, it was learned today.

Law refused to reveal the purpose of his visit, but it is believed it concerned plans for Powers' appeal from the death sentence.

Growing Deaf with Head Noises? Try This

If you are growing hard of hearing, and fear catarrhal deafness, or if you have roaring, rumbling, hissing noises in your ears, go to New Castle Drug, Eckerd's or your druggist and get 1 oz. of Parmint (double strength) and add to it ¾ pint of hot water and a little sugar. Take 1 tablespoonful four times a day.

This will often bring quick relief from the distressing head noises. Clogged nostrils should open, breathing become easy, and the mucous stop dropping into the throat. It is easy to take. Anyone who is threatened with catarrhal deafness or head noises due to catarrh should give this prescription a trial.

If This Fails To Knock Your Cold In a Few Hours

Feel Like a New Person Almost Before You Know It

HILL'S Cascara Quinine is GUARANTEED to knock a cold in a jiffy. To relieve the pain, to break up tightness. If it fails, you pay nothing.

This guarantee is made to prove to those who have tried fifty ways to lose a cold, that the surest way is to go back to first principles and use something that you KNOW does the work. Take two tablets now. Then follow directions on box. Drink lots of water too—that's all. You'll feel like a new person almost before you know it. Pain eased, congestion broken; your mind cleared and yourself ready to go back on the job with a wallop.

That's because Hill's is a scientific formula made to DO ONE THING WELL: to knock colds in a hurry—not to cure a score of different troubles.

Costs only a few cents at any drug store. Get package now. Your money back if fails. Try it—you'll be glad that you did.

Circulation At Library Grows

Biggest Circulation Gain In Recent Years Shown During 1931

During the year of 1931, book circulation at the New Castle free public library increased 31 per cent, or from 231,004 to 301,733 books, Miss Alice M. Sterling, librarian, disclosed today.

The library has shown a steady growth during the last ten years, sustaining a loss in but two out of these ten. Since 1927, when the library moved into its present quarters, the growth has been phenomenal, however.

The year of 1928 was also remarkable for its increase, 56,191 more books being issued than the preceding year.

The circulation since 1922 follows: In 1922 there were 89,977 books issued; 1923, the number was 96,849; 1924, the number was 95,532; 1925, the circulation was 83,218; 1926, it was 99,332; 1927, it was 115,023; 1928, it was 171,214; 1929, it was 199,889; 1930, it was 231,004, and in 1931, it was 301,733.

The same condition existed all over the country and is believed to be due to the fact that a great number of people were not working and had more leisure time.

In commenting on the condition, Ralph Munn, director of the Carnegie library at Pittsburgh, has the following to say:

Impartial observers say that with the exception of these agencies giving actual relief, the public libraries of the United States are perhaps our most important public institutions during times of business depress."

It is evident that the local library has been of material benefit to those who are not working, many having been enabled to increase their store of knowledge by reading proper books.

LOOKING BACK

IN NEW CASTLE

In concluding the discussion of the part that New Castle and Lawrence county men played in the Spanish American War, it is well to mention that there were local men in other organizations than those already named. Some few of these men saw service in the Philippines. Among these were James Robinson, who was a member of the Fourteenth Pennsylvania regiment; Attorney George Muse and City Detective C. G. Logan, members of the Tenth Pennsylvania Volunteer Infantry, and James B. Taylor, who went to the Philippines as a member of the Forty-Second U. S. V. I. and was later a lieutenant in the artillery corps, U. S. A. stationed in New York Harbor. Among those from New Castle, who served in the Fourth Heavy Artillery were Charles W. Johnson, James J. Dugan, W. E. Jones, James A. Miquel, Nathan C. Patton, Fred D. Reeher, William Watt, George E. Allard, John Graham, C. H. Lusk, Isa S. Rudolph, Martin E. Reno, Harry Cassady, R. B. Barrett, Robert McComb Kerr, H. G. Walker, O. E. VanHorn, Charles Black, Charles Watt, Charles O. Stevenson, J. W. McWilliams and Ed Neal.

Grove City Will Play Allegheny Tuesday Evening

Grove City College Team Faces Allegheny And Carnegie Tech This Week

GROVE CITY, Pa., Jan. 11.—With an even break two of the best teams in the district in the opening week of the schedule, Grove City's floor squad is ready for another strenuous week. Allegheny will be played at Meadville Tuesday evening, and on Saturday the clever Carnegie Tech club will appear in Grove City.

Coach Thorn is striving to keep the Grovers at top form for these games, after which the mid-term examinations will afford a breathing spell until January 30. The quartet of early January games offer the most difficult part of the Crimson schedule, and as Grove City lost by only two points to Duquesne and won from Westminster by a lone point, Coach Thorn is hopeful of keeping a 50-50 average tor the first two weeks. He expects easier sailing in the latter part of the card, when the squad should be greatly improved.

Tuesday night's game with Allegheny will be a tough spot for the Grovers, in view of the Methodists' win over Geneva. As a preparation for this encounter, the Crimson mentor scheduled a long shooting drill today, for the Grovers have been woefully weak in this department. So far, injuries have not bothered the squad, and every man will be available for duty.

For the last two years, Grove City has divided victories with Allegheny, winning at Meadville and losing at Grove City. If Thorn can keep his boys on edge for the third hard game in ten days, he figures the club will have a chance Tuesday evening, although Coach Baker has his usual strong team which is made up entirely of veterans.

STROUSS-HIRSHBERG'S

THE PARENT PROBLEM

Woman Loses Her Patience With Youth

Mother Asks Help In Breaking Boy Of Tiresome Habit

By GARRY C. MYERS, PH. D.
Head Division Parental Education, Cleveland College, Western Reserve University

Writes a mother:

"Dear Dr. Myers: I have long been a reader of your articles. I have received much help from them in the rearing of my 10-year-old son. If I had had access to such material when my children were infants I might not now be writing you.

"This morning after breakfast I lost patience with my 21-year-old son! After the boy and his father had gone to the office I read your article on Charity of parents toward their adolescent children. Can you offer me any advice for my problem?

"This, our oldest son, has formed a habit of snuffing, which has continued for two years. Sometimes he seems to control it better than at others.

"Following a cold I have counted the frequency of these snuffs and they occur about every 20 seconds. This boy since early childhood has been troubled with nervous, facial twitchings, such as twisting his nose or stretching his eyes. These were annoying, but we tried to look upon them as childish habits to be outgrown. Our efforts at checking them were entirely wrong, as we pled with him not to do it, as in the case of biting his nails.

"Physically, he has always appeared to be a perfect specimen, and above the average mentally—an honor student in school, and a very affable, sweet-tempered youngster always. Twitching of the nose and biting of the nails continued throughout high school. The last few years he has left off the nail biting and only occasionally makes a facial grimace; but the snuffing habit which has developed seems worse than the others."

And then she goes on at length describing how she is almost nauseated by this habit, how she has tried to persuade him to seek medical advice. It is really a pathetic account.

* * *

Answer: I can sympathize with you, for I know that you have grown very anxious and disturbed about your son. Please do not condemn yourself for having scolded him in earlier years for his habit spasms; you thought you were doing the best; if you had it to do over you would have tken him to a nerve specialist. The thing now to do is to interpret the snuffings as just the same kind of a nervous manifestation as was the facial twitching. Persuade him to go to a nose and throat specialist first.

Then, if the habit continues, and it probably will, to a nerve specialist. Please do not suggest medical aid as a condemnation nor as a means of your personal relief.

* * *

Since you are a loving parent, it is not your comfort you are seeking, but his relief from the awful suffering he now must endure. Please, mother, never again suggest to him to stay away from company; urge him to go and have as good a time as possible. He is already very self-conscious. The more he mixes the more social courage and self-regard he will gain, and the more, therefore he will be able to correct the habit:

Try to school yourself to enjoy his company, engaging him in conversation, making him feel that he is worthy and is loved in deed as well as in words. The biggest problem is yourself: harder to correct your habit of annoying him than for him to correct his snuffing; when yours is corrected, his may have disappeared. It will be a glorious victory for all when you succeed; and what a difference for your happiness and his.

Three End Lives In Fayette County

One Woman Shoots Herself And Another Is Strangled

UNIONTOWN, Pa., Jan. 11.—Two Fayette county women and a man committed suicide within 24 hours. While her children played in a downstairs room, Mrs. Helen Leone, 28, of Upper Middletown, went to her bedroom on the second floor and sent a bullet into her brain.

Mrs. Cecelia Giovannelli, 39, of Star Junction, hanged herself with her head and feet on the same level. She used a set of harness. From indications Mrs. Giovannelli, after strapping the harness tightly around her neck, with one end thrown over rafters, climbed to a three-foot partition between the stalls of the stable and threw herself backwards. Her legs remained on the partition and her head swung into the open space of the stall, causing strangulation.

No motive has as yet been assigned to the suicide of R. J. Richey, 43, who shot himself in the head at his home in South Brownsville.

FARRELL, Pa., Jan. 11.—City council, in its budget for 1932, has appropriated $40,000 which will be expended on public improvements, to be started at once for the relief of the city's unemployed. The first group of men will start work tomorrow under the direction of Engineer Harry Cole and Councilman Harry Gerber, head of the department of streets and public improvements. The rate of pay has been fixed at [illegible] cents an hour for a nine-hour day.

A plan for better "Control-of-Colds" *perfected by* VICKS

. . . Further reduces the Family "Colds-Tax" in Money, Lost Time and Health

The makers of Vicks VapoRub have perfected a plan for better "Control-of-Colds" in the home. The Plan is made possible by the new Vicks Nose & Throat Drops. Based on a new idea in *preventing* colds, this new preparation is a companion product to Vicks VapoRub, the modern, external way of *treating* colds. The two aid and supplement each other.

HERE, BRIEFLY, IS THE VICK PLAN:

1: BEFORE *a Cold Starts*—

At that first sneezy, scratchy irritation of the nose or upper throat—Nature's warning that you are "catching cold"—use Vicks Nose Drops promptly as directed. If you catch cold easily, use a few Nose Drops up each nostril after exposure to any particular condition that you know is apt to give you a cold—for instance, a night on a Pullman—a dusty automobile ride—sudden changes, wet or cold—after over-smoking—dry, over-heated rooms—indoor crowds—etc., etc.—and you feel the slightest stuffiness of the nasal passages.

2. AFTER *a Cold Starts*—

At night, massage the throat and chest well with Vicks VapoRub. Spread on thick and cover with warm flannel. Leave the bed-clothing loose around the neck so that the medicated vapors arising can be inhaled all night long. During the day—any time, any place—use Vicks Drops as needed for ease and comfort. (If there is a cough, you will like the new Vicks Cough Drops—actually medicated with ingredients of Vicks VapoRub.) This gives you full 24-hour treatment and without the risks of too much internal "dosing."

TRIAL Offer by Local Druggists

You have Vicks VapoRub—now get Vicks Nose Drops and use together as directed in the Vick Plan for better "Control-of-Colds"—to reduce their number and severity. Unless you are delighted with results, your druggist is

Japan To Maintain "Open Door" Policy Toward Manchuria

By EDWARD HUNTER
International News Service Staff Correspondent
(Copyright, 1932, by International News Service.)

MUKDEN, Jan. 11.—Japan firmly intends to maintain the "open door" in Manchuria, Kenkichi Yoshisawa, newly appointed foreign minister in the Japanese cabinet, informed International News Service Saturday in reply to the action of Secretary of State Stimson in invoking the nine-power pact.

Yoshisawa, formerly Japanese delegate to the League of Nations council, arrived here for a conference with General Shigeru Honjo, Japanese commandant, and a number of Japanese consuls in Manchuria before proceeding to Tokyo to take over his portfolio in the ministry of Premier Inukai.

Requires Study.

Referring to Secretary Stimson's action, Yoshisawa said that the question of Japan's "possible violation" of the treaty through her occupation of Manchuria "requires some little study in the technical field."

Yoshisawa emphatically disclaimed any intention on the part of Japan to set up a puppet government in Manchuria.

"Japan still considers Manchuria as part of China and not an independent country," he said. "Japan intends to maintain the open door in Manchuria."

Yoshisawa spoke highly of Secretary Stimson.

"I met Secretary Stimson in Paris some months ago," the Japanese minister said. "He is a very nice man."

In order to meet their new chief and discuss the Manchurian situation with him in detail, Japanese consuls came to Mukden from far and wide to be on hand when he arrived.

Night Coughing
Quick and Safe Way to Stop It!
Whatever it is due to—cold, catarrh, dust irritations, or smoking—night coughing *can* and *should* be stopped. Nothing wears you out like a night of coughing for it deprives you of needed sleep.
Piso's is especially good for night coughing. It clings to your throat, and soothes the inflamed tissues better than a spray or gargle. This checks the cough spasm and opens the air passages. Because of its internal effect nothing stops a night cough as quickly and surely as Piso's. At the first sign of a cough keep a bottle of good old Piso's for Coughs at your bedside and enjoy a full night's sleep. Safe to give even to babies, contains no opiates and does not upset the stomach. All druggists sell Piso's.

ROCKNE SIX STARTLES AMERICA
Meets today's conditions with the finest cars ever offered in the low-priced field

THE ROCKNE SIX is sold at the lowest prices ever placed on six-cylinder automobiles in the history of this industry considering size, quality and standard equipment offered without extra charge.

It is not just one car but a line of cars—the "65" of 110-inch wheelbase and six body styles—the "75" of 114-inch wheelbase and five body styles.

The sensation of 1932

Both Rockne cars are the very last word in sound construction and full equipment. Both bring you, without extra charge, such supreme achievements as Free Wheeling with Full Synchronized Shift, New Switch-Key Starting and 4-Point Cushioned Power. Both leave the factory completely engineered with every other desired advancement of the day—glass-smooth electro plated pistons—quadruply counterweighted crankshafts—easy pressure, solid-gripping brakes—finger-tip steering—silent carburetion—self-adjusting spring shackles—hydraulic shock absorbers—to mention but a few.

With big dimensions and tremendous power, with daring new styling and superb construction, the Rockne Six is frankly the achievement of a manufacturer intent on producing the very finest cars ever offered in the price field where more than two-thirds of all cars are sold.

You must see to believe

To appreciate how advanced it is, how different it is, how superior in dollar value it is, you must see the Rockne Six in all its aerodynamic beauty. You must compare the Rockne Six part by part and feature by feature with competitively priced cars. You must *drive* the Rockne Six.

Above all, the Rockne Six has the sponsorship, and carries the dependable warranty of Studebaker, Builder of Champions and Pioneer of Free Wheeling—the world's oldest vehicle manufacturer—in business continually and successfully for 80 years!

How Early Tribes Used Modern Aids

Dr. Clendening Tells Of Primitive Methods Of Curing

By LOGAN CLENDENING, M. D.

Primitive tribes in some parts of the world long since anticipated the modern hygiene of infancy.

There are three Kashmuri cures for "trouble in the bones," according to Vaughn: "(1) A special clay called Baramulla earth, rich in calcium phosphate; (2) pills made of fish liver, and (3) rubbing with mustard oil and exposure to sunlight."

It is curious how closely this primitive tribe of people has come to the conclusions of the most modern scientific research on the prevention of such a disease of the bones as rickets. The Baramulla earth containing calcium furnished them extra material for the building of new bony tissue. The fish liver pills are comparable to the cod liver oil and our babies take as a regular part of their diet for the building of bone. And the sunlight is the regular method of preventing rickets which has become so popular during the last few years.

The mustard oil may even contain ergosterol, and when irradiated with the sun's rays becomes that extremely modern product—irradiated ergosterol or viosterol.

This should remind parents that sunlight is essential to healthy growth and development in very young children. In the winter there is always danger that there will not be a sufficient exposure to sunlight. It should be remembered that skyshine, as it is called, the light coming from a cloudy sky, has some value—calculated at about one-fourth the value of sunlight. It is better to be outdoors even for a little while even on a cloudy day than to be indoors. Unless special arrangements are made, sunlight does not reach us indoors, because the active rays of the sun do not pass through our ordinary window glass; special window glass, however, which does not cut out the ultra-violet rays can be obtained.

Sunlight produces chemical changes in our bodies. Its value consists in producing substances which contain Vitamin D. It may possibly produce other vitamins, according to recent research, but we are fairly certain it produces Vitamin D. This substance can be introduced into the body, however, even if exposure to sunlight is impossible. It can be obtained in cod liver oil, and in the relatively new product, viosterol. It is notable that people living in northern lands, where there is a long, dark winter, eat a great deal of caviare and other forms of fish oils.

This treatment is especially directed against the development of rickets. Rickets is a disease of infancy and, therefore, it is particularly the children under three who need sunshine or cod liver oil or both. Rickets always shows an increase in the spring—at the end of the dark winter days, when the accumulated effect of lack of sunshine makes itself known.

Rickets can be prevented, let me emphasize in conclusion, and should be prevented during the winter months. See that your baby has as much exposure to sunlight as possible; see that it has cod liver oil or viosterol daily in the diet.

EDITOR'S NOTE: Six pamphlets by Dr. Clendening can now be obtained by sending 10 cents in coin, for each, and a self-addressed, stamped envelope, to Dr. Logan Clendening, in care of this paper, or Central Press Association, 1435 East Twelfth street, Cleveland, O. The pamphlets are; "Indigestion and Constipation," "Reducing and Gaining," "Infant Feeding," "Instructions for the Treatment of Diabetes," "Feminine Hygiene" and "The Care of the Hair and Skin."

DROWNS AFTER VAIN EFFORT TO SAVE SELF

KINGWOOD, W. Va., Jan. 11.—Clutching the frail limb of a willow tree in his death grasp Lott W. Maust, 70, of Bruceton Mills, W. Va., north of here, missing a week, went to his death in the mill dam near his home. Evidently he had been walking along the bank of the dam and fell in. He tried in vain to pull himself out by seizing a limb of a tree. His body was found floating in 10 feet of water. Among his survivors is a daughter, Mrs. Maude High of Pittsburgh.

The bridge contest is almost over, including the shouting.—The New York Sun.

Old Sores Can Be Healed!
For over 30 years the mighty healing and soothing power of Peterson's Ointment has quickly ended old sores of long standing—has brought instant comfort to folks suffering with piles, itching skin and burns—has banished the worst pimples and Eczema in just a few days.
And one 35 cent box of Peterson's Ointment at any drug store proves it—even one application convinces you've at last discovered a wonder-working Ointment which won't fail to give the results you want.
Mrs. Fay Korenchuk of Chicago, Ill., writes: "I am 24 years old and had a running sore over my ankle for over 10 years. I tried treatments and salves but failed to heal it. Then I got a box of Peterson's Ointment and in 5 days' time it was healing and very shortly the sore disappeared."

Hi-Jackers In Pittsburgh Get Liquor Shipment

Hi-Jackers Hold-Up Two Men In Garage And Take Truck Loaded With Liquor

(International News Service)

PITTSBURGH, Pa., Jan. 11.—Hijackers today invaded a north side garage and, after holding the watchman at bay at guns' points, escaped with a two-ton automobile truckload of 150 cases of Canadian whiskey. The liquor had a current bootleg value of $20,000.

Five armed men participated in the holdup, according to Harry Mutterspaugh, 58, watchman at the garage. Describing the holdup to police, Mutterspaugh said he was talking to another man, John Cangellire, 31, when the hi-jackers entered. He added:

"While one covered us with his revolver, a second cut the telephone wires. The other three started the motor of the truck and drove it out of the garage. When the truck was driven into the street, the two men in the garage backed away and ordered us not to move for five minutes."

Both Mutterspaugh and Cangellire are being held by police on suspicious persons charges. Cangellire denied any connection with the garage. Mutterspaugh said the truck had been stored there early yesterday by two men whom he knew only as "Cy" and "Eddie"

Hoover Credit Measure Will Get Approval

Major Stabilization Bill Is Being Debated By Congress Branches

ENACTMENT SEEN BY END OF WEEK

By WILLIAM K. HUTCHINSON
International News Service Staff Correspondent

WASHINGTON, Jan. 11.—President Hoover's major proposal for stabilizing American business—the creation of a $2,000,000,000 federal credit corporation for releasing frozen credits—was debated at both ends of the Capitol today, with the Senate proceeding under an agreement requiring a vote on its passage before adjournment tonight.

Enactment Certain

Enactment of the bill was certain. The House will pass it wednesday and it will be sent to the White House by the week end for the president's signature. Administration leaders declare its enactment will halt bank failures, stimulate business, release frozen credits and tend to revive prosperity.

While the credit bill was debated in both House and Senate, committee labored vigorously in drafting other legislation. The new tariff bill, just passed by the House, was before the Senate finance committee. A host of subjects occupied other committees.

Has Right of Way

The credit bill had the right of way in both branches. In its present form, it would authorize federal loans to banks, trust companies, railroads, insurance companies, agricultural and livestock credit corporations and (in the Senate only) to state governments. One provision would even permit loans to closed banks, if conditions indicate the banks can regain solvency.

The proposed credit corporation would be financed by the government, first by putting up $500,000,000 capital and then by the treasury guaranteeing a $1,500,000,000 bond issue. The bonds would be exempt from all taxes, except federal estate and inheritance taxes.

Two other administration measures were ready for Senate action. One would provide $125,000,000 additional capital for federal land banks. It already has passed the House. The other would put up $200,000,000 to pay despositors in closed banks.

Youths Confess To Robbing Proprietor Of Roadhouse Near Lewistown

(International News Service)

LEWISTOWN, Pa., Jan. 11.—How a 15-year-old boy dressed as a girl when he and a companion aged 16 allegedly held up and robbed the Beaver Creek Inn is being told by State Police here.

Paul Walter, the youthful bandit, signed a confession admitting his part in the holdup. Winfield Casner, 16, was named by police as his "pal."

According to police, Walter was dressed as a girl when the two robbed the proprietor of the inn. Casner had his coat turned inside out. Both were masked.

At the time they were taken into custody, Walter was carrying a .32 calibre revolver and Casner was said to have had a .22 rifle.

NEARLY 2,500 AT PITTSBURGH FOR CARRIERS' MEET

New Castle Office Group Hears Congressman And Sees Induction

New Castle letter carriers to the number of 32 heard Congressman Clyde Kelly, of Braddock, renew his pledge to fight against the Rich bill which would bring about a reduction in the pay of postal and other federal employes, chiefly because he is firmly opposed to pay slashes both in government and industry, at a postmen's meet in Pittsburgh on Saturday night.

The congressman recently led the bitter fight against the bill in Congress, at which time the Pennsylvania delegation of Republicans in the House voted to oppose it.

Speaks To 2,500

When Congressman Kelly spoke, an audience of approximately 2,500 other letter carriers from Pittsburgh and towns all over western Pennsylvania was present in the South Side high school auditorium to hear him. Sharon, Greenville, Oil City and a host of towns had delegations there.

The New Castle party traveled in a special bus of the Pennsylvania Power company. Several clerks and other postal employes from here made the trip in private cars.

Congressmen Harry Estep and Samuel A. Kendall, leaders of postal legislation along with Mr. Kelly, were unable to fulfill their speaking engagements before the gathering because of unforeseen developments. Both had been expected.

The program of the evening marked the annual installation of new officers for the Clyde Kelly Branch No. 84, National Federation of Letter Carriers. The installing officer was G. W. Haines, Allentown postman, one of the principal speakers.

Featuring the affair was a round of vaudeville entertainment.

Members of the New Castle branch who directed the bus trip arrangements were Carl Weide, chairman; Mont Forney, John R. Wilson and Walter Leslie.

Philadelphia School Board Is Under Fire

Extravagance Charged By Taxpayers' Association Of State's Metropolis

(International News Service)

PHILADELPHIA, Jan. 11.—Criticism of the Philadelphia board of education for its "extravagance and outlandish expenditures" recently was presented by John J. McDevitt, president of the Taxpayers' association of the city, before a meeting of the Rotary club.

McDevitt charged the board's operating costs had mounted six-fold in the past decade and cited the fact that the board will obtain about $50,000,000 in taxes this year, about one half the amount of taxes the city will collect.

Criticism also was heaped on politics for the present plight of Philadelphia's city treasury. "Thousands of political workers receive jobs in return for their services during election campaigns," E. Lewis Burnham, chairman of the bureau of municipal research, told students at the Montgomery school, Lower Merion township, recently.

TEACHERS WILLING TO ACCEPT PAY CUT

UNIONTOWN, Pa., Jan. 11.—Members of the Uniontown school board have not reached a decision as to whether they will accept the offer of the city school teachers to accept a 20 per cent cut in salary rather than close the schools on account of the lack of finances. The school board asked the teachers to consent to a reduction of 25 per cent in salaries during the remainder of the season. Instead the teachers' organization consented to a 20 per cent slash with the proviso that all salaries be paid within 10 days of the regular date set for mailing out checks. The teachers have not received their checks for the last half of December.

THE PARENT PROBLEM

Woman Loses Her Patience With Youth

Mother Asks Help In Breaking Boy Of Tiresome Habit

By GARRY C. MYERS, PH. D.
Head Division Parental Education, Cleveland College, Western Reserve University

Writes a mother:

"Dear Dr. Myers: I have long been a reader of your articles. I have received much help from them in the rearing of my 10-year-old son. If I had had access to such material when my children were infants I might not now be writing you.

"This morning after breakfast I lost patience with my 21-year-old son! After the boy and his father had gone to the office I read your article on Charity of parents toward their adolescent children. Can you offer me any advice for my problem?

"This, our oldest son, has formed a habit of snuffing, which has continued for two years. Sometimes he seems to control it better than at others.

"Following a cold I have counted the frequency of these snuffs and they occur about every 20 seconds. This boy since early childhood has been troubled with nervous, facial twitchings, such as twisting his nose or stretching his eyes. These were annoying, but we tried to look upon them as childish habits to be outgrown. Our efforts at checking them were entirely wrong, as we pled with him not to do it, as in the case of biting his nails.

"Physically, he has always appeared to be a perfect specimen, and above the average mentally—an honor student in school, and a very affable, sweet-tempered youngster always. Twitching of the nose and biting of the nails continued throughout high school. The last few years he has left off the nail biting and only occasionally makes a facial grimace; but the snuffing habit which has developed seems worse than the others."

And then she goes on at length describing how she is almost nauseated by this habit, how she has urged him not to go out in company until it is corrected, and how she has tried to persuade him to seek medical advice. It is really a pathetic account.

* * *

Answer: I can sympathize with you, for I know that you have grown very anxious and disturbed about your son. Please do not condemn yourself for having scolded him in earlier years for his habit spasms; you thought you were doing the best; if you had it to do over you would have tken him to a nerve specialist. The thing now to do is to interpret the snuffings as just the same kind of a nervous manifestation as was the facial twitching. Persuade him to go to a nose and throat specialist first.

Then, if the habit continues, and it probably will, to a nerve specialist. Please do not suggest medical aid as a condemnation nor as a means of your personal relief.

* * *

Since you are a loving parent, it is not your comfort you are seeking, but his relief from the awful suffering he now must endure. Please, mother, never again suggest to him to stay away from company; urge him to go and have as good a time as possible. He is already very self-conscious. The more he mixes the more social courage and self-regard he will gain, and the more, therefore he will be able to correct the habit:

Try to school yourself to enjoy his company, engaging him in conversation, making him feel that he is worthy and is loved in deed as well as in words. The biggest problem is yourself: harder to correct your habit of annoying him than for him to correct his snuffing; when yours is corrected, his may have disappeared. It will be a glorious victory for all when you succeed; and what a difference for your happiness and his.

Three End Lives In Fayette County

One Woman Shoots Herself And Another Is Strangled

UNIONTOWN, Pa., Jan. 11.—Two Fayette county women and a man committed suicide within 24 hours. While her children played in a downstairs room, Mrs. Helen Leone, 28, of Upper Middletown, went to her bedroom on the second floor and sent a bullet into her brain.

Mrs. Cecelia Giovannelli, 39, of Star Junction, hanged herself with her head and feet on the same level. She used a set of harness. From indications Mrs. Giovannelli, after strapping the harness tightly around her neck, with one end thrown over rafters, climbed to a three-foot partition between the stalls of the stable and threw herself backwards. Her legs remained on the partition and her head swung into the open space of the stall, causing strangulation.

No motive has as yet been assigned to the suicide of R. J. Richey, 43, who shot himself in the head at his home in South Brownsville.

A plan for better "Control-of-Colds"

perfected by VICKS

. . . Further reduces the Family "Colds-Tax" in Money, Lost Time and Health

The makers of Vicks VapoRub have perfected a plan for better "Control-of-Colds" in the home. The Plan is made possible by the new Vicks Nose & Throat Drops. Based on a new idea in *preventing* colds, this new preparation is a companion product to Vicks VapoRub, the modern, external way of *treating* colds. The two aid and supplement each other.

HERE, BRIEFLY, IS THE VICK PLAN:

1: BEFORE *a Cold Starts*—

At that first sneezy, scratchy irritation of the nose or upper throat—Nature's warning that you are "catching cold"—use Vicks Nose Drops promptly as directed. If you catch cold easily, use a few Nose Drops up each nostril after exposure to any particular condition that you know is apt to give you a cold—for instance, a night on a Pullman—a dusty automobile ride—sudden changes, wet or cold—after over-smoking—dry, over-heated rooms—indoor crowds—etc., etc.—and you feel the slightest stuffiness of the nasal passages.

2. AFTER *a Cold Starts*—

At night, massage the throat and chest well with Vicks VapoRub. Spread on thick and cover with warm flannel. Leave the bed-clothing loose around the neck so that the medicated vapors arising can be inhaled all night long. During the day—any time, any place—use Vicks Drops as needed for ease and comfort. (If there is a cough, you will like the new Vicks Cough Drops—actually medicated with ingredients of Vicks VapoRub.) This gives you full 24-hour treatment and without the risks of too much internal "dosing."

TRIAL Offer by Local Druggists

You have Vicks VapoRub—now get Vicks Nose Drops and use together as directed in the Vick Plan for better "Control-of-Colds"—to reduce their number and severity. Unless you are delighted with results, your druggist is authorized to refund your money.

FRANCE BLOCKS CREDIT EXTENSION TO GERMANY AS ACT OF REPRISAL

(International News Service)

France today blocked extension of $100,000,000 credits to Germany as her first act of reprisal, following repudiation of reparation obligations by Chancellor Bruening Saturday.

Directors of the Bank for International Settlements, meeting at Basel, Switzerland, were informed the Bank of France had not decided whether it would renew its share of the credit. Immediate extension had been universally expected but the directors announced full approval would await the French decision.

Despite vigorous objections by France and Belgium, the German government stood by its guns today. It announced that in addition to suspending cash payments it would make no further deliveries of goods (deliveries in kind under the Young plan), which amounted to $119,000,000 annually and went mostly to France and Belgium.

France apparently has no thought of attempting to collect by extentive military operations but is studying a scheme for a boycott of German imports by levying a heavy tax on German imports. Negotiations for a close Franco-German accord are expected to be suspended immediately.

The important radical Socialist paper, L'Ouevre, calls upon the French government to suspend debt payments to the United States if Germany defaults.

The British cabinet studied the situation for two hours. It was authoritatively stated at the conclusion of this session that Great Britain feels Germany has committed a tactical error and has made it almost impossible for her to wring important concessions from France at the Lausanne reparations conference January 25.

By EDWARD L. DEUSS
International News Service Staff Correspondent

BERLIN, Jan. 11.—Germany intends to cease all deliveries in kind to her war-time victors, as well as other reparation payments, International News Service was officially informed this afternoon, in further explanation of Chancellor Bruening's sensational statement Saturday.

These deliveries, in manufactured goods and raw products, total 500,000,000 gold marks (about $119,000,000) annually under the Young plan.

The Reich government argues that these deliveries, as well as cash reparations, constitute an unbearable burden on the treasury and paralyze Germany's export trade, especially with France and Belgium, which have received nearly all their German purchases in deliveries in kind.

Held for Threats

After about 300 people in Philadelphia, Pa., had received postcards, threatening to blow up their homes, police went on the trail of the sender and arrested James E. Smith (above), in a Philadelphia post office as he was sending another batch of warnings. It is believed that Smith's terroristic stunt was suggested by the recent Easton bomb outrage. He is held under heavy bail.

Dr. Bissell Is Rotary Speaker

Tells Rotarians Of Expenses Of Hospital At Noon Hour Session

ENDORSE MOVE FOR DISTRICT COURT

Dr. Wayne W. Bissell, superintendent of the Jameson Memorial hospital, presented a detailed accounting of all the hospital's activities in a noon-hour message before the Rotary club at The Castleton today.

Relating the fine work it has performed since its establishment by the late David Jameson, Dr. Bissell pointed out thoroughly how the funds of the institution are expended and why a call for $60,000 has been made. A statistical chart was used to better innustrate the financial activity of the hospital.

In closing, Superintendent Bissell asked for the united and individual support of the Rotarians in the Jameson fund campaign which will be launched within a few days.

Dr. Bissell's interesting address was the principal feature of today's luncheon, although short business matters were acted upon before the talk.

President L. B. Round named S. H. Rhoads to be chairman of the Rotary's "On to Seattle" committee, which will stimulate interest for the international convention there in July. Grant Waddle was chosen chairman of the "On to McKeesport" committee which will promote the McKeesport district convention, scheduled for April.

Robert Wilson, Pittsburgh, and Bert Wells, heading the Jameson Memorial hospital campaign for funds, were guests of the club today.

The club unanimously adopted the local Lions Club movement to secure a federal court for this city.

Detroit Slayer Commits Suicide

Slayer Of Wife And Paramour Lover Ends Life As Police Go To Arrest Him

(International News Service)

DETROIT, Jan. 11.—James Shacklady, 52, was dead today, a victim of—to use his own words—"bootleg whiskey and a drunken woman." But the woman who was his wife was also dead and so was James Breen, 50, a widower with three children.

For three years Shacklady had warned his wife to stay away from Breen. Early Saturday morning he killed the pair when he discovered them drinking in a friend's home. Then he burned down his own home.

A police search was made for Shacklady, but no trace was found of him until Sunday afternoon. Then police suspected he might have returned to the home where he had killed his wife and her drinking companion.

Beneath a pile of papers in the attic, Shacklady heard police nearing his hiding place. He shot himself and died without another word.

"You sometimes will kill the things you love," Shacklady had written in a note found by police. "I love my wife and home, yet I destroyed them."

BERLIN—A blood test led to the conviction of Franz Hollander, youthful worker, who had been charged with the murder of Elise Prengel, music teacher of Koenigsberg. Miss Prengel had been found dead with many serious wounds apparently from a knife plunged into her body. Hollaender pleaded not guilty and claimed that the blood stains on his clothing came from his own nose which started bleeding. The stains on his clothes were examined and found to belong to the group A, which was that of the victim, while his own blood belonged group B.

Hoover Credit Measure Will Get Approval

Major Stabilization Bill Is Being Debated By Congress Branches

ENACTMENT SEEN BY END OF WEEK

By WILLIAM K. HUTCHINSON
International News Service Staff Correspondent

WASHINGTON, Jan. 11.—President Hoover's major proposal for stabilizing American business—the creation of a $2,000,000,000 federal credit corporation for releasing frozen credits—was debated at both ends of the Capitol today, with the Senate proceeding under an agreement requiring a vote on its passage before adjournment tonight.

Enactment Certain

Enactment of the bill was certain. The House will pass it wednesday and it will be sent to the White House by the week end for the president's signature. Administration leaders declare its enactment will halt bank failures, stimulate business, release frozen credits and tend to revive prosperity.

While the credit bill was debated in both House and Senate, committee labored vigorously in drafting other legislation. The new tariff bill, just passed by the House, was before the Senate finance committee. A host of subjects occupied other committees.

Has Right of Way

The credit bill had the right of way in both branches. In its present form, it would authorize federal loans to banks, trust companies, railroads, insurance companies, agricultural and livestock credit corporations and (in the Senate only) to state governments. One provision would even permit loans to closed banks, if conditions indicate the banks can regain solvency.

The proposed credit corporation would be financed by the government, first by putting up $500,000,000 capital and then by the treasury guaranteeing a $1,500,000,000 bond issue. The bonds would be exempt from all taxes, except federal estate and inheritance taxes.

Two other administration measures were ready for Senate action. One would provide $125,000,000 additional capital for federal land banks. It already has passed the House. The other would put up $200,000,000 to pay despositors in closed banks.

Dresses As Girl During Holdups

Youths Confess To Robbing Proprietor Of Roadhouse Near Lewistown

(International News Service)

LEWISTOWN, Pa., Jan. 11.—How a 15-year-old boy dressed as a girl when he and a companion aged 16 allegedly held up and robbed the Beaver Creek Inn is being told by State Police here.

Paul Walter, the youthful bandit, signed a confession admitting his part in the holdup. Winfield Casner, 16, was named by police as his "pal."

According to police, Walter was dressed as a girl when the two robbed the proprietor of the inn. Casner had his coat turned inside out. Both were masked.

At the time they were taken into custody, Walter was carrying a .32 calibre revolver and Casner was said to have had a .22 rifle.

NEARLY 2,500 AT PITTSBURGH FOR CARRIERS' MEET

New Castle Office Group Hears Congressman And Sees Induction

New Castle letter carriers to the number of 32 heard Congressman Clyde Kelly, of Braddock, renew his pledge to fight against the Rich bill which would bring about a reduction in the pay of postal and other federal employes, chiefly because he is firmly opposed to pay slashes both in government and industry, at a postmen's meet in Pittsburgh on Saturday night.

The congressman recently led the bitter fight against the bill in Congress, at which time the Pennsylvania delegation of Republicans in the House voted to oppose it.

Speaks To 2,500

When Congressman Kelly spoke, an audience of approximately 2,500 other letter carriers from Pittsburgh and towns all over western Pennsylvania was present in the South Side high school auditorium to hear him. Sharon, Greenville, Oil City and a host of towns had delegations there.

The New Castle party traveled in a special bus of the Pennsylvania Power company. Several clerks and other postal employes from here made the trip in private cars.

Congressmen Harry Estep and Samuel A. Kendall, leaders of postal legislation along with Mr. Kelly, were unable to fulfill their speaking engagements before the gathering because of unforeseen developments. Both had been expected.

The program of the evening marked the annual installation of new officers for the Clyde Kelly Branch No. 84, National Federation of Letter Carriers. The installing officer was G. W. Haines, Allentown postman, one of the principal speakers.

Featuring the affair was a round of vaudeville entertainment.

Members of the New Castle branch who directed the bus trip arrangements were Carl Weide, chairman; Mont Forney, John R. Wilson and Walter Leslie.

Philadelphia School Board Is Under Fire

Extravagance Charged By Taxpayers' Association Of State's Metropolis

(International News Service)

PHILADELPHIA, Jan. 11.—Criticism of the Philadelphia board of education for its "extravagance and outlandish expenditures" recently was presented by John J. McDevitt, president of the Taxpayers' association of the city, before a meeting of the Rotary club.

McDevitt charged the board's operating costs had mounted six-fold in the past decade and cited the fact that the board will obtain about $50,000,000 in taxes this year, about one half the amount of taxes the city will collect.

Criticism also was heaped on politics for the present plight of Philadelphia's city treasury. "Thousands of political workers receive jobs in return for their services during election campaigns," E. Lewis Burnham, chairman of the bureau of municipal research, told students at the Montgomery school, Lower Merion township, recently.

Postal Clerks Ask Senator Davis For Explosives Bill

Scranton Party Ends In Killing

Gunplay Ends Party, One Man Killed, Another Wounded, One Arrested

(International News Service)

SCRANTON, Pa., Jan. 11.—An altercation marked by gunplay today ended a party here and brought death to Joseph Silva, 35, who was mortally wounded by a bullet which first passed through the neck of his brother, Lewis Silva, 32.

Police arrested Raymond Perez, 31, and charged him with the shooting.

The bullet struck Joseph Silva in the head after wounding his younger brother. The party was being held at the Silva home when an argument ensued, police said. Perez fired one shot, they stated.

Vanishing Americans
25—The Cherokees

THE CHEROKEES, DUSKY MOUNTAINEERS OF THE APPALACHIANS, WERE AMONG THE FIRST INDIANS TO GRASP THE ADVANTAGES OF THE WHITE MAN'S CIVILIZATION. BY 1820 THE CHEROKEE NATION, THEN NUMBERING 15,000 PEOPLE, HAD MADE RAPID STRIDES TOWARD CIVILIZATION.—

PROGRESSIVE AND INDUSTRIOUS, MOST OF THE CHEROKEES ADOPTED THE WHITE MAN'S MODE OF LIVING, WORE HIS CLOTHES AND EMBRACED HIS RELIGION. THE HUNTER HAD TURNED FARMER; HIS BARK HUT HAD BEEN REPLACED BY A STURDY LOG CABIN . . . . . .

MANY YOUNG CHEROKEES WERE SENT AWAY TO ATTEND WHITE SCHOOLS AND UPON COMPLETING THEIR EDUCATION RETURNED TO TEACH THEIR OWN PEOPLE.

THE CHEROKEES PROUDLY CONSIDERED THEMSELVES AN INDEPENDENT NATION. THEY HAD A WELL ORGANIZED GOVERNMENT, THE AFFAIRS OF WHICH WERE DIRECTED BY A GENERAL COUNCIL REPRESENTING ALL THE CLANS AND TRIBES.—

FRANCE BLOCKS CREDIT EXTENSION TO GERMANY AS ACT OF REPRISAL

(International News Service)

France today blocked extension of $100,000,000 credits to Germany as her first act of reprisal, following repudiation of reparation obligations by Chancellor Bruening Saturday.

Directors of the Bank for International Settlements, meeting at Basel, Switzerland, were informed the Bank of France had not decided whether it would renew its share of the credit. Immediate extension had been universally expected but the directors announced full approval would await the French decision.

Despite vigorous objections by France and Belgium, the German government stood by its guns today. It announced that in addition to suspending cash payments it would make no further deliveries of goods (deliveries in kind under the Young plan), which amounted to $119,000,000 annually and went mostly to France and Belgium.

France apparently has no thought of attempting to collect by extentive military operations but is studying a scheme for a boycott of Germany by levying a heavy tax on German imports. Negotiations for a close Franco-German accord are expected to be suspended immediately.

The important radical Socialist paper, L'Ouevre, calls upon the French government to suspend debt payments to the United States if Germany defaults.

The British cabinet studied the situation for two hours. It was authoritatively stated at the conclusion of this session that Great Britain feels Germany has committed a tactical error and has made it almost impossible for her to wring important concessions from France at the Lausanne reparations conference January 25.

By EDWARD L. DEUSS
International News Service Staff Correspondent

BERLIN, Jan. 11.—Germany intends to cease all deliveries in kind to her war-time victors, as well as other reparation payments, international News Service was officially informed this afternoon, in further explanation of Chancellor Bruening's sensational statement Saturday.

These deliveries, in manufactured goods and raw products, total 500,000,000 gold marks (about $119,000,000) annually under the Young plan.

The Reich government argues that these deliveries, as well as cash reparations, constitute an unbearable burden on the treasury and paralyze Germany's export trade, especially with France and Belgium, which have received nearly all their German purchases in deliveries in kind.

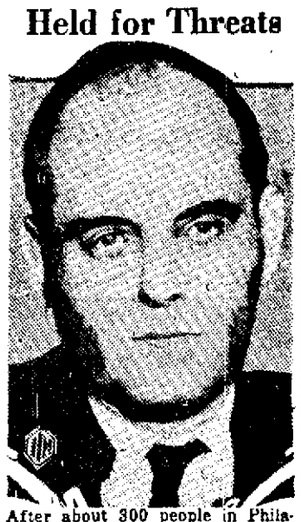
Held for Threats



After about 300 people in Philadelphia, Pa., had received postcards, threatening to blow up their homes, police went on the trail of the sender and arrested James E. Smith (above), in a Philadelphia post office as he was sending another batch of warnings. It is believed that Smith's terroristic stunt was suggested by the recent Easton bomb outrage. He is held under heavy bail.

Dr. Bissell Is Rotary Speaker

Tells Rotarians Of Expenses Of Hospital At Noon Hour Session

ENDORSE MOVE FOR DISTRICT COURT

Dr. Wayne W Bissell, superintendent of the Jamieson Memorial hospital, presented a detailed accounting of all the hospital's activities in a noon-hour message before the Rotary club at The Castleton today.

Relating the fine work it has performed since its establishment by the late David Jameson, Dr. Bissell pointed out thoroughly how the funds of the institution are expended and why a call for $60,000 has been made. A statistical chart was used to better illustrate the financial activity of the hospital.

In closing, Superintendent Bissell asked for the united and individual support of the Rotarians in the Jameson fund campaign which will be launched within a few days.

Dr. Bissell's interesting address was the principal feature of today's luncheon, although short business matters were acted upon before the talk.

President L. B. Round named S. H. Rhoads to be chairman of the Rotary's "On to Seattle" committee, which will stimulate interest for the international convention there in July. Grant Waddle was chosen chairman of the "On to McKeesport" committee which will promote the McKeesport district convention, scheduled for April.

Robert Wilson, Pittsburgh, and Bert Wells, heading the Jameson Memorial hospital campaign for funds, were guests of the club today.

The club unanimously adopted the local Lions Club movement to secure a federal court for this city.

Detroit Slayer Commits Suicide

Slayer Of Wife And Paramour Lover Ends Life As Police Go To Arrest Him

(International News Service)

DETROIT, Jan. 11.—James Shacklady, 52, was dead today, a victim of—to use his own words—"bootleg whiskey and a drunken woman." But the woman who was his wife was also dead and so was James Breen, 50, a widower with three children.

For three years Shacklady had warned his wife to stay away from Breen. Early Saturday morning he killed the pair when he discovered them drinking in a friend's home. Then he burned down his own home.

A police search was made for Shacklady, but no trace was found of him until Sunday afternoon. Then police suspected he might have returned to the home where he had killed his wife and her drinking companion.

Beneath a pile of papers in the attic, Shacklady heard police nearing his hiding place. He shot himself and died without another word.

"You sometimes will kill the things you love," Shacklady had written in a note found by police. "I love my wife and home, yet I destroyed them."

BERLIN—A blood test led to the conviction of Franz Hollander, youthful worker, who had been charged with the murder of Elise Prengel, music teacher of Koenigsberg. Miss Prengel had been found dead with many serious wounds apparently from a knife plunged into her body. Hollaender pleaded not guilty and claimed that the blood stains on his clothing came from his own nose which started bleeding. The stains on his clothes were examined and found to belong to the group A, which was that of the victim, while his own blood belonged group B.

HERE AND THERE IN SPORTS' LAND

MacDonald Smith of New York continued his par-shattering golf yesterday to take an imposing lead over the field at the end of the second round of the $7,500 Los Angeles open golf tournament.

Hy Malley, manager of Bat Battalino has issued a statement stating that Bat is still the featherweight champion despite his failure to make 126 pounds in defense of the title against Lew Feldman at New York.

The manager points out that titles can only be lost in the ring. When the champion failed to weigh in at the prescribed weight the Madison Square Garden matchmaker called off the battle.

Ace Hudkins, California state heavyweight champion was arrested as the result of a fight with T. L. Park, a salesman, at Hollywood, Calif. Park is in a serious condition in a hospital.

According to the report from the far west, Hudkins claims that Park and E. B. Martin, later booked for intoxication, insulted the boxer's companion, Ellen Dorsey. Park may have a fractured skull.

Net receipts of the Penn State-Lehigh football game for the benefit of the unemployed were $1,143.52, according to Neil M. Fleming, graduate manager of athletics at Penn State.

Brown And Butch Fight Called Off

Champion Al Brown Complains Of Injury That Keeps Him From Ring Tonight

(International News Service)

PITTSBURGH, Jan. 11.—Motor Square Garden, which was to have staged a 10-round clash tonight between Al Brown, bantamweight champion, and Mose Butch, local southpaw, will be dark this evening.

The bout was called off at the last minute when Brown complained of an injury which he feared would not permit him to show at his best against the local boy. Matchmaker Jules Beck announced he will seek an opponent for Butch for next Monday night rather than attempt finding an 11th hour opponent.

Brown is slated to sail for Europe next Friday for a series of foreign clashes.

Epworth M. E. Wins From Scholastics

NEW WILMINGTON, Jan. 11.—Friday night on the New Wilmington floor the Epworth M. E. basketball team won a 21-17 victory over the fast New Wilmington Scholastics. The game was exciting.

Mansfield and Shaffer starred for the Epworth five while Hartwell and White proved the best for the New Wilmington boys.

The lineup:

WESTMINSTER PLAYS ST. FRANCIS AT HOME COURT TUESDAY EVENING

Titans Must Perk Up Again After Grover Setback

(Special To The News)

NEW WILMINGTON, Pa., Jan. 11.—Losing for the first time since 1928 to Grove City has not left the Westminster college basketball team in a very amiable frame of mind, so the St. Francis college passers who come here Tuesday evening will probably have a hard time with the Lawthermen.

The Titans must perk up following the Grover defeat if they hope to keep among the leaders in the tri-state district. With Geneva, Allegheny and Grove City all boasting better teams than last year, Westminster must play improved ball to maintain the pace set during the last six seasons during which the blue and white passers have won 93 games and lost 13.

St. Francis comes here from Loretta where the Saints have been slowly developing a winner for the season. The game will mark the first appearance of the Saints on the Titan card since 1928 when Westminster won two games from the Loretta outfit.

Coach John Lawther is experimenting with different combinations of men in an effort to develop more scoring punch. Against Grove City, the Titans were weak both in field goal scoring and in foul shooting. Missing 10 out of 17 fouls in the Grover contest cost the Titans the game. Grove City, on the other hand, tallied seven out of seven fouls during the game.

Tuesday's game with St. Francis starts at 8:15. The athletic council announces that there are still some fine seats left. Reserved seats are still on sale for the season and will be on sale at the box office Tuesday evening.

Plan Reorganizing Of Baseball Loops

(International News Service)

LOUISVILLE, Ky., Jan. 11.—Plans to rehabilitate smaller baseball leagues were being considered today by a committee of minor league baseball executives, and Billy Evans, business manager of the Cleveland Indians, representing the major circuits.

Among the economy measures being considered as a part of the rehabilitation program, is the co-operative buying of equipment. Committee members announced today that an organizer will probably be appointed to supervise the formation of new leagues.

Scouts Trim W. Pittsburg

Boy Scouts trimmed the West Pittsburg Reserves in a game played on the Croatian hall, Saturday. The score was 14-11. From the start to finish the tilt provided plenty of thrills.

The lineup:

Boy Scouts		Reserves
H. Voland	F	J. Onicka
A. Beres	F	J. Lazara
J. DeMonaco	C	J. Marky
L. Sanfelice	G	R. Adams
A. Tusaie	G	J. Quinn

Field goals, Voland 2, DeMonaca 3, Quinn 2, Marky 1, Adams 1.

Fouls, Scouts 4 out of 7; Reserves 3 out of 4.

Catholic Church League To Open

The Catholic Church basketball league will open play tonight at the St. Mary's auditorium. There is one game on tap, the St. Vitus team meeting the St. Phillips and James quintet. This game will be a preliminary game starting at 8 o'clock.

The main attraction on the St. Mary's floor tonight will be the St. Mary's Reserves and the New Wilmington Scholastics. There is considerable interest in the games tonight. There is a lot of rivalry in the Catholic Church league. Four teams comprise the league.

Union-Zelienople Carded Tuesday On Zelienople Floor

Union High School basketball team will journey to Zelienople Tuesday night for their second game as members of Section Eighteen of the W. P. I. A. L. and the Coach Boyd passers are anxious for their first league victory. Mars defeated Union in the first league game this season.

The players are in fine shape and Coach Boyd is confident that Union will bring home the bacon tomorrow evening.

Three Fast Games In Church League

New Castle Idle Until Next Friday

Locals Meet New Brighton Five Here Friday Night In Third Game

Having disposed of two league opponents already, the New Castle high school basketball team will remain idle until next Friday night, when the local flingers will demonstrate their wares against New Brighton high on the George Washington floor in the third section three tilt.

Although there isn't a game scheduled until that time, Coach Phil Bridenbaugh anticipates sending his warriors through a series of workouts this week. To date the local boys have captured three out of four contests. After losing to the Scott team of North Braddock the red and black clad cagers won over the Pitt Freshies, Beaver Falls and last Friday night turned in an easy triumph over Ellwood City.

Improvement has been noticeable in all the games. By the time New Castle meets the Butler clan Coach Bridenbaugh's machine should function in clocklike precision. The Tin City ramblers are carded to meet the Butler countians January 26 at Butler. Butler, according to reports, will give the locals plenty of trouble.

The workouts commence this afternoon on the Washington floor.

Princeton Wins And Loses Tilt

Princeton Girls Tally Over Union Junior High Team

In games played recently on the Princeton high floor the Princeton quintet took the measure of the Union Juniors, 22-11. In another tilt Princeton lost to East Brook, 15-9. The Princeton girls team kept up its good work by disposing of the Union Junior high maidens 11-9 and then lost to the East Brooks girls, 36-15.

The lineups:

Hamas-Loughran Match Arranged

Former Penn State All-Around Athlete, Now Fighter, To Meet Loughran

By LES CONKLIN
International News Service Sports Writer

NEW YORK, Jan. 11.—There comes a time in the career of every promising young boxer when he is taken off a diet of set-ups and sent against his first dangerous opponent. Victory in his first big test will make the youngster a star attraction; defeat will retard his progress up the fistic ladder, perhaps for a year.

Last summer there were three lads who represented the cream of young fistic talent in the heavyweight division. They were Charley Retzlaff, the Duluth farmer; Steve Hamas, former all-around athletic star at Penn State; and Stanley Poreda, Jersey City slugger. Each boasted a long list of knockouts.

Retzlaff met a stumbling block when he was outpointed by the clever and experienced Joe Sekyra. At Madison Square Garden Friday night Hamas and Poreda will take the plunge, for better or worse.

Hamas, who never has lost a fight, has a tough nut to crack. The opponent selected for this "second Dempsey" is Tommy Loughran, crafty and clever veteran who holds decisions over most of the leading heavyweights. Despite his unexpected defeat by King Levinsky recently, Tommy represents a formidable obstacle to the progress of the sensational young Hamas. The distance of ten rounds favors Loughran.

Poreda's opponent will be Salvatore Ruggierello, an Italian with a devasting right-hand punch. Salvatore registered a surprising upset a week ago when he flattened Walter Cobb, giant Baltimore heavyweight, in one round.

Merchants Defeat St. Andrews 40-14

New Wilmington Merchants Top St. Andrews Quintet; Reserves Lose To Baptists

The New Wilmington Merchants topped the St. Andrews church quintet 40 to 14 in a floor game Saturday night at St. Mary's floor. The visitors flashed a fast attack and deadly accurate field goal tossing, with Tommy Hutchison carrying off the honors with six baskets, while Walter Hutchison had four and Wettich and Eagleson had two field goals apiece.

The score at the half was 16 to 10 in favor of the New Wilmington passers. Boyd and Harris featured for the St. Andrews team.

In the preliminary game the First Baptist "B" team topped the St. Andrews Reserves 26 to 10, with Llewellyn, Whitman, Hnat and Hitchens starring.

The summaries:

New Wilmington 40		St. Andrews 14

Local State Champions Meet Sewickley Matmen Wednesday

Added Attraction To Wrestling Will Be Fast Basketball Game

The New Castle Y. M. C. A. state champion wrestlers will stage a series of matches with the Sewickley "Y" wrestlers in the local gym Wednesday night in what promises one of the finest exhibitions ever presented before the public by the local matmen.

The matches for the evening will probably be 10 in number and last seven minutes each, the grapplers fighting to a decision or fall. The local mat team is in a fine condition and ready to uphold its title as the champion of the State of Pennsylvania.

This will be the first appearance of the local wrestlers to the people of New Castle since winning the State title at Johnstown. The team recently traveled to Beaver Falls to give an exhibition for the benefit of the Blind association of Beaver Falls. The following men will be in readiness for the call Wednesday nits: Charles Christopher, Ralph Brooks, E. Davies, Eugene Cartwright, in the 115 pound class; Paul Alford and Tom Grittie, 125 pound class; Willis Kneram and John George, 135 class; Nick George, 145 pound class; Walter Adams, 155 pound class; Phil Adams, 175 pound class and the heavyweight class.

Included in the New Castle "Y" team are three present state champions and four men who have competed and won district championships and have been second place men in the state championships.

Nick George is the 135 pound champion of the State. Paul Alford is the 125 pound champion of the state and Phil Adams is the heavyweight king of the state. Charles Christopher is the runner up in the 115 pound championship and Willis Kneram is the runner up in the 135 pound championship. Tom Grittie the 125 pound strong boy of the squad has always had a run of tough luck, but is expected to come through this year.

Three newcomers to the squad this year are Emerson Davies, Eugene Cartwright and Walter Adams, all of whom are out to win their first matches. John George is another from whom a lot will be expected. Ralph Brooks "the iron man" will be out with blood in his eye to win this year as he has done in other years. Paul Fabian 160 pound man will be unable to wrestle on account of an operation for appendicitis.

As an added attraction to the wrestling matches, the Sewickley Ramblers one of the fastest teams in the vicinity of metropolitan Pittsburgh will play the First Baptist team of the Church B. League. The Ramblers recently defeated the Baptist boys and the Baptist team will be out to avenge this defeat. The first wrestling matches will start at 8:00 p. m.

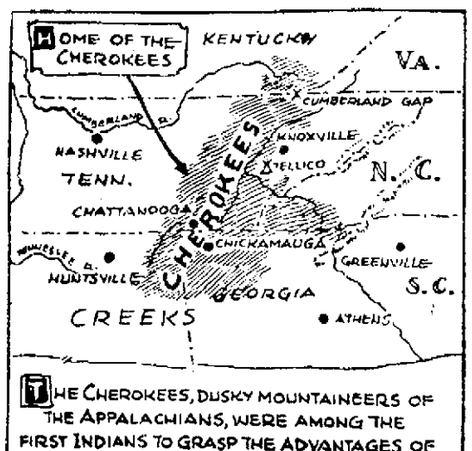
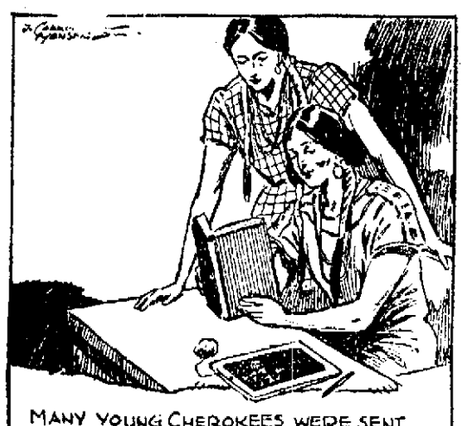
Vanishing Americans
25—The Cherokees



THE CHEROKEES, DUSKY MOUNTAINEERS OF THE APPALACHIANS, WERE AMONG THE FIRST INDIANS TO GRASP THE ADVANTAGES OF THE WHITE MAN'S CIVILIZATION. BY 1820 THE CHEROKEE NATION, THEN NUMBERING 15,000 PEOPLE, HAD MADE RAPID STRIDES TOWARD CIVILIZATION.—

PROGRESSIVE AND INDUSTRIOUS, MOST OF THE CHEROKEES ADOPTED THE WHITE MAN'S MODE OF LIVING, WORE HIS CLOTHES AND EMBRACED HIS RELIGION. THE HUNTER HAD TURNED FARMER; HIS BARK HUT HAD BEEN REPLACED BY A STURDY LOG CABIN . . . . . .



MANY YOUNG CHEROKEES WERE SENT AWAY TO ATTEND WHITE SCHOOLS AND UPON COMPLETING THEIR EDUCATION RETURNED TO TEACH THEIR OWN PEOPLE.

Baccalaureate Service Held

Rev. Fr. Wilkey Speaks At High School Service Sunday Evening

COMMENCEMENT WEEK UNDER WAY

ELLWOOD CITY, Jan. 11.—"Real true culture is to prepare you to meet the new issues and problems of every day life and will aid you to rescue the world from the depression and chaos of today." These were the words of wisdom spoken by Rev. R. D. A. Wilkey, rector of the St. Agatha Catholic church, in his baccalaureate sermon at the Lincoln auditorium Sunday evening.

The greatest crowd ever seen in the auditorium assembled there to hear the words of Father Wilkey and to bid success to the 85 members of the second mid-year graduating class. Every possible space was taken and throngs of people were compelled to stand throughout the program.

It was a most impressive and solemn scene that met the eyes of the large audience. The stage was bedecked in flowers and tall stately ferns. Seated here were nine members of the local clergy who were to participate in the program. As the orchestra broke into the strains of "Onward Christian Soldiers" the class solemnly marched into the auditorium to their reserved section. The march was headed by Supt. W. Ray Smith and prof. J. Ellis Bell.

Rev. W. E. Minteer presided on the occasion and introduced the speaker. Father Wilkey was high in his praise of education having a tendency to guide one's moral life and preparing him to cope with certain emergencies and problems. "The true culture," stated the speaker, "is the act of informing, proving, and developing through the sacred agency of religion which is the cornerstone of all true education." It is the physical, intellectual, and spiritual development of the human being. This sacred system elevates the mind to the highest degree of thought and action. It will teach one to compare, contrast, and judge all things rightly.

We pride ourselves upon our highways, cities, and structures. We are proud of the schools which have elevated our high standards, and common enterprises. But all this is the resultant of general material—culture. Spiritual culture is the refinement of the mind, heart, and soul of man. It aids him in keep hold of himself as nature better prompted him to do. General culture emphasizes the evils of sin and vice, asserted Father Wilkey.

The speaker urged everyone to be earnest in his faith and not to attempt any form of culture with God left out. The true, genuine, standard of culture has the stamp of approval from God.

Following the singing of a hymn, "Tomorrow" by the assemblage, Rev. Charles Z. Bell pronounced the benediction.

This event began a most active week for the members of the graduating class and incidentally it will be the most memorable. On Wednesday evening in the school, Class Night with a dinner and program will be held. This will be followed, on Thursday, by the Senior Reception to the Senior Class, Faculty, and Board of Education, in the Lincoln gymnasium. Their final event is the commencement exercises in the auditorium on Friday evening at 8 o'clock.

The complete baccalaureate program was as follows:

Presiding—Rev. W. E. Minteer
Prelude—"Lead Kindly Light"
March, "Onward Christian Soldiers"—Orchestra
Hymn—"How Firm a Foundation"
Invocation—Rev. A. M. Stevenson
Music "When Thru The Night"—Liszt. Girls' Glee Club
Scripture Reading—Rev. John A. King
Prayer—Rev. Hugh D. Maxwell
Violin Solo, "The Old Refrain"—Kreisler. John Kuczmarski
Sermon, "True Culture"— Rev. Robert D. Wilkey
Hymn—"Tomorrow"
Benediction—Rev. Charles Bell.

Council To Elect Borough Officers

ELLWOOD CITY, Jan. 11.—An election of borough officers will take place at an adjourned meeting of the Council this evening in the city building. It was incorrectly stated in the item and should have read, the engagement of the couple was announced at a delightful surprise party rendered the couple by Miss Thompson's sisters.

Hot Mill Passers Again Winners

Specialty Team Wins In Second Game From Office Five

ELLWOOD CITY, Jan. 11.—Continuing to show that fine brand of basketball which has marked their play this season, the flashy Hot Mills passers widened their margin on the league lead as they gave the luckless Mechanicals a 36-27 setback.

The Specialty players nosed out a 38-35 victory over the Office, after taking a big lead at the half.

Dicky Freidhoff, former high school star again led his team mates to victory by caging seven field goals and one foul, to equal his mark of last Saturday. All of the Hot Mills' players broke into the scoring column.

Matters were interesting early in the game as the Mechanicals held their own and forced their opponents to do their utmost. The score at half time was deadlocked at 12 all. This condition immediately changed at the resumption of rivalries on the third quarter. The Hot Mills unleashed their surprising offensive drive which netted them 24 points to 15 for the Mechanicals, at the close of the game.

Fans were all as one in the opinion that the clever Specialty tossers were to have their own way in their hard game with the Office. They proceeded to carry out this expectation in proper style in the first half. Led by Hennon and Boone they took a 27-12 lead at the half. The former got six baskets in this time. His team mate accounted for three. The second half was a different matter altogether. The Office completely bottled Hennon in this half and held him scoreless. Boone was also checked to satisfaction. The Office passers then proceeded to launch an offensive that was only cut short by the final whistle. The Office outscored their rivals 23-11 in this time, but the final whistle cut short other scoring possibilities. Rieley was the outstanding performer for the losers.

The lineup:

First Game

Hot Mills 36		Mechanicals 27
Freidhoff	F	Ferucci
Clyde	F	Labate
Ursu	C	Arnold
Chambers	G	White
Fitzgerald	G	Kimes

Subs: Mechanicals, Kelner.
Fouls—3 out of 13.
Subs: Hot Mills, none.
Fouls: 4 out of 8.

Second Game

Specialty 38		Office 35

Radicals Call For Cancellation Of Debts Of War

(International News Service)

PARIS, Jan. 11.—While many members of parliament today declared for an economic boycott of Germany if she fulfills her threat to repudiate reparation obligations, the important radical Socialist paper, L'Ouevre, launched a campaign for cancellation of war debts to the United States.

"Not one pfennig—not one cent" was the heading of L'Ouevre's editorial.

This newspaper's declaration of policy was of significance because the radical Socialist leader, Edouard Herriot, is being strongly considered as the successor of Aristide Briand at the foreign office. Herriot was repeatedly attacked the terms of the debt settlement with the United States.

Open New Revival At Rhodes Mission

First Of Evangelistic Services Will Occur Tonight; Lasts Two Weeks

New Castle ministers and returned missionaries now on furlough will participate in a two-weeks series of evangelistic services at the Rhodes Mission, Harlansburg road, commencing tonight and continuing through until January 22.

Services will occur nightly, excepting on the Saturday evenings of both weeks.

The Rev. Walter E. McClure, pastor of the First Presbyterian church will preach tonight, Tuesday night and on Wednesday, with the Rev. G. Bender occupying the pulpit on Thursday. The Rev. J. Kellner of the Pentecostal church will speak on Friday.

The Rhodes Mission stands a quarter of a mile out from Croton avenue, having been in operation for a period of 19 years. George W. Ramsey is the superintendent in charge. The average attendance during 1931 was 127 while yesterday there was 200 present for services.

Special attention will be devoted to the song service during the revival.

Japs Planning To Re-Establish Big Port Arthur Base

Important Naval Base Operated By Japan Years Ago Will Be Re-Opened

(International News Service)

TOKYO, Jan. 11.—Indicative of Japan's determination to maintain her foothold in Manchuria, the navy office decided today to re-establish the important naval base at Port Arthur, placed in operation after the Russo-Japanese war.

Port Arthur was operated as a naval base for some years after the conflict, but abandoned as an economy measure. Henceforth it will be used chiefly as a base for warships operating in Chinese waters.

Military Training Strongly Opposed

Delegates From Ten Colleges In Western Pennsylvania Meet At Pittsburgh

(International News Service)

PITTSBURGH, Pa., Jan. 11.—Opposition to compulsory military training in colleges today was expressed by delegates from 10 colleges of Western Pennsylvania and West Virginia attending the intercollegiate model disarmament conference at the University of Pittsburgh here. Sessions were held behind locked doors.

Delegates to the conference adopted eight resolutions which will be sent to President Hoover. United States representatives to the Geneva disarmament conclave also will receive copies of the recommendations.

After opposing military training, delegates also voiced opposition to maintenance of camps for military training of citizens and advocated that the United States adopt budgetary limitation as a peace policy.

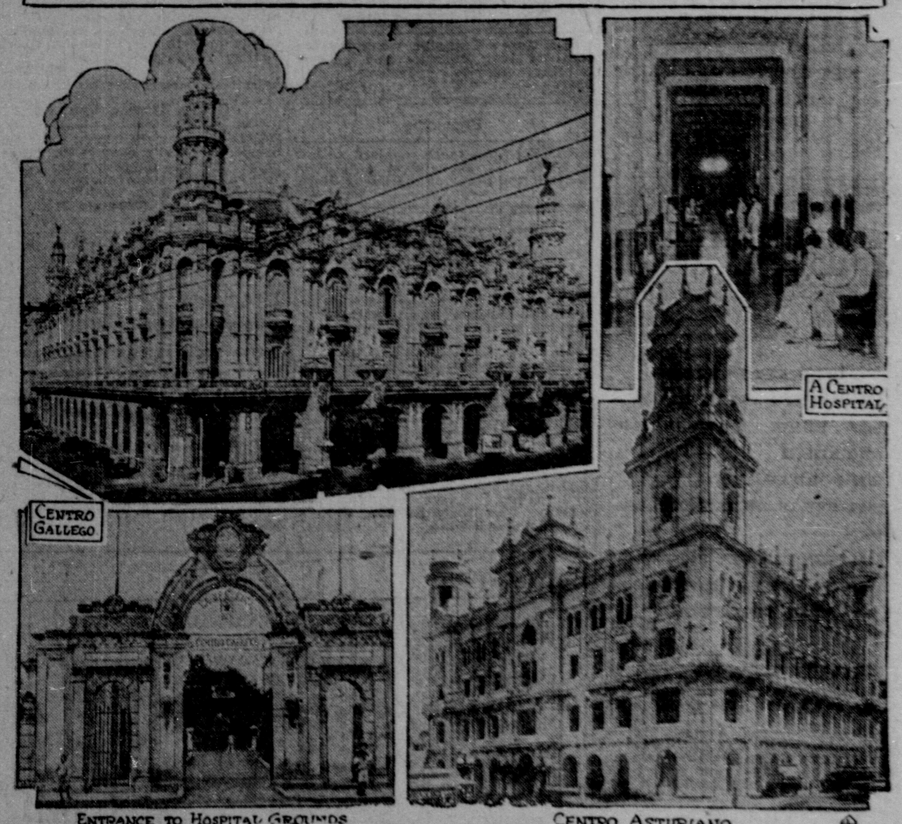
Why Not a Leaf from Cuba's Book?

* * * * * * * * *

System of Health Insurance Functioning so Efficiently in Island Republic Might be Made Over to Fit Unemployment.



Cuba believes that two dollars worth of prevention is worth a thousand dollars worth of cure, that is why it is the parent of the most pretentious health-trusts in the world. For a membership fee of $2 a month one can join one of the twenty centros, or clubs, in Cuba and immediately share in the benefits obtainable. For the monthly dues, each member is guaranteed free medical and dental attention, examinations, medicine and surgical operations—this includes free bed, board and attention in one of the centro's hospitals, the finest equipped and most up-to-date in the world. Should illness of a member necessitate a trip abroad, all expenses are paid, plus a weekly indemnity based on his former salary for a period of one year. That's not all. The member's $2 also entitles him to life insurance, educates his children in the schools maintained by the centro and puts the organization's banking facilities at his disposal. Americans who have visited these clubs, notably the Centro Asturiano and the Centro Gallego in Havana, are amazed at their pretentiousness. They are comparable to the most ornate royal palaces in Europe. The clinics and hospitals are marvels of hygiene and modernity and the medical staffs and surgeons among the finest in the world. In view of the frantic search by statesmen and social workers for a remedy for our present economic sickness, a study of the Cuban Centro system would not be amiss. It has worked so beautifully in the war against sickness and disease that with a few variations it might be made to fit our own unemployment problem.

Here And There In Sports' Land

MacDonald Smith of New York continued his par-shattering golf yesterday to take an imposing lead over the field at the end of the second round of the $7,500 Los Angeles open golf tournament.

Hy Malley, manager of Bat Battalino has issued a statement stating that Bat is still the featherweight champion despite his failure to make 126 pounds in defense of the title against Lew Feldman at New York.

The manager points out that titles can only be lost in the ring. When the champion failed to weigh in at the prescribed weight the Madison Square Garden matchmaker called off the battle.

Ace Hudkins, California state heavyweight champion was arrested as the result of a fight with T. L. Park, a salesman, at Hollywood, Calif. Park is in a serious condition in a hospital.

According to the report from the far west, Hudkins claims that Park and E. B. Martin, later booked for intoxication, insulted the boxer's companion, Ellen Dorsey. Park may have a fractured skull.

Net receipts of the Penn State-Lehigh football game for the benefit of the unemployed were $1,143.52, according to Neil M. Fleming, graduate manager of athletics at Penn State.

Brown And Butch Fight Called Off

Champion Al Brown Complains Of Injury That Keeps Him From Ring Tonight

(International News Service)

PITTSBURGH, Jan. 11.—Motor Square Garden, which was to have staged a 10-round clash tonight between Al Brown, bantamweight champion, and Mose Butch, local southpaw, will be dark this evening.

The bout was called off at the last minute when Brown complained of an injury which he feared would not permit him to show at his best against the local boy. Matchmaker Jules Beck announced he will seek an opponent for Butch for next Monday night rather than attempt finding an 11th hour opponent.

Brown is slated to sail for Europe next Friday for a series of foreign clashes.

WESTMINSTER PLAYS ST. FRANCIS AT HOME COURT TUESDAY EVENING

Titans Must Perk Up Again After Grover Setback

(Special To The News)

NEW WILMINGTON, Pa., Jan. 11.—Losing for the first time since 1928 to Grove City has not left the Westminster college basketball team in a very amiable frame of mind, so the St. Francis college passers who come here Tuesday evening will probably have a hard time with the Lawthermen.

The Titans must perk up following the Grover defeat if they hope to keep among the leaders in the tri-state district. With Geneva, Allegheny and Grove City all boasting better teams than last year, Westminster must play improved ball to maintain the pace set during the last six seasons during which the blue and white passers have won 93 games and lost 18.

St. Francis comes here from Loretta where the Saints have been slowly developing a winner for the season. The game will mark the first appearance of the Saints on the Titan card since 1928 when Westminster won two games from the Loretta outfit.

Coach John Lawther is experimenting with different combinations of men in an effort to develop more scoring punch. Against Grove City, the Titans were weak both in field goal scoring and in foul shooting. Missing 10 out of 17 fouls in the Grover contest cost the Titans the game. Grove City, on the other hand, tallied seven out of seven fouls during the game.

Tuesday's game with St. Francis starts at 8:15. The athletic council announces that there are still some fine seats left. Reserved seats are still on sale for the season and will be on sale at the box office Tuesday evening.

Plan Reorganizing Of Baseball Loops

(International News Service)

LOUISVILLE, Ky., Jan. 11.—Plans to rehabilitate smaller baseball leagues were being considered today by a committee of minor league baseball executives, and Billy Evans, business manager of the Cleveland Indians, representing the major circuits.

Among the economy measures being considered as a part of the rehabilitation program, is the co-operative buying of equipment. Committee members announced today that an organizer will probably be appointed to supervise the formation of new leagues.

Scouts Trim W. Pittsburg

Boy Scouts trimmed the West Pittsburg Reserves in a game played on the Croatian hall, Saturday. The score was 14-11. From the start to finish the tilt provided plenty of thrills.

The lineup:

H. Voland	F.	J. Onicka
A. Beres	F.	J. Lazara
J. DeMonaco	C.	J. Marky
L. Sanfelice	G.	R. Adams
A. Tusaje	G.	J. Quinn

Field goals, Voland 2, DeMonaca 3, Quinn 2, Marky 1, Adams 1.

Fouls, Scouts 4 out of 7; Reserves 3 out of 4.

Catholic Church League To Open

The Catholic Church basketball league will open play tonight at the St. Mary's auditorium. There is one game on tap, the St. Vitus team meeting the St. Phillips and James quintet. This game will be a preliminary game starting at 8 o'clock.

The main attraction on the St. Mary's floor tonight will be the St. Mary's Reserves and the New Wilmington Scholastics. There is considerable interest in the games tonight. There is a lot of rivalry in the Catholic Church league. Four teams comprise the league.

Union-Zelienople Carded Tuesday On Zelienople Floor

Union High School basketball team will journey to Zelienople Tuesday night for their second game as members of Section Eighteen of the W. P. I. A. L. and the Coach Boyd passers are anxious for their first league victory. Mars defeated Union in the first league game this season.

The players are in fine shape and Coach Boyd is confident that Union will bring home the bacon tomorrow evening.

Three Fast Games In Church League

St. Michaels, Temple Israels And Central Christians Are Winners

New Castle Idle Until Next Friday

Locals Meet New Brighton Five Here Friday Night In Third Game

Having disposed of two league opponents already, the New Castle high school basketball team will remain idle until next Friday night, when the local flingers will demonstrate their wares against New Brighton high on the George Washington floor in the third section three tilt.

Although there isn't a game scheduled until that time, Coach Phil Bridenbaugh anticipates sending his warriors through a series of workouts this week. To date the local boys have captured three out of four contests. After losing to the Scott team of North Braddock the red and black clad cagers won over the Pitt Freshies, Beaver Falls and last Friday night turned in an easy triumph over Ellwood City.

Improvement has been noticeable in all the games. By the time New Castle meets the Butler clan Coach Bridenbaugh's machine should function in clocklike precision. The Tin City ramblers are carded to meet the Butler countians January 26 at Butler. Butler, according to reports, will give the locals plenty of trouble.

The workouts commence this afternoon on the Washington floor.

Hamas-Loughran Match Arranged

Former Penn State All-Around Athlete, Now Fighter, To Meet Loughran

By LES CONKLIN
International News Service Sports Writer

NEW YORK, Jan. 11.—There comes a time in the career of every promising young boxer when he is taken off a diet of set-ups and sent against his first dangerous opponent. Victory in his first big test will make the youngster a star attraction; defeat will retard his progress up the fistic ladder, perhaps for a year.

Last summer there were three lads who represented the cream of young fistic talent in the heavyweight division. They were Charley Retzlaff, the Duluth farmer; Steve Hamas, former all-around athletic star at Penn State; and Stanley Poreda, Jersey City slugger. Each boasted a long list of knockouts.

Retzlaff met a stumbling block when he was outpointed by the clever and experienced Joe Sekyra. At Madison Square Garden Friday night Hamas and Poreda will take the plunge, for better or worse.

Hamas, who never has lost a fight, has a tough nut to crack. The opponent selected for this "second Dempsey" is Tommy Loughran, crafty and clever veteran who holds decisions over most of the leading heavyweights. Despite his unexpected defeat by King Levinsky recently, Tommy represents a formidable obstacle to the progress of the sensational young Hamas. The distance of ten rounds favors Loughran.

Poreda's opponent will be Salvatore Ruggierello, an Italian with a devasting right-hand punch. Salvatore registered a surprising upset a week ago when he flattened Walter Cobb, giant Baltimore heavyweight, in one round.

Merchants Defeat St. Andrews 40-14

New Wilmington Merchants Top St. Andrews Quintet; Reserves Lose To Baptists

The New Wilmington Merchants topped the St. Andrews church quintet 40 to 14 in a floor game Saturday night at St. Mary's floor. The visitors flashed a fast attack and deadly accurate field goal tossing, with Tommy Hutchison carrying off the honors with six baskets, while Walter Hutchison had four and Wettich and Eagleson had two field goals apiece.

The score at the half was 16 to 10 in favor of the New Wilmington passers. Boyd and Harris featured for the St. Andrews team.

In the preliminary game the First Baptist "B" team topped the St. Andrews Reserves 26 to 10, with Llewellyn, Whitman, Hnat and Hitchens starring.

The summaries:

New Wilmington 40	St. Andrews 14
Eagleson	F. F. Neyman
Wettich	F. Jenkins

Local State Champions Meet Sewickley Matmen Wednesday

Added Attraction To Wrestling Will Be Fast Basketball Game

The New Castle Y. M. C. A. state champion wrestlers will stage a series of matches with the Sewickley "Y" wrestlers in the local gym Wednesday night in what promises one of the finest exhibitions ever presented before the public by the local matmen.

The matches for the evening will probably be 10 in number and last seven minutes each, the grapplers fighting to a decision or fall. The local mat team is in a fine condition and ready to uphold its title as the champion of the State of Pennsylvania.

This will be the first appearance of the local wrestlers to the people of New Castle since winning the State title at Johnstown. The team recently traveled to Beaver Falls to give an exhibition for the benefit of the Blind association of Beaver Falls. The following men will be in readiness for the call Wednesday nite: Charles Christopher, Ralph Brooks, E. Davies, Eugene Cartwright, in the 115 pound class; Paul Alford and Tom Grittie, 125 pound class; Willis Kneram and John George, 135 class; Nick George, 145 pound class; Walter Adams, 155 pound class; Phil Adams, 175 pound class and the heavyweight class.

Included in the New Castle "Y" team are three present state champions and four men who have competed and won district championships and have been second place men in the state championships.

Nick George is the 135 pound champion of the State. Paul Alford is the 125 pound champion of the state and Phil Adams is the heavyweight king of the state. Charles Christopher is the runner up in the 115 pound championship and Willis Kneram is the runner up in the 135 pound championship. Tom Grittie the 125 pound strong boy of the squad has always had a run of tough luck, but is expected to come through this year.

Three newcomers to the squad this year are Emerson Davies, Eugene Cartwright and Walter Adams, all of whom are out to win their first matches. John George is another from whom a lot will be expected. Ralph Brooks "the iron man" will be out with blood in his eye to win this year as he has done in other years. Paul Fabian 160 pound man will be unable to wrestle on account of an operation for appendicitis.

As an added attraction to the wrestling matches, the Sewickley Ramblers one of the fastest teams in the vicinity of metropolitan Pittsburgh will play the First Baptist team of the Church B. League. The Ramblers recently defeated the Baptist boys and the Baptist team will be out to avenge this defeat. The first wrestling matches will start at 8:00 p. m.

GAMES ARE DESIRED

YOUNG BUCCS TOP E., BROOK ATHLETICS

Young Bucs basketball team opened their floor season on the right track, defeating the East Brook Scholastics by a 17-12 count Friday on the East Brook floor.

The Bucs left the floor at the half on top 5-2. In the final half the Bucs opened up with a fast attack and soon were enjoying a comfortable lead. Motsko and Sanders were the best for the winners while C. Kwiat and Rung proved the best for the losers.

Baccalaureate Service Held

Rev. Fr. Wilkey Speaks At High School Service Sunday Evening

COMMENCEMENT WEEK UNDER WAY

ELLWOOD CITY, Jan. 11.—"Real true culture is to prepare you to meet the new issues and problems of every day life and will aid you to rescue the world from the depression and chaos of today." These were the words of wisdom spoken by Rev. R. D. A. Wilkey, rector of the St. Agatha Catholic church, in his baccalaureate sermon at the Lincoln auditorium Sunday evening.

The greatest crowd ever seen in the auditorium assembled there to hear the words of Father Wilkey and to bid success to the 85 members of the second mid-year graduating class. Every possible space was taken and throngs of people were compelled to stand throughout the program.

It was a most impressive and solemn scene that met the eyes of the large audience. The stage was bedecked in flowers and tall stately ferns. Seated here were nine members of the local clergy who were to participate in the program. As the orchestra broke into the strains of "Onward Christian Soldiers" the class solemnly marched into the auditorium to their reserved section. The march was headed by Supt. W. Ray Smith and prof. J. Ellis Bell.

Rev. W. E. Minteer presided on the occasion and introduced the speaker. Father Wilkey was high in his praise of education having a tendency to guide one's moral life and preparing him to cope with certain emergencies and problems. "The true culture," stated the speaker, "is the act of informing, proving, and developing through the sacred agency of religion which is the cornerstone of all true education." It is the physical, intellectual, and spiritual development of the human being. This sacred system elevates the mind to the highest degree of thought and action. It will teach one to compare, contrast, and judge all things rightly.

We pride ourselves upon our highways, cities, and structures. We are proud of the schools which have elevated our high standards, and common enterprises. But all this is the resultant of general material—culture. Spiritual culture is the refinement of the mind, heart, and soul of man. It aids him in keep hold of himself as nature better prompted him to do. General culture emphasizes the evils of sin and vice, asserted Father Wilkey.

The speaker urged everyone to be earnest in his faith and not to attempt any form of culture with God left out. The true, genuine, standard of culture has the stamp of approval from God.

Following the singing of a hymn, "Tomorrow" by the assemblage, Rev. Charles Z. Bell pronounced the benediction.

This event began a most active week for the members of the graduating class and incidentally it will be the most memorable. On Wednesday evening in the school, Class Night with a dinner and program will be held. This will be followed, on Thursday, by the Senior Reception to the Senior Class, Faculty, and Board of Education, in the Lincoln gymnasium. Their final event is the commencement exercises in the auditorium on Friday evening at 8 o'clock.

The complete baccalaureate program was as follows:

Presiding—Rev. W. E. Minteer
Prelude—"Lead Kindly Light"
March, "Onward Christian Soldiers"—Orchestra
Hymn—"How Firm a Foundation"
Invocation—Rev. A. M. Stevenson
Music "When Thru The Night"—Liszt, Girls' Glee Club
Scripture Reading—Rev. John A. King
Prayer—Rev. Hugh D. Maxwell
Violin Solo, "The Old Refrain"—Kreisler, John Kuczmarski
Sermon, "True Culture"—Rev. Robert D. Wilkey
Hymn—"Tomorrow"
Benediction—Rev. Charles Bell.

Hot Mill Passers Again Winners

Specialty Team Wins In Second Game From Office Five

ELLWOOD CITY, Jan. 11.—Continuing to show that fine brand of basketball which has marked their play this season, the flashy Hot Mills passers widened their margin on the league lead as they gave the luckless Mechanicals a 36-27 setback.

The Specialty players nosed out a 38-35 victory over the Office, after taking a big lead at the half.

Dicky Freidhoff, former high school star again led his team mates to victory by caging seven field goals and one foul, to equal his mark of last Saturday. All of the Hot Mills' players broke into the scoring column.

Matters were interesting early in the game as the Mechanicals held their own and forced their opponents to do their utmost. The score at half time was deadlocked at 12 all. This condition immediately changed at the resumption of rivalries on the third quarter. The Hot Mills unleashed their surprising offensive drive which netted them 24 points to 15 for the Mechanicals, at the close of the game.

Fans were all as one in the opinion that the clever Specialty tossers were to have their own way in their hard game with the Office. They proceeded to carry out this expectation in proper style in the first half. Led by Hennon and Boone they took a 27-12 lead at the half. The former got six baskets in this time. His team mate accounted for three. The second half was a different matter altogether. The Office completely bottled Hennon in this half and held him scoreless. Boone was also checked to satisfaction. The Office passers then proceeded to launch an offensive that was only cut short by the final whistle. The Office outscored their rivals 23-11 in this time, but the final whistle cut short other scoring possibilities. Rieley was the outstanding performer for the losers.

The lineup:

First Game

Hot Mills 36		Mechanicals 27
Freidhoff	F	Ferucci
Clyde	F	Labate
Ursu	C	Arnold
Chambers	G	White
Fitzgerald	G	Kimes

Subs: Mechanicals, Kelner.
Fouls—3 out of 13.

Japs Planning To Re-Establish Big Port Arthur Base

Important Naval Base Operated By Japan Years Ago Will Be Re-Opened

(International News Service)

TOKYO, Jan. 11.—Indicative of Japan's determination to maintain her foothold in Manchuria, the navy office decided today to re-establish the important naval base at Port Arthur, placed in operation after the Russo-Japanese war.

Port Arthur was operated as a naval base for some years after the conflict, but abandoned as an economy measure. Henceforth it will be used chiefly as a base for warships operating in Chinese waters.

Military Training Strongly Opposed

Delegates From Ten Colleges In Western Pennsylvania Meet At Pittsburgh

(International News Service)

PITTSBURGH, Pa., Jan. 11.—Opposition to compulsory military training in colleges today was expressed by delegates from 10 colleges of Western Pennsylvania and West Virginia attending the intercollegiate model disarmament conference at the University of Pittsburgh here. Sessions were held behind locked doors.

Delegates to the conference adopted eight resolutions which will be sent to President Hoover. United States representatives to the Geneva disarmament conclave also will receive copies of the recommendations.

After opposing military training, delegates also voiced opposition to maintenance of camps for military training of citizens and advocated that the United States adopt budgetary limitation as a peace policy.

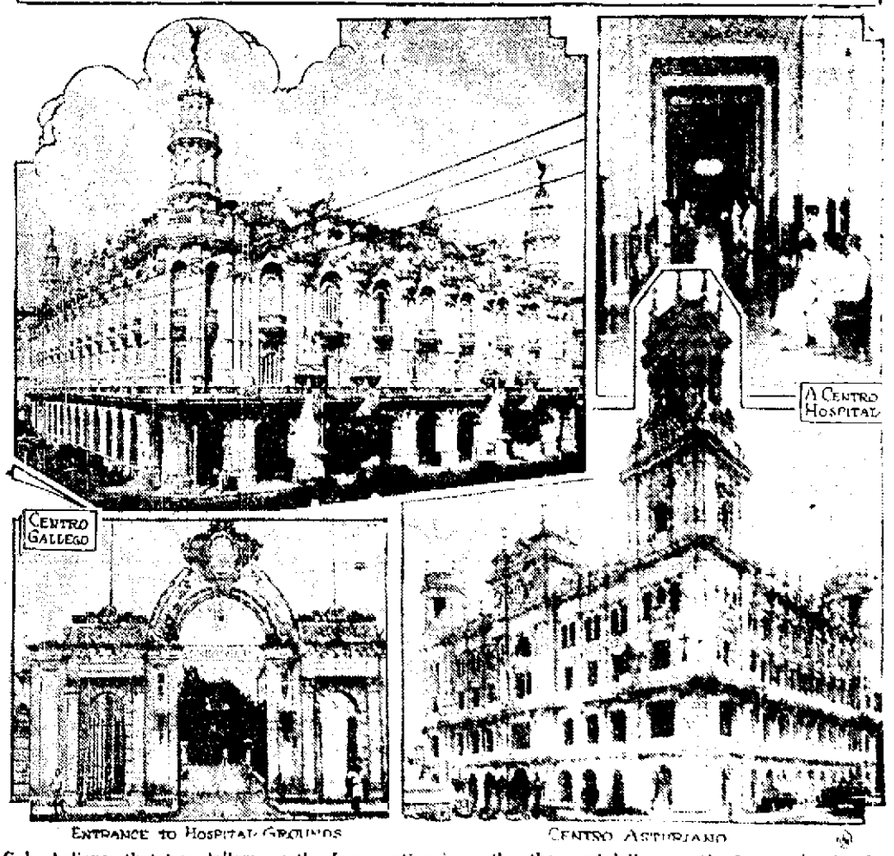
Why Not a Leaf from Cuba's Book?

* * * * * * * * *

System of Health Insurance Functioning so Efficiently in Island Republic Might be Made Over to Fit Unemployment.



Entrance to Hospital Grounds — Centro Asturiano

Cuba believes that two dollars worth of prevention is worth a thousand dollars worth of cure, that is why it is the parent of the most pretentious health-trusts in the world. For a membership fee of $2 a month one can join one of the twenty centros, or clubs, in Cuba and immediately share in the benefits obtainable. For the monthly dues, each member is guaranteed free medical and dental attention, examinations, medicine and surgical operations—this includes free bed, board and attention in one of the centro's hospitals, the finest equipped and most up-to-date in the world. Should illness of a member necessitate a trip abroad, all expenses are paid, plus a weekly indemnity based on his former salary for a period of one year. That's not all. The member's $2 also entitles him to life insurance, educates his children in the schools maintained by the centro and puts the organization's banking facilities at his disposal. Americans who have visited these clubs, notably the Centro Asturiano and the Centro Gallego in Havana, are amazed at their pretentiousness. They are comparable to the most ornate royal palaces in Europe. The clinics and hospitals are marvels of hygiene and modernity and the medical staffs and surgeons among the finest in the world. In view of the frantic search by statesmen and social workers for a remedy for our present economic sickness, a study of the Cuban Centro system would not be amiss. It has worked so beautifully in the war against sickness and disease that with a few variations it might be made to fit our own unemployment problem.

NEW YORK STOCKS

Little Change In Market Prices Today

(International News Service)

NEW YORK, Jan. 11.—Industrial stocks at the beginning of the new week fell off nervously as the result of the Steel corporation's disappointing drop in December forward orders. Losses of 1 to 2⅛ points were recorded in a dozen or more of the leaders, including American Can, Consolidated Gas and Big Steel, which sold today at 40⅝, against Saturday's high price of 44½.

The rails came to the relief of the bulls in the second hour, as reports of further satisfactory "adjustments" of wages and an upturn in freight movements filtered into Wall Street.

New Haven, which started the new week at 22¼, down 1¼ from Saturday's close, forged ahead to 25½ in the second period. New York Central rallied from its opening price of 29¼ to 32 and Atchison at 86¾ showed a gain of 2¼ from Saturday's close. The railroad equipment stocks made an effort to parallel the rise of the favored rails. American Car and Foundry and Baldwin making the best records in this department.

Automobile men have been encouraged by the enthusiasm displayed by the American public over the new cars now on exhibition, and it is hoped this will lead to the placing of the long-deferred orders for motor-car steel, rubber, glass etc. The Steel industry in particular has been anxiously awaiting its usual quota of business from automobile makers.

Stocks firmed up near the noon hour and in many cases recovered all of their early losses.

As Democrats Met on Jackson Day

The virtual opening of the Democratic Presidential campaign was the annual Jackson Day dinner at Washington, D. C., which was attended by more than two thousand prominent members of the party—including three former candidates. Governor Roosevelt, the outstanding Democratic possibility, was absent, but his supporters were there in force. Photo shows, left to right, former Governor of New York Alfred E. Smith, the party candidate in the last election; Mrs. Woodrow Wilson, widow of former President Wilson; Governor Albert C. Ritchie of Maryland, one of the outstanding possibilities for the party nomination, and John J. Raskob, chairman of the Democratic National Committee.

Grid Laurels for Trojans

A season of Trojan football glory was climaxed when two coveted awards were made to the University of Southern California at a special assembly in Bovard Auditorium, Los Angeles. The Knute Rockne Cup, signifying the gridiron championship of the nation, was presented to the student body by Professor Frank G. Dickinson, whose system of rating determines the winner of the cup. The Los Angeles University Club plaque was awarded to Gus Shaver, as the most valuable player. Photo shows, left to right, Professor Dickinson of the University of Illinois, President Rufus von Kleinsmid of the U. S. C., Capt. Stanley Williamson and Coach Howard Jones.

In Mystery Death of Officer

Mystery surrounds the death of Lieutenant William J. French (left), former officer of San Francisco Presidio, whose body was found lying near his automobile near Gilroy, Calif. Army authorities have launched an investigation to determine whether the officer was murdered or ended his own life. Mrs. Gertrude McEnroe (right), Kansas City widow, was temporarily held by Gilroy authorities following her request for aid, when she disclosed that she had been French's companion on the auto trip to Los Angeles and that he had struck her with a hammer.

Glassport Man Is Seriously Wounded

(International News Service)

PITTSBURGH, Pa., Jan. 11.—With a bullet wound near his heart, Fred George, 23, a brother of the newly appointed police chief at Glassport, near here, today was believed dying in McKeesport hospital.

According to County Detective James Reddington, George was shot down during a gun battle with a prowler near the George home in Ohio street in Glassport.

Reddington said George told him he saw a prowler in the alley and, armed with a revolver, went to question the man. The prowler fired and George fired five shots at the fleeing man.

Kalish Facing Liquor Charge

City-County Officers Make Visit To Terrace Ave. Place Saturday

REPORT BEER IS FOUND IN PLACE

With five city and county officers joining, the place of Stanley Kalish of Terrace avenue was visited Saturday afternoon. Four half barrels of beer containing 16 gallons each were confiscated, five empty barrels, one barrel of wine, and a beer pump were among the loot taken, the officers report. The raid was led by County Detective Peck Lee, with Assistant County Detective Bernard J. Rocks, and City officers J. Ed. Elder, Thomas Lynch and John Moore.

According to the county officers the place had been under surveillance for some time. Complaints have been received on the place it is said and on Saturday afternoon the plans for the raid were completed. Officers covered the various doors, and Officer Thomas Lynch rang the bell.

Ice Man There

As Lynch rang the bell the ice man who had Kalish's place on his list of customers was there to deliver ice for the week end business. Kalish answered the door and Lynch forced his way in followed by the other officers. The officers state that the back of a small store the place was fitted up in style. One room contained the usual fixtures of beer drinking places, while seven other roorns were fitted up, presumably for private parties, the officers report. A number of guests were present at the time of the visit but they were left unmolested.

Kalish was taken before Alderman L. C. Mantz where he gave bail in the amount of $1500 for a hearing to be held Thursday afternoon, January 14.

Painful Piles

Go Quick—No Cutting—No Salves

It takes only one bottle of Dr. J. S. Leonhardt's prescription—HEM-ROID—to end itching, bleeding, protruding piles. This internal remedy acts quickly even in old, stubborn cases. HEM-ROID succeeds because it heals and restores the affected parts and removes blood congestion in the lower bowel—the cause of piles. Only an internal medicine can do this, that's why salves and cutting fail. Eckerd's of New Castle, Inc. and New Castle Drug Co. says HEM-ROID Tablets must end your Pile misery or money back.

WIFE ATTACKED BY HAWAIIANS

Here are Lieutenant and Mrs. Thomas H. Massie, son-in-law and daughter of Mrs. Granville Fortescue, socially prominent New York and Washintgon matron, who with Massie and E. L. Lord, naval enlisted man, is held at Honolulu on kidnaping and murder charges growing out of the death of Joseph Kakawai, native Hawaiian accused of taking part in a recent attack on Mrs. Massie. Hawaiian authorities assert that Mrs. Fortescue, Lieutenant Massie and Lord kidnaped the Hawaiian and shot him to death in the home of Mrs. Fortescue. The kidnaping and murder are said to have taken place after a jury was unable to agree on the guilt of Kakawai, who with several other natives was accused of attacking Mrs. Massie. The Massies are shown at their wedding in 1927.

ROAMING

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle.

These light type construction roads that are being laid down in Lawrence and other counties are not so comfortable as concrete, but they are doing the work for which they are intended, getting folks out of the mud onto hard roads easily. Take a ride around the county on some of them and you'll find that they are an improvement.

From the curve in the Wilmington Road just beyond the city line, out the old Pulaski Road is one example. There was a time when some of the folks out there like Howard Leslie were really dug in for the winter, once Thanksgiving had rolled around. Now they have a highway that gets them into New Castle regardless of the weather.

Another road which will soon be covered with the light type of covering is the one leading from Walmo on the Wilmington Road, across to the Pulaski Road. Here is another road that was far removed from civilization when snow and mud were prevalent. The limestone screenings are piled along the road and will soon be laid.

This light type road is made of limestone chips and heavy oil. The chips are rolled into the ground and the oil binds them together. The oil is a smelly business when the weather is warm but there have been no threats of war yet because of the smell. Mud has little odor but it holds back cars.

Spurgeon Reese was in town yesterday and took a ride over some of the roads to see how they compare with what he is doing in Washington County. Reese is a New Castle boy who has been with the State Highway Department for many years and at the present time is the assistant superintendent of highways for Washington County. One of the projects under his supervision is the labor camp at Claysville.

Jimmy Fletcher has registered a complaint with this department. He complains that the roster of eligible bachelors, published exclusively here some days ago is only half the battle. "Why don't you publish a list of the eligible young women" ask Jimmy. The answer is that the engineer wants to be able to go home at night.

It isn't so long until January 21 which may not mean so much ordinarily but happens to be the date for the opening of the campaign for $60,000 for the Jameson Memorial Hospital. That sounds like considerable money, but our guess is that it is going over. Not because it will be easy to raise but in spite of it. Not because everybody can afford to give but because a lot of them will sacrifice to give to an institution that deserves everything you can do for it.

If you have never been in the Jameson Memorial Hospital you can't be expected to appreciate just what they do for you. From the time you check in until they check you out, the entire hospital family is interested in getting rid you, healthy and strong. No hospital can operate successfully at a profit. Any hospital that makes a profit is not filling its job. Not good economics perhaps but not bad humanitarianism.

MRS. C. E. SALTER SPEAKS SUNDAY

Sunday morning the congregation of the First Methodist church had a diversion in services when Mrs. C. Edward Salter of Franklin occupied the pulpit and gave a realistic, impressive account of the Passion Play, as she witnessed it in Oberammergau at its last presentation.

The service was sponsored by the Randolph Circle of King's Daughters of the church.

Prepare Charges Against Youth As Wrecker Of Trains

Luther Mazur, 16, Faces Long Term For Wrecking Trains For "Thrill"

(International News Service)

EBENSBURG, Pa., Jan. 11.—Police today were to confer with District Attorney W. Lloyd Hibbs of Cambria county regarding charges to be placed against Luther Mazur, 16, of Cresson Shaft, self-confessed "thrill" train wrecker.

Railroad police said Mazur confessed wrecking a 76-car coal train near "Horseshoe curve", which resulted in the death of Matthew Allison, a brakeman, and damage of $350,000, according to officials.

The youth also confessed three robberies in Pittsburgh, police reported. A portion of the loot, taken from homes, was found in various hideouts in his home and in nearby barns and dugouts, police said.

Mazur told police he paralyzed the braking devices on the long train of loaded coal cars by turning an angle cock on one of the cars near the engine, railroad detectives reported. He was also said to have confessed similar tampering on two other trains which were not wrecked, however, through quick action of the train crews.

Thirteen Cadets On Flying Basketball Tour, Leave Uniontown For Washington

(International News Service)

UNIONTOWN, Pa., Jan. 11.—Thirteen cadets of the U. S. Flying Corps basketball team and Lieutenant C. W. Cousland, who were forced down here Saturday afternoon and held to the ground by bad weather, today hopped off for Bolling Field, Washington.

Flying conditions were ideal. The large army transport plane is expected to reach Washington about noon. The cadets' basketball team had been on a barnstorming tour and were enroute to Scranton, Pa., from Charleston, W. Va., when forced down.

A scheduled game between the cadets and the Keystone Academy cagers at Scranton was called off because of the incident.

State Hits Happy Medium On Age Of New Drivers

By ARTHUR C. WIMER
Special Washington Correspondent Of The New Castle News

WASHINGTON, D. C., Jan. 11.—Pennsylvania seems to have adopted the happy medium of age which must be attained before automobile operators permits may be procured, according to the American Automobile Association.

Pennsylvania is one of the eighteen state which have set the minimum age limit for drivers of motor vehicles at sixteen years. The minimum age varies all the way from twelve to eighteen years, but there is a definite trend toward fixing sixteen years as the age at which youngsters are first allowed to drive on the highways of the country, the AAA says.

South Carolina has the lowest minimum age limit, where operators permits are granted to youngsters twelve years of age. Arizona, Indiana, Maine, New York and Vermont have the highest minimum age limit, requiring persons to be at least eighteen years old before they are granted an operators license.

Twelve states have omitted a minimum age from their motor vehicle laws.

Injuries Fatal To War Veteran

Dimitry Smelick, Passes Away In Hospital From Injuries Suffered Tuesday

Injuries sustained in a fall from a haymow on January 5, resulted in the death of Dimitry Smelick, aged 43, World War veteran, of 501 Denver avenue, early Sunday morning at 3:30 in the New Castle hospital.

Smelick suffered internal injuries on last Tuesday, when he fell from the mow of a barn at the home of Jacob Bakuhn, R. F. D. No. 9, sustaining internal injuries. He was visiting at the Bakuhn home and had gone to the haymow to throw down some hay for the cattle. Instead of using a pitchfork, he was pushing the hay through the mowhole with his foot, when he slipped and fell across the front of the manger, alighting on his abdomen

He was taken to the New Castle hospital, but passed away in spite of the efforts made to save his life.

Smelick was a widower, and was born in Russia. He leaves two sons, Samuel and Paul, living in Europe; two brothers, Ignatius Smelick of Warren, O., and Jacob Smelick in Europe, and two sisters, Henrietta and Quilly in Europe.

He had served in the 158th Depot Brigade at Camp Sherman during the World War, and was a steel worker by occupation.

Funeral services will be held Wednesday afternoon at 2 o'clock from the residence, 501 Denver avenue, with burial in Greenwood cemetery.

Suit Is Brought Over Funeral Bill

Case Of Stanley J. Urbowski Against Joseph Oleyas On Trial

When court convened this morning the case of Stanley J. Urbowski against Joseph Oleyas, was taken up for trial before Judge James A. Chambers. Urbowski is an undertaker in Toledo, O.

In September, 1927, Mrs. Mary Oleyas of this city, wife of the defendant went to visit a daughter in Toledo. While there she took sick and died. Urbowski was called in as undertaker. The present suit is for $464.30 funeral expenses, which it is claimed has not been paid.

The case of John Baer against John E. Wyrie, was taken up for trial before Judge R. L. Hildebrand. The suit grew out of the sale of an autmobile to Wyrie in which Baer, trading as the New Castle Auto Sales Co., took a bailment lease. The suit is over this contract on which it is claimed there is a balance due.

Slippery Roads Cause Accidents

Several In Mercer County Hospitals With Injuries Suffered Sunday

(Special To The News)

MERCER, Jan. 11.—Slippery roads were the cause of three accidents in Mercer county Sunday evening, one of which may result in the death of one of the victims.

Edward Barry, aged 21, of Orchard avenue, Sharon, the worst injured, is in a Grove City hospital, with a fractured skull, several broken ribs, and possible internal injuries It is feared that he will die.

The accident which resulted in his injury, occurred last evening on the Grove City-Sharon road. Barry's car swung around when it hit an icy spot, and was struck by an oncoming car.

David Weiss, ager 42, of Cochranton, suffered a slight fracture of the skull, and cuts and bruises, when his car skidded and left the road near Leesburg. He is in the Mercer hospital, where it is said his condition is not serious.

Joseph Boxer, aged 40, his wife Helen, aged 27, and their 11-months old baby, of Erie, are in the Mercer hospital, recovering from bruises and cuts sustained when their car skidded off the road near Leesburg.

Mercer county roads were made extremely slippery as a result of rain which froze as it fell, and many other accidents were reported, none of them of a serious nature.

NEW YORK STOCKS

Little Change In Market Prices Today

(International News Service)

NEW YORK, Jan. 11.—Industrial stocks at the beginning of the new week fell off nervously as the result of the Steel corporation's disappointing drop in December forward orders. Losses of 1 to 2½ points were recorded in a dozen or more of the leaders, including American Can, Consolidated Gas and Big Steel, which sold today at 40⅝, against Saturday's high price of 44½.

The rails came to the relief of the bulls in the second hour, as reports of further satisfactory "adjustments" of wages and an upturn in freight movements filtered into Wall Street.

New Haven, which started the new week at 22¾, down 1¼ from Saturday's close, forged ahead to 25½ in the second period. New York Central rallied from its opening price of 29¾ to 32 and Atchison at 86¾ showed a gain of 2¼ from Saturday's close. The railroad equipment stocks made an effort to parallel the rise of the favored rails. American Car and Foundry and Baldwin making the best records in this department.

Automobile men have been encouraged by the enthusiasm displayed by the American public over the new cars now on exhibition, and it is hoped this will lead to the placing of the long-deferred orders for motor-car steel, rubber, glass etc. The Steel industry in particular has been anxiously awaiting its usual quota of business from automobile makers.

Stocks firmed up near the noon hour and in many cases recovered all of their early losses.

As Democrats Met on Jackson Day

The virtual opening of the Democratic Presidential campaign was the annual Jackson Day dinner at Washington, D. C., which was attended by more than two thousand prominent members of the party—including three former candidates. Governor Roosevelt, the outstanding Democratic possibility, was absent, but his supporters were there in force. Photo shows, left to right, former Governor of New York Alfred E. Smith, the party candidate in the last election; Mrs. Woodrow Wilson, widow of former President Wilson; Governor Albert C. Ritchie of Maryland, one of the outstanding possibilities for the party nomination, and John J. Raskob, chairman of the Democratic National Committee.

Glassport Man Is Seriously Wounded

(International News Service)

PITTSBURGH, Pa., Jan. 11—With a bullet wound near his heart, Fred George, 23, a brother of the newly appointed police chief at Glassport, near here, today was believed dying in McKeesport hospital.

According to County Detective James Reddington, George was shot down during a gun battle with a prowler near the George home in Ohio street in Glassport.

Reddington said George told him he saw a prowler in the alley and, armed with a revolver, went to question the man. The prowler fired and George fired five shots at the fleeing man.

In Mystery Death of Officer

Mystery surrounds the death of Lieutenant William J. French (left), former officer of San Francisco Presidio, whose body was found lying near his automobile near Gilroy, Calif. Army authorities have launched an investigation to determine whether the officer was murdered or ended his own life. Mrs. Gertrude McEnroe (right), Kansas City widow, was temporarily held by Gilroy authorities following her request for aid, when she disclosed that she had been French's companion on the auto trip to Los Angeles and that he had struck her with a hammer.

POLICE COMPLETE INVESTIGATION

Kalish Facing Liquor Charge

City-County Officers Make Visit To Terrace Ave. Place Saturday

REPORT BEER IS FOUND IN PLACE

With five city and county officers joining, the place of Stanley Kalish of Terrace avenue was visited Saturday afternoon. Four half barrels of beer containing 16 gallons each were confiscated, five empty barrels, one barrel of wine, and a beer pump were among the loot taken, the officers report. The raid was led by County Detective Peck Lee, with Assistant County Detective Bernard J. Rocks, and City officers J. Ed. Elder, Thomas Lynch and John Moore.

According to the county officers the place had been under surveillance for some time. Complaints have been received on the place it is said and on Saturday afternoon the plans for the raid were completed. Officers covered the various doors, and Officer Thomas Lynch rang the bell.

Ice Man There

As Lynch rang the bell the ice man who had Kalish's place on his list of customers was there to deliver ice for the week end business. Kalish answered the door and Lynch forced his way in followed by the other officers. The officers state that the back of a small store the place was fitted up in style. One room contained the usual fixtures of beer drinking places, while seven other rooms were fitted up, presumably for private parties, the officers report. A number of guests were present at the time of the visit but they were left unmolested.

Kalish was taken before Alderman L. C. Mantz where he gave bail in the amount of $1500 for a hearing to be held Thursday afternoon, January 14.

Painful Piles

Go Quick—No Cutting—No Salves

It takes only one bottle of Dr. J. S. Leonhardt's prescription—HEMROID—to end itching, bleeding, protruding piles. This internal remedy acts quickly even in old, stubborn cases. HEM-ROID succeeds because it heals and restores the affected parts and removes blood congestion in the lower bowel—the cause of piles. Only an internal medicine can do this, that's why salves and cutting fail. Eckerd's of New Castle, Inc. and New Castle Drug Co. says HEM-ROID Tablets must end your Pile misery or money back.

WIFE ATTACKED BY HAWAIIANS

Here are Lieutenant and Mrs. Thomas H. Massie, son-in-law and daughter of Mrs. Granville Fortescue, socially prominent New York and Washintgon matron, who with Massie and E. L. Lord, naval enlisted man, is held at Honolulu on kidnaping and murder charges growing out of the death of Joseph Kakawai, native Hawaiian accused of taking part in a recent attack on Mrs. Massie. Hawaiian authorities assert that Mrs. Fortescue, Lieutenant Massie and Lord kidnaped the Hawaiian and shot him to death in the home of Mrs. Fortescue. The kidnaping and murder are said to have taken place after a jury was unable to agree on the guilt of Kakawai, who with several other natives was accused of attacking Mrs. Massie. The Massies are shown at their wedding in 1927.

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle.

These light type construction roads that are being laid down in Lawrence and other counties are not so comfortable as concrete, but they are doing the work for which they are intended, getting folks out of the mud onto hard roads easily. Take a ride around the county on some of them and you'll find that they are an improvement.

From the curve in the Wilmington Road just beyond the city line, out the old Pulaski Road is one example. There was a time when some of the folks out there like Howard Leslie were really dug in for the winter, once Thanksgiving had rolled around. Now they have a highway that gets them into New Castle regardless of the weather.

Another road which will soon be covered with the light type of covering is the one leading from Walmo on the Wilmington Road, across to the Pulaski Road. Here is another road that was far removed from civilization when snow and mud were prevalent. The limestone screenings are piled along the road and will soon be laid.

This light type road is made of limestone chips and heavy oil. The chips are rolled into the ground and the oil binds them together. The oil is a smelly business when the weather is warm but there have been no threats of war yet because of the smell. Mud has little odor but it holds back cars.

Spurgeon Reese was in town yesterday and took a ride over some of the roads to see how they compare with what he is doing in Washington County. Reese is a New Castle boy who has been with the State Highway Department for many years and at the present time is the assistant superintendent of highways for Washington County. One of the projects under his supervision is the labor camp at Claysville.

Jimmy Fletcher has registered a complaint with this department. He complains that the roster of eligible bachelors, published exclusively here some days ago is only half the battle. "Why don't you publish a list of the eligible young women" ask Jimmy. The answer is that the engineer wants to be able to go home at night.

It isn't so long until January 21 which may not mean so much ordinarily but happens to be the date for the opening of the campaign for $60,000 for the Jameson Memorial Hospital. That sounds like considerable money, but our guess is that it is going over. Not because it will be easy to raise but in spite of it. Not because everybody can afford to give but because a lot of them will sacrifice to give to an institution that deserves everything you can do for it.

If you have never been in the Jameson Memorial Hospital you can't be expected to appreciate just what they do for you. From the time you check in until they check you out, the entire hospital family is interested in getting rid you, healthy and strong. No hospital can operate successfully at a profit. Any hospital that makes a profit is not filling its job. Not good economics perhaps but not bad humanitarianism.

Prepare Charges Against Youth As Wrecker Of Trains

Luther Mazur, 16, Faces Long Term For Wrecking Trains For "Thrill"

(International News Service)

EBENSBURG, Pa., Jan. 11.—Police today were to confer with District Attorney W. Lloyd Hibbs of Cambria county regarding charges to be placed against Luther Mazur, 16, of Cresson Shaft, self-confessed "thrill" train wrecker.

Railroad police said Mazur confessed wrecking a 76-car coal train near "Horseshoe curve", which resulted in the death of Matthew Allison, a brakeman, and damage of $350,000, according to officials.

The youth also confessed three robberies in Pittsburgh, police reported. A portion of the loot, taken from homes, was found in various hideouts in his home and in nearby barns and dugouts, police said.

Mazur told police he paralyzed the braking devices on the long train of loaded coal cars by turning an angle cock on one of the cars near the engine, railroad detectives reported. He was also said to have confessed similar tampering on two other trains which were not wrecked, however, through quick action of the train crews.

Thirteen Cadets On Flying Basketball Tour, Leave Uniontown For Washington

(International News Service)

UNIONTOWN, Pa., Jan. 11.—Thirteen cadets of the U. S. Flying Corps basketball team and Lieutenant C. W. Cousland, who were forced down here Saturday afternoon and held to the ground by bad weather, today hopped off for Bolling Field, Washington.

Flying conditions were ideal. The large army transport plane is expected to reach Washington about noon. The cadets' basketball team had been on a barnstorming tour and were enroute to Scranton, Pa., from Charleston, W. Va., when forced down.

A scheduled game between the cadets and the Keystone Academy cagers at Scranton was called off because of the incident.

State Hits Happy Medium On Age Of New Drivers

By ARTHUR C. WIMER
Special Washington Correspondent Of The New Castle News

WASHINGTON, D. C., Jan. 11.—Pennsylvania seems to have adopted the happy medium of age which must be attained before automobile operators permits may be procured, according to the American Automobile Association.

Pennsylvania is one of the eighteen state which have set the minimum age limit for drivers of motor vehicles at sixteen years. The minimum age varies all the way from twelve to eighteen years, but there is a definite trend toward fixing sixteen years as the age at which youngsters are first allowed to drive on the highways of the country, the AAA says.

South Carolina has the lowest minimum age limit, where operators permits are granted to youngsters twelve years of age. Arizona, Indiana, Maine, New York and Vermont have the highest minimum age limit, requiring persons to be at least eighteen years old before they are granted an operators license.

Twelve states have omitted a minimum age from their motor vehicle laws.

Injuries Fatal To War Veteran

Dimitry Smelick, Passes Away In Hospital From Injuries Suffered Tuesday

Injuries sustained in a fall from a haymow on January 5, resulted in the death of Dimitry Smelick, aged 43, World War veteran, of 501 Denver avenue, early Sunday morning at 3:30 in the New Castle hospital.

Smelick suffered internal injuries on last Tuesday, when he fell from the mow of a barn at the home of Jacob Bakuhn, R. F. D. No. 9, sustaining internal injuries. He was visiting at the Bakuhn home and had gone to the haymow to throw down some hay for the cattle. Instead of using a pitchfork, he was pushing the hay through the mowhole with his foot, when he slipped and fell across the front of the manger, alighting on his abdomen

He was taken to the New Castle hospital, but passed away in spite of the efforts made to save his life.

Smelick was a widower, and was born in Russia. He leaves two sons, Samuel and Paul, living in Europe; two brothers, Ignatius Smelick of Warren, O., and Jacob Smelick in Europe, and two sisters, Henrietta and Quilly in Europe.

He had served in the 158th Depot Brigade at Camp Sherman during the World War, and was a steel worker by occupation.

Funeral services will be held Wednesday afternoon at 2 o'clock from the residence, 501 Denver avenue, with burial in Greenwood cemetery.

Suit Is Brought Over Funeral Bill

Case Of Stanley J. Urbowski Against Joseph Oleyas On Trial

When court convened this morning the case of Stanley J. Urbowski against Joseph Oleyas, was taken up for trial before Judge James A. Chambers. Urbowski is an undertaker in Toledo, O.

In September, 1927, Mrs. Mary Oleyas of this city, wife of the defendant went to visit a daughter in Toledo. While there she took sick and died. Urbowski was called in as undertaker. The present suit is for $464.30 funeral expenses, which it is claimed has not been paid.

The case of John Baer against John E. Wyrie, was taken up for trial before Judge R. L. Hildebrand. The suit grew out of the sale of an automobile to Wyrie in which Baer, trading as the New Castle Auto Sales Co., took a bailment lease. The suit is over this contract on which it is claimed there is a balance due.

Slippery Roads Cause Accidents

Several In Mercer County Hospitals With Injuries Suffered Sunday

(Special To The News)

MERCER, Jan. 11.—Slippery roads were the cause of three accidents in Mercer county Sunday evening, one of which may result in the death of one of the victims.

Edward Barry, aged 21, of Orchard avenue, Sharon, the worst injured, is in a Grove City hospital, with a fractured skull, several broken ribs, and possible internal injuries It is feared that he will die.

The accident which resulted in his injury, occurred last evening on the Grove City-Sharon road. Barry's car swung around when it hit an icy spot, and was struck by an oncoming car.

David Weiss, ager 42, of Cochranton, suffered a slight fracture of the skull, and cuts and bruises, when his car skidded and left the road near Leesburg. He is in the Mercer hospital, where it is said his condition is not serious.

Joseph Boxer, aged 40, his wife Helen, aged 27, and their 11-months old baby, of Erie, are in the Mercer hospital, recovering from bruises and cuts sustained when their car skidded off the road near Leesburg.

Mercer county roads were made extremely slippery as a result of rain which froze as it fell, and many other accidents were reported, none of them of a serious nature.
